

# Renaissance Of Hindu Culture

PANDIT Madan Mohan Malaviya enjoys a very eminent place among the builders of modern India. A great scholar, an eloquent orator and an astute lawyer, he was a devout Hindu who worked ceaselessly for a period of over half a century for the renaissance of Hindu culture. The Banaras Hindu University is a standing monument to his great service in this noble cause.

I am glad that 'The Leader' of Allahabad is bringing out a special supplement on the occasion of the birth centenary of Malaviyaji this month. I am sure the Souvenir will highlight the various services rendered by Malaviyaji and enhance the cause he so ardently espoused.
