1 Dark falls the night around
 Lightly the zephyrs float.
 As oyer the surging lake
 Swiftly our flies boat
 Dreãam not of vears behind,
 Gone now for ever more,
 Look not behind where the darkness lies
 Pull for the northern shore.

CHORUS :— Pull, pull, pull, pull

Pull, for the northern shore

Pull, pull, pull, pull, pull for the northern shore

Hope lies before us lads ; slavery lies behind.
