Explanation of the abbreviations used in the Calendar and Notes.

K (Násik District) = Kali; K (Sátára District) = Kumri; M (in columns 8 and 11) = Mal; M̄ (in column 15) = Motasthal; N = New; O = Old; P (in columns 9, 13 and 14) = Pūlan; P (in column 15) = Pátasthal.

Note 1.—The information embodied in the statement has been mainly extracted from the settlement reports. Preliminary Vernacular Settlement papers had to be resorted to where it was not available from such reports.

Note 2.—Where settlement proposals, whether Original or Revision, have been submitted but not sanctioned, information has been taken from Appendix Q of such reports.

Note 3.—In column 10 of the statement "Maximum Garden Rate" only the maximum Pátasthal rate has been shown where available.

Note 4.—The repetition of the same year in column 2 "Date of commencement of Settlement" of the statement has a special significance inasmuch as the villages to which such repetition refers have been dealt with in separate reports.
