75. Briefly summarized, the year's Administration shows an increase in the total Land and Sayer Revenue demands of Rs. 6,66,742-11-6 ; a decrease in Alienations of Rs. 8,109-2-8; an increase in free-grants of Rs. 1,879-6-0; and a decrease in Remissions of Rs. 22,310-1-0. Total sum to be collected on account of the year under report was Rs. 79,59,593-1-9 as compared with Rs. 72,53,991-12-5, showing an increase of Rs. 7,05,601-5-4; and the actual collections made on account of this demand exceed the collections made in the previous year by Rs. 6,99,609-2-11. This increase taken with the increase in collections last year, viz., Rs. 3,90,832-6-6 shows that since 1879-80 the revenue realizations in this Province have increased by Rs. 10,90,441-9-5. These figures speak for themselves.

76. The cost of collection amounted to Rs. 6,13,823-0-2, showing an increase of Rupees 11,210-4-11 in amount, but the percentage which the cost of collection bears to the amount collected has decreased by As. 12-6. This decrease in percentage is due to a change in the mode of computation. Formerly each Collector calculated the percentage in a different way, some including others excluding in whole or in part charges on account of establishment of Forest, Postal and Telegraph Departments; this clearly could not give even an approximately correct percentage, and a change has accordingly been introduced. The percentage now given is calculated upon the cost of the Revenue establishments in comparison with the revenue actually collected by them, and can be accepted as sufficiently accurate for statistical purposes.

77. In preparing this Report the form hitherto adopted has been followed, and under Sayer Revenue has been included revenue from Liquor of all kinds, intoxicating drugs, Opium, Salt, Judicial Receipts, Registration Stamps, Post Offices, Telegraphs, Forests, License Tax and Customs; but as it seems to me that now that separate reports are made regarding the above heads, these inclusions in the Jamabandi or Land Revenue Report are out of place. I propose in future, unless Your Excellency disapproves of the change, to follow the course now followed in the Presidency with the approval of Government, and to show in this Report Land Revenue only with such miscellaneous revenue as forms the subject of annual Settlements.

I have the honour to be,
Right Honourable Sir,
Your most obedient Servant,

H. N. B. ERSKINE,
Commissioner in Sind.
