* In the previous year a portion of the Rakhs were only measured by the Settlement Department, while the area now shown includes all the Rakhs.

† The total area shown in last year's return was 8,50,402, from which deducting 968 acres sold to Tara Singh from Rakhawar and 3,778 acres, on account of area of certain Rakhs in Tahsil Shahpur twice taken in account, the correct area comes to 8,45,656 acres.

‡ The decrease of area is due to the fact that the area of certain Rakhs released to zemindars and wells leased to lessees under the waste land rules before 1868 has been deducted from the total area of district.

§ The difference of 23,081 acres between the area shown in 1879-80 and that shown now is due to the following causes :—
 Acres.
 Revenue free grants ... 4,006
 Fluctuating system... ... 10,075
