The demand in the first year of the new settlement was Rs. 9,31,126, but reductions were subsequently given in a certain number of villages. These were in part temporary, and Rs. 5,167 were re-imposed from Kharif 1889. Moreover, since Settlement 12 estates have been removed from the fixed to the fluctuating system of assessment. The present assessment is exclusive of owner's rate estimated by the Settlement Officer to amount to Rs. 1,17,179.

Ditto	The former settlement was made at different dates for different parts of the district. The settlement introduced in 1877 raised the <i>khalsa</i> demand to Rs. 12,28,535, but the assessment of a large number of estates was revised in 1882-83 and reductions partly permanent and partly for a period of seven years ending Rabi 1889 were given. That period having expired the assessments were again considered and Rs. 79,000 were added to the demand for Kharif 1889. Out of the demand of Rs. 11,73,773 as it originally stood for 1896-97, a reduction of Rs. 2,254 was made for 11 Khādir villages on account of Kharif 1896.
