SETTLEMENT REPORT

OF

GANJAM.

I HAVE the honor to report on the results of the Revenue Administration of this district during Fusly 1278, and to submit the usual annual Statements*.

* Sent in two separate packets.

I.—Settlement.
Statement No. 1.

Chicacole, Srikurman, Narasannapeta and Jalmur.

Chicacole Talook by Mr. Hope, at the stations noted in the margin.

II.—Variations in the number and tenure of villages.

2. The Gumsur Talook was settled by Mr. Carmichael at Russelcondah, the Berhampore Talook by Mr. Spedding at Berhampore, and the

3. The causes of variations in the number and tenure of villages during the fusly under review are given below:—

Villages.	Number in Fusly 1277.	Number in Fusly 1278.	Increase.	Decrease.
Ryotwar.....	878	888	10	
Joint Rent.....	535	515		20
Rents for more than one year	10	7		3
Inam villages	1,423	1,410	10	23
Fishing villages	222	222		
Villages in which there is no Jerayati cultivation.....	33	33		
	16	16		
	1,694	1,681	10	23

Ryotwar.

4. To 878 villages under this head in Fusly 1277, sixteen have been newly added, namely, 13 from "Joint Rent," and 1 from "Rents for more than one year," while two hamlets in the Gumsur Talook which were assessed for the first time in Fusly 1277 and shown under the head of "Land Revenue Miscellaneous," have now been regularly brought to account. Six villages have, however, been transferred to the head of "Joint Rent," thus showing a net increase of 10 villages under this head.

Joint Rent.

5. The number of villages under this head in Fusly 1277 was 535, from which thirteen have been transferred to Ryotwar as above stated, and fifteen Khond hamlets in the Gumsur Talock struck off the accounts in consequence of death and desertion of their ryots, the Khonds, through the effects of the late famine. Eight villages have, however, been added to this head, namely, six from Ryotwar, and two from "Rents for more than one year." This accounts for the decrease of twenty villages in the number under this head.

Rents for more than one year.

6. There were ten villages under this head in the preceding fusly, from which three have been transferred; one to the Ryotwar, and two to Joint Rent. There is, therefore, a net decrease of three in the number of villages as compared with the number under this head during Fusly 1277.

7. In 33,015 puttahs no alterations were made; 1,612 puttahs were altered in consequence of changes in the Ryots' holdings, and 629 fresh puttahs granted for holdings newly brought under Ryotwar, for lands cultivated for the first time by persons who hitherto had no puttahs and for Inam lands newly assessed with Jerayati Sist.

III.—Season and Sanitary state.

8. The fall of rain was both scanty and partial, and wet crops suffered seriously owing to the failure of north east monsoon, except in such localities as are provided with unfailing sources of irrigation, and the district narrowly escaped another season of scarcity. Remissions to the extent of Rupees 11,653 have been granted for loss of crops, and some of the ryots who were just recovering from the effects of the late famine have been obliged to sell and relinquish their holdings for want of means of subsistence.

The rain-fall from April 1868 to March 1869, was as under:—

9. During the fusly under notice, cholera and small-pox prevailed to a certain extent, but the prevalence of fever was considerable. The number of deaths from these diseases and other causes amounted to 16,279, as detailed in the margin. 2,144 heads of cattle are said to have been lost from various diseases in the Government talooks.

IV.—Prices of Grain.

Statement No. 9.

10. The prices of all the staple articles of consumption which in Fusly 1277 came down to the standard that prevailed previous to the late famine, have again risen in consequence of the adverse nature of the season.

V. Ryots' holdings.

Statement No. 3.

This Statement will be sent on the receipt of printed form from the Board. It has not been received as yet though its despatch was advised long ago.

Rupees 6,45,695-13-2, to which Rupees 11-1-1 being Tirwajasti or additional assessment, should be added, and Rupees 18,072-15-5 deducted therefrom, being remissions granted on account of loss of crops and of Cowle lands; thus leaving a net demand of Rupees 6,27,633-14 10 independently of Rupees 66,002-7-8, being the demand of items composing "Land Revenue Miscellaneous." The details of each of the above items will be found below:—

Enclosure A. of Statement No. 3.

18. With regard to the principal sources of irrigation, the number of villages, the extent of land irrigated by each, and the amount of actual Revenue derived therefrom, I beg to refer the Board to paragraphs 17 to 22 of my predecessor's Report on the results of the Revenue Administration of this district for Fusly 1276, and the Statement annexed thereto.

19. As already stated in paragraph 22 of the Report on the Revenue Administration for Fusly 1275, no ruined tanks have been made over to private enterprise in this district.

Enclosure B. of Statement No. 3.
VIII.—Special Products.

20. The increase in the extent of land cultivated with Sugar-cane is owing to the eagerness of the ryots for extending Cane cultivation, but the failure of rains checked the yield to a certain extent; the decrease in the extent of land cultivated with Cotton is due to the non-submission of Returns by some of the Zemindars though repeatedly called for; and the small decrease in the extent of land cultivated with Indigo requires no remark.

Enclosure C. of Statement No. 3.

21. During the fusly under notice, only 47 acres, subject to a sist of Rupees 80, were taken on progressive cowle against 17 acres with a sist of Rupees 37 in the preceding year, and 491 acres of land bearing a sist of Rs. 699 have been abandoned under the following circumstances:—

388 acres of land subject to a sist of Rupees 558, which were given on progressive cowle to thirteen persons for eight years were abandoned, owing to the inability of the Cowle-holders to bring them under cultivation.

Two plots of ground measuring A. 20 C. 19½ of land bearing a sist of Rupees 46-1-9 which were given to two persons on progressive cowle for eight years were abandoned owing to submersion; 7½ acres of land subject to a sist of Rupees 9½ which were given to one person on a progressive cowle of eight years were abandoned, owing to the constant destruction of crops raised thereon by wild beasts. A deduction of 15-5 acres of land, bearing a sist of Rupees 56-11-6, was made from a plot of ground granted to a person on a progressive cowle for eight years, in consequence of deficit discovered by measurement in the extent of land originally granted, and two plots of land measuring 59½ acres, bearing a sist of Rupees 34-8-0, which were given to two persons under Tope Rules, on a cowle of 20 years, were struck off the Cowle list, in consequence of the failure on the part of the Cowle-holders to fulfil their engagement of planting the trees.

22. Remissions to the extent of Rupees 11,653-3-7 were granted to the ryots of 120 villages of the Berhampore and Chicacole Talooks, as noted in the margin, in consequence of the loss of produce by failure of rains, and Rupees 131-14-0 were remitted to the ryots of 17 villages in the Gumsur Talook, being a portion of the assessment of 169-27½ of land covered by sand, on condition of reclaiming the lands on progressive remission extending over a period of from 2 to 4 years. A remission of Rupees 80 was granted for lands taken on progressive cowle during the year under report. Those granted in the past and preceding fuslies on account of this year for lands given on cowle in those fuslies, amount to Rupees 6,208.

X.—Abstract of the General Results of Land Revenue Settlement.

Total Land Revenue...	11,63,213	15	2	11,49,456	0	1	...	...	...	13,757	15	1

24. The decrease in permanently settled is owing to the permanent reduction of Rs. 621, made in the peishcush of the Palur Zemindary, on account of the lands taken up for the Chilka Canal, under the Order of Government, dated the 11th August 1868, No. 2,134, and the increase in Shrotriem Jody, etc., is attributable to the inclusion through an oversight in the amount of quit-rent, the Cuttoobady of an Inam situated in an Inam village, during Fusly 1277.

25. The decrease in Ryotwar, is chiefly due to the grant of remissions to ryots for loss of produce, in consequence of the failure of rains.

26. For the decrease in Land Revenue Miscellaneous—*vide* causes given in paragraphs 32 to 36.

XI.—Sundry sources of revenue.
Abkarry.

27. The increase in "Abkarry" is the result of enhanced offers received for the farms of Purla Kimedy and Teckaly.

Salt.

28. The increase in "Salt" is referable to the improvement in the Brinjary trade.

Sea Customs and Stamps.

29. The small variations in Sea Customs and Stamps call for no remark.

License-tax

30. The deficit in Certificate-tax is chiefly the result of exclusion from tax of all incomes below 500 Rupees, under Act IX. of 1868.

31. For the variations in the Miscellaneous items under the above heads, see causes given in paragraph 37.

XII.—Servoy Jummah.
Statement No. 5.

32. The increase in the 17th, 32nd, 42nd, and 46th items is due to the following causes:—

1st.—Attachment of a larger number of inams during fusly under notice.

2nd.—Enhanced offers received for the rent of Charoots.

3rd.—Imposition of fines on Village Curnums for not rendering certain periodical Returns at the prescribed time.

4th.—Large extent of Inam land for which the Government water was made use of.

33. The decrease in the 1st, 4th, 6th, 13th, 15th, 37th, 40th, 41st, and 47th items, is referable to the undermentioned causes:—

1st.—Relinquishment of certain inams on the ground of the imposition of heavy quit-rent and the resumption of portions of certain Service Inams enjoyed by deceased parties who performed no service during their life time.

2nd.—Transfer of certain villages from "Rents for more than one year" to "Ryotwar."

3rd.—Smaller quantity of cultivated land brought to account subsequent to Jummahbundy.

4th.—Reduction made in the amount of rental of certain trees owing to the commencement of the payment of Cowle Sist for the land on which they are standing, under the terms of a Cowle granted in Fusly 1273.

5th.—Resumption of smaller number of inams.

6th.—Scanty growth of Durbah grass.

7th.—Inclusion in the amount of Fusly 1277, of the commission of property sold in satisfaction of the arrears of revenue during the preceding fusly.

8th.—Inclusion in the amount of Fusly 1277, the commission charged on a grant of 50,000 Rupees made on account of Police charges formerly incurred by the Purla Kimedy estate.

9th.—Redemption by payment of 25 years purchase of the quit-rent of a certain bungalow.

34. The variations in the 8th, 44th, and 45th items call for no remark in consequence of their contingent nature.

35. The total decrease in the 18th item is the result of the discontinuance of the realisation of sist on certain Khond villages situated in the Surada Maliahs, under the Orders of Government, dated the 19th September 1868, No. 1,456, Judicial Department, and the total increase in the 51st item is due to the sale of Receipt books to ryots.

36. The variations in the entries under the 52nd item is referable, 1st, to the sale of an unclaimed Jerayati Puttah holding; 2nd, to the transfer to the head "Rent," of the assessment of two

hamlets discovered in Fusly 1277; 3rd, to the large excess discovered on measurement in the cultivated area of some of the villages in the Gumsur Talook; 4th, to the charge of assessment on certain unauthorised grants of inam; and 5th, to the smaller account received for survey and demarcation of waste lands.

37. The increase in Miscellaneous under "Abkarry" is chiefly owing to the increased number of licenses granted for the sale of European liquors and the variations in Miscellaneous under the heads of "Salt" "Sea Customs" need no remark, in reference to their contingent and variable nature, and the decrease in penalties under Stamps is referable to the transfer to the head "Law and Justice," of penalties under the orders of the Accountant General.

39. The decrease in permanently settled is owing—1st, to the cause given in paragraph 24. 2nd, to the smaller amount of balance outstanding at the beginning of fusly under notice than at that of Fusly 1277; and 3rd, to the large balance due by the Proprietor of Raghunadpore estate, on account of current Peishcush, for the realisation of which, steps have been taken.

40. The decrease in Shotriem Jody, etc., is chiefly referable to the 2nd cause given in the preceding paragraph.

41. The decrease in Ryotwar is partly referable to the above cause, and partly to the grant of remissions to the extent of Rupees 11,653-3-7 for loss of produce, owing to the adverse nature of the season.

42. The decrease in "Miscellaneous" is chiefly due to the 2nd cause given in paragraph 39.

43. For the variations under the heads of Abkarry, Salt, Sea Customs, Stamps and License-tax, vide causes given in paragraph 37.
