* The actual realizations are less than the value of excise opium issued, owing to increase in the stock remaining in the hands of Collectors at the end of the year.

† The Commissioner of Customs, Salt and Opium, whose salary is all taken under the head "Customs," has the superintendence of this department in Bombay. The weighments and other duties performed in the Native States, where the opium is grown, are under the superintendence of British officers paid by the States concerned.
