NOTE.—The figures in this return show the gross circulation, less the Notes of several Circles in the Bengal Presidency, which may have been cashed in other Circles in the same Presidency. From March 1862 to April 1864 there was but one (the Calcutta) Circle in the Bengal Presidency. For the figures for that period see Account No. 120. Where the Notes in circulation belonging to a Circle in the interior are less than its Silver Coin Reserve, the difference arises from the Notes cashed at the Head Office.

NOTE.—The figures in this return show the gross circulation, less the Notes of the several Circles in the Bombay Presidency which may have been cashed in other Circles in the same Presidency. From March 1862 to August 1864 there was but one (the Bombay) Circle in the Bombay Presidency. For the figures for that period see Account No. 120. The Nágpur Circle was attached to the Bengal Presidency up to July 1867, and its circulation up to that month is included in the totals for the Bengal Presidency, which are given in the Abstract of the Circulation of the Paper Currency in Account No. 120, although for convenience of arrangement the circulation of the Nágpur Circle is shown from September 1864 in this return.

NOTE.—The figures in this return show the gross circulation, less the Notes of the several Circles in the Madras Presidency, which may have been cashed in other Circles in the same Presidency. From March 1862 to December 1864 there was but one (the Madras) Circle in the Madras Presidency. For the figures for that period, see Account No. 120.
