MONEY IN THE PUBLIC TREASURIES AND AT CREDIT OF THE GOVERNMENT IN THE PRESIDENCY BANKS AND THEIR BRANCHES.

Memorandum by MR. SECCOMBE, as to the mode in which the Balances of the Governments of the United Kingdom and of India are stated in the Public Accounts,—dated 20th June 1873.

(Extract from a demi-official letter from MR. SECCOMBE, to R. B. CHAPMAN, ESQ., dated India Office, 20th June 1873.

"In order to ensure its correctness, I have, while preparing it, communicated with the Treasury, the National Debt Office and the Bank of England, as well as with Mr. Harrison and Mr. Gay, who have kindly aided me.")

The Exchequer balances of the United Kingdom consist of unexpended revenue of a previous year, and of the sums received from Revenue Departments as revenue of the current year, and of money obtained on loan and not transferred to the Paymaster General's account, under Treasury authority, for payments on account of the consolidated fund or supplementary services, or other purposes authorised by Parliament.

Consequently, the balances shown in the Finance Accounts do not include the following:—

Savings Bank Deposits.	} Under management of the Commissioners for the reduction of the National Debt.
Friendly Societies' Deposits.	
Public Works Loan Commission Current Balance.	
Judicial Deposits—Bankruptcy—Under the Comptroller in Bankruptcy.	
Chancery—Under the Paymaster General.	
County Court—Under the Treasurers of the Courts.	

Master of the Mint—Balance.

Balances at the Bank of England—To the credit of the Paymaster General.

Balances held by the several Revenue Departments—Customs, Excise, Stamps, &c., shown at page 12 of the Finance Accounts of the United Kingdom.

The following items, which are included in the cash balances in India, would, therefore, be shown separately from the exchequer balances, according to the arrangement in the accounts of the United Kingdom—the figures are taken from the accounts for 1871-72 as presented:—

Finance Accounts.
