(a) Indian hemp

TABLE No. 4—LIVE-STOCK, PLOUGHS, AND CARTS.

This table deals with agricultural stock.

GENERAL NOTES.

Animals in towns, cities, and cantonments are included where it is possible to secure their enumeration. Oxen and buffaloes not old enough for work or to produce young are classed as "young stock."

The figures generally are greatly lacking in accuracy.

PROVINCIAL NOTES.

Until 1898-99 statistics were collected every year by the shanbog and patel of each *Mysore* village by enquiry or inspection. Since that year a census is taken every five years as nearly as possible simultaneously throughout the State. The last census was taken in September 1904. Stock in municipalities has been included since 1898-97.

A cattle census is taken by the patwaris every year after the kharif crop inspection in November. Animals in towns are included. { *Rajgarh*
Narsingarh.

A cattle census is taken by the village accountants every year.

Barvani.

Animals in cities and towns are not included.

Bikener.

A cattle census is taken every fourth year simultaneously throughout the State. The last *Alwar* census was taken in December 1909. Animals in towns, cities, and cantonments are included.

A census of cattle is taken by the patwaris each year at the time of kharif crop inspection *Bharatpur*. in September. Animals in cities, towns, and military lines are included.

TABLE No. 5—LAND REVENUE

This table is intended to indicate the relation between area, population, and land revenue, or, in other words, to exhibit the mean burden of the State assessment on the land assessed to it and on the community at large.

GENERAL NOTES

The following rules were prescribed by the Government of India in 1893 for filling in this table:—

Entry 1 in general table No. 5 (pages 100—101), column 2 in provincial tables Nos. 5 (A to H) (pages 104—111).—The varieties of tenure entered should be included, as far as possible, under one or other of the following, namely, (1) raiyatwari, (2) zamindari and village communities (temporarily settled), (3) zamindari (permanently settled).

Entry 2 (a) in general table (pages 100—101), column 3 (a) in provincial tables (pages 104—111).—Areas held revenue-free or at privileged rates should be deducted, but the deduction need not be made where such areas are in any case less than an entire village, and where there is any difficulty in estimating the corresponding deduction to be made in the population head 10 (column 11). Areas should not be entered in this column merely because the assessment due from them has been suspended or remitted on account of short crops, or for other special reasons.

Entry 3 in general table (pages 100—101), column 4 in provincial tables (pages 104—111).—This column should be sub-divided into (a) total fully assessed area for which returns are available, and (b) area cultivated out of the area given in head (a). The latter head should be equal to the former after deducting current fallows and fully assessed waste.

Entry 4 in general table (pages 100—101), column 5 in provincial tables (pages 104—111).—Where land revenue includes the zamindar's share, the net demand should be entered, and the table should state the payments due by the zamindars to Government, not those by the raiyats to the zamindars. The actual realisable demand for the year should be entered, after excluding arrears for past years. Sums remitted on account of unoccupied lands, short crop, etc., should be excluded. This column should include all the heads classed as "Land Revenue" in the Civil Accounts.

Entry 7 in general table (pages 102—103), column 8 in provincial tables (pages 104—111).—As in entry 4 (column 5), but only ordinary land revenue on fully assessed areas is to be entered.

Entry 8 in general table (pages 102—103), column 9 in provincial tables (pages 104—111).—To be entry 7 (column 8), divided by entry 3 (a) [column 4 (a)].

Entry 9 in general table (pages 102—103), column 10 in provincial tables (pages 104—111).—To be entry 7 (column 8), divided by entry 3 (b) [column 4 (b)].

Areas under forest are included in entry 1 (column 2) under the prevailing tenure of the State.

The population in entry 5 (column 6) is that of the last general census.

PROVINCIAL NOTES

Mysore.

Column 3 (a) (page 104) states the area entered in column 3 of table No. 1 plus that in column 4 of table No. 2.

Column 3 (b) states the area entered in columns 2 and 3 of table No. 2.

Column 4 (a) states Government occupied lands, including minor inams in Government villages (columns 5 and 6 of table No. 2).

Column 4 (b) states the area actually sown (column 6 of table No. 2).

Column 5 states the total realisable land revenue, including miscellaneous land revenue.

Column 8 states the total raiyatwari demand, plus the quit-rent due on minor inams in Government villages.

Gwalior.

Column 2 (page 105) states the net area by survey (column 4 of table No. 1).

Column 4 (a) includes area not fully assessed which cannot be separated from area fully assessed.

Column 5 states "Land Revenue" as defined in the Civil Accounts, and includes cesses which cannot be separated from the land revenue.

Column 8 states only ordinary land revenue with cesses.

Columns 9 and 10.—The figures in these columns represent the incidence of land revenue on areas both fully and partially assessed.

Column 11.—Includes population of area not fully assessed which cannot be separated from that of fully assessed area.

Narsingh.

Item 1 (page 100) states the net area by revenue survey as shown in column 4 of table No. 1.

Item 2 (a) includes forest areas (column 2 of table No. 2) and unculturable (column 3 of table No. 2) and culturable land not possessed by any cultivator.

Item 2 (b) states the area of minor muafis.

Item 3 (b) includes fallow lands left uncultivated for three years or less as full cultivation rate is assessed on them.

Item 10 (page 102) includes population of area not fully assessed which cannot be separated from that of fully assessed area.

Column 4 (b) (page 107) states not only the area actually under crops, but also fallow lands, *Marwar*. as revenue rates are assessed on the total cultivated area, including fallows. Hence the area stated in this column exceeds the total area in table No. 3.

Columns 5 and 6 relate only to Khalsa area, as statistics for these columns are not available for the whole area of the State.

Column 2 (page 109) states the net area by survey (column 4 of table No. 1).

Tonk.

The classes of tenure are zamindari and village communities, the former comprising *Alwar*, *samindari-bil-ijmal* and the latter *pat'idari* and *bhauyachara*.

Item 1 (page 101) states the area by village papers (column 5 of table No. 1).

Item 2 (a) shows areas covered with forests (column 2 of table No. 2) which are wholly revenue-free.

The table is not prepared, the information not being available

Kishangarh.

Column 1 (page 110).—The State area leased to cultivators for a fixed term is returned as *Bharatpur*, *raiyatwari*. The area leased out on condition of proprietary rights being given to lessees if they reclaimed land within a fixed term is returned as *zamindari—temporarily settled*; and the rest of the area (i.e., the area remaining after deduction of the *raiyatwari* and the temporarily-settled *zamindari* areas from the total area), is entered as *zamindari—permanently settled*.

Column 3 includes *muafi*, *chauth*, and *istimar* areas.

Column 6.—The population stated is that of the last census.

Column 11 shows the total population in cases where separate figures for areas fully and not fully assessed are not available.

The whole area stated in this table is classed as "Khatedari" and "Watendari" *Jhalawar*, equivalent to "raiyatwari" and "zamindari," respectively.

Item 1 (page 101) excludes entire villages held by jagirdars and udakdars.

Column 2 (page 111) states the area by village papers (column 5 of table No. 1).

Kota.

Column 6 includes population of the *muafi* and *jagir* villages excluded from column 2.

TABLE No. 6—TRANSFERS OF LAND

"This table is intended to exhibit the number of voluntary and compulsory transfers of ownership of land or tenant-right, and the area so transferred. Voluntary transfers mean transfers made by actual contract or gift, transfers by inheritance not being taken into account; compulsory transfers mean transfers effected through the medium of a court, civil or revenue.

The table is at present prepared only by the States of Mysore, Barwanf, and Alwar.

GENERAL NOTES

It is optional with the local authorities to enter or omit transfers of lands held by tenants.

The following rules have been prescribed for the preparation of this return :—

- (1) Changes of entry due to succession, partitions or simple mortgages, are not really transfers and should be excluded from the table, as also should redemptions of mortgage ;
- (2) All temporary transfers, such as leases, should also be excluded, but mortgage with possession should be treated as a transfer and entered in the table ;
- (3) All transfers made by order of a court should also be included in the table ;
- (4) The word "court" in the entry "by order of court" should be held to include a revenue court.

PROVINCIAL NOTES*Mysore*

Only permanent transfers are included as by sale or gift, in which the parties concerned apply for and obtain transfers of revenue registry in the village accounts from which the table is compiled. Thus, changes of registry under orders of civil and revenue courts, as well as those effected in consequence of the sale of land for arrears of Government revenue, are included.

Alwar.

Transfers by mortgage with possession, sale, and gift, both of proprietary and of occupancy rights, whether by order of court or by private contract, are shown in this table. Property confiscated by order of a criminal court, and holdings transferred by order of a civil or revenue court in satisfaction of money decrees or arrears of land revenue respectively are thus included

Jaipur.

Transfers of property in land are not allowed or recognised in Jaipur, as all proprietary rights in land belong to the Darbar
