RULES REGARDING EMPLOYMENT IN THE CENTRAL PROVINCES PROVINCIAL CIVIL SERVICE.

I.—DIRECT APPOINTMENT.

(1) Every candidate for direct appointment to the Provincial Civil Service must furnish satisfactory evidence that he is eligible under the following rules:—

(i) *Birth and Residence.*—Admission to the Provincial Civil Service is, in all Provinces, usually confined to (a) Natives of India as defined in Statute 33 Vict., c. 3, section 6, that is to say "persons born and domiciled within the dominions of His Majesty in India of parents habitually resident in India and not established there for temporary purposes only, and (b) subjects of Native Princes in alliance with His Majesty; but it may also be extended to (c) Europeans who are not statutory natives of India, provided that the sanction of the Government of India is obtained in each particular case.

(ii) Appointments in the Central Provinces and Berar will, further, ordinarily be confined to natives, or permanent residents, of these Provinces, but may be given to others who have recently resided for three years within the Provinces, or, in very exceptional cases, to outsiders.

(iii) In making appointments the Local Administration will secure as far as possible due representation in the public service of the different classes of the community.

(2) *Age.*—A candidate must not be over 25 years of age except in the case of Barristers, Advocates, or Pleaders appointed to the Judicial Branch (Civil Service Regulations, Article 51).

(3) *Educational qualifications.*—(i) A candidate must have passed the B. A. or B. Sc. Examination of a University, or, in the case of a European or Eurasian, have received an education which, in the opinion of the Chief Commissioner, will fit him for the discharge of the duties of an officer of the Service.

(ii) A thorough knowledge of either Hindi or Marathi, including ability to write and read the written character with facility, is necessary.

(iii) No Barrister, Advocate, or Pleader will be appointed as such to the Judicial Branch unless he has been at least three years actually practising his profession in India and can speak either Hindi or Marathi.

(4) He must be of sound health, good physique and active habits, and must have been successfully vaccinated or have had small-pox.

(5) He must be of good character.

II.—INDIRECT APPOINTMENT.

Officers of the Subordinate Civil Service or of the Police, or other Departments, may, at the discretion of the Chief Commissioner, be appointed to the Provincial Service on the grounds of good service and suitability for such appointment.

III.—PROBATION.

(1) Every person appointed to the Provincial Civil Service, whether by direct recruitment or otherwise, shall be on probation for the first two years of his service, unless the Chief Commissioner in any special case declares such probation unnecessary.

(2) During the period of probation the prescribed Departmental Examinations must be passed.

IV.—PROMOTION.

(1) Promotion up to the grade of Rs. 400 will ordinarily be made by seniority, but the Administration reserves the right to promote without regard to seniority. To any grade above that of Rs. 400 promotions will not be made by mere seniority but by seniority qualified by selection on account of efficiency. Seniority alone will not be considered as giving any claim to promotion.

(2) (i) The Government of India retain power in very special cases to make direct appointments to offices in the higher grades of the Provincial Civil Service.

(ii) In the case of Judicial Officers the Government of India will only exercise this power on behalf of Barristers, Advocates, or Pleaders of the High Court who have shown distinguished ability in the exercise of their profession for not less than ten years, and have a thorough knowledge of the vernacular.

V.—DISMISSAL.

No member of the Provincial Civil Service shall be dismissed otherwise than on the result of a judicial or formal departmental enquiry.

RESOLUTION—By the Government of India, Home Department (Establishment), No. 1045—1058, dated Simla, the 19th August 1910.

The Governor-General in Council has had under consideration the recommendation made by the Royal Commission on Decentralization at the end of paragraph 128 of their Report on the subject of framing rules for the recruitment of Provincial Services. The majority of the Commission consider it unnecessary that rules for the recruitment of those services should, as is now the case, require the sanction of the Government of India, and they express the opinion that the functions of that Government should be limited to laying down a few general principles as to eligibility for appointment, etc., on which detailed provincial rules would be based.

2. In the present Resolution the Governor-General in Council proposes to deal only with the Provincial Civil Services (executive and judicial). The case of other Provincial Services will be separately considered.

3. The present system under which the previous sanction of the Government of India is required to making or altering the rules for the recruitment of the Provincial Civil Services was introduced in 1802, as the result of the Report of the Public Service Commission. The Governor-General in Council has now decided to accept in substance the recommendation of the Decentralization Commission and is pleased accordingly to invest Local Governments with the power to make rules for the recruitment of the Provincial Civil Services without the previous sanction of the Government of India, but subject to their general control. The general conditions which should govern such recruitment have been already fully considered in connection with the inquiries made by the Public Service Commission, and the Governor-General in Council, upon a further consideration of the subject, sees no reason to modify the conclusions then arrived at. It will, however, be convenient to re-state them in the present connection, as follows:—

I.—The rules must be adapted on the one hand to obtain thoroughly efficient candidates, and on the other, to secure the due representation in the Public Service of the different classes of the community.

II.—Every candidate for appointment by recruitment must furnish satisfactory evidence—

(a) that he is not over 25 years of age, except in the case of Barristers, Advocates or Pleaders appointed to the Judicial Branch: these excepted cases will be governed by Article 51 of the Civil Service Regulations;

(b) that he has attained a prescribed preliminary standard of general education to be fixed by Local Governments with reference to local conditions, the object being to secure men qualified by as high a standard of general education as the conditions and requirements of the Local Administration permit. In particular, qualification in one or more of the vernacular languages of the province in which he is to be employed is to be insisted on. The vernacular standard should be a high one, involving a thorough knowledge of the language and ability to write and read the written character with facility;

(c) that he is of sound health, good physique and active habits; and

(d) that he is of good character.

III.—Every person appointed to the Provincial Civil Service by direct recruitment shall be subject to a period of probation or training, during which time his appointment will be probationary only, unless in special cases the Local Government declares such probation or training to be unnecessary.

IV.—The subjects of Native Princes in alliance with His Majesty shall be eligible for appointment, provided they are qualified in other respects.

V.—Admission to the Provincial Civil Service should usually be confined to persons who are natives of the province or have definitely settled in it; in the case of candidates who are not natives of the province, recent residence of at least three years in the province should, as a general rule, be an essential condition of admission. No Barrister, Advocate or Pleader should be appointed as such unless he has been at least three years actually practising his profession in India and can speak the provincial vernacular.

VI.—Europeans who are not statutory natives of India shall be eligible for appointment, if qualified according to the above conditions, with the sanction of the Government of India.

VII.—The Local Government should reserve to itself the right to make promotion to the superior grades of the Provincial Civil Service without regard to seniority, and seniority alone should not give a claim to appointment to the grade of Rs. 500 a month and higher grades.

VIII.—The Government of India retain power in very special cases to make direct appointments to offices in the higher grades of the Provincial Civil Services, and whenever the Government of India exercise this power in the case of judicial officers, it will be confined to Barristers, Advocates, or Pleaders of the High Courts who have shown distinguished ability in the exercise of their profession for not less than ten years and have a thorough knowledge of the vernacular.

IX.—No member of the Provincial Civil Service shall be dismissed otherwise than on the result of a judicial or formal departmental enquiry.

4. The Governor-General in Council directs that any change made in the rules from time to time should be forthwith communicated to the Government of India in the Home Department, in order that they may be in a position to exercise effective general control. His Excellency in Council considers it desirable, moreover, that this Resolution should be published by the Local Governments and Administrations as part of the respective provincial rules.
