PREFACE.

1. THIS edition, the 5th of the History of Services of Officers of the North-Western Provinces and Oudh, has been undertaken in order to comply with the requirements of the Secretary of State's Despatch No. 82 (Public Records) of the 12th November, 1885, and with the orders of the Government of India, Home Department, No. $\frac{1}{26}$, of 28th January, 1886.

2. It is the first edition which has been compiled in the Accountant-General's Office, the previous four editions having been published by the Government Secretariat.

3. The compilation of this edition was entrusted to me by Government in their letter No. $\frac{2111}{11,392-24-2}$, of the 28th May last; and as the Secretary of State desired the portion of the History of Services which is to be sent to him to be corrected up to July 1st, and to reach him by the 1st November in each year, this edition should have been published by the 1st October, but none of the necessary documents reached me till the middle of July, and it was then found necessary to re-issue the Government Circular asking for information about degrees, works published, &c., and the replies to this were not received in many cases till September and even October.

4. It was therefore found to be quite impossible to compile all this new information, to write up the History of Services of all Officers for three years (from Jan., 1884), and to correct all the previous compilations with our records by the 1st October; and it became necessary to defer the publication till January.

5. It has therefore been corrected up to the actual date of printing, and it is correct in most Departments up to January 1st, 1887, and in all up to December 1st, 1886.

6. In accordance with the directions of this Government, and in order to prevent any further delay, it is published in two parts: the first containing all the Officers, a record of whose Services is required by the Secretary of State (*viz.*, Covenanted Civilians and Military and Uncovenanted Officers on salaries of Rs. 1,000 a month and upwards); and also all Officers in Departments in which the higher Officers draw more than Rs. 1,000 a month. This is done to keep all the Officers of the same Department in the same list.

7. The second part will contain the Officers of the Public Works Department, Deputy Collectors, Sub-Judges, Munsiffs, Registrars, Sub-Registrars, and Salt, Opium, Post Office, Telegraph

and Survey Officers, on salaries exceeding Rs. 250 per mensem. It was found impossible to get the Services of Public Works Officers corrected in the Examiner's Office in time for publication with this part, but it is hoped that the second part will be ready within a month.

8. I append for ready reference the two Despatches of the Secretary of State, No. 82, of 12th November, 1885, and No. 67, of 26th August, 1886, and the two letters of the Government of India, No. $\frac{1}{26}$, of 28th January, 1886, and No. 30, of 19th June, 1886, on the subject of the compilation of the Histories of Services in India.

ORDERS WITH REGARD TO THE HISTORY OF SERVICES.

No. 82 (Public—Records), dated India Office, London, the 12th November, 1885.

From—Her Majesty's Secretary of State for India,

To—His Excellency the Right Honourable the Governor-General of India in Council.

It having been decided to publish in this country an "India Office List" each year, similar in general principles to the Colonial and Foreign Office Lists, it is desirable that the necessary information should reach this office from each of the Presidencies and Administrations at regular intervals. At present the "Histories of Services of Gazetted Officers," from which the "India Office List" will be compiled are brought up to date at different periods for

Bengal, 31st May, 1884.
North-Western Provinces and Oudh, 31st January, 1884.
Panjáb, 1st January 1884.
British Burma, 1st January, 1884.
Assam, 1st April, 1884.
Central Provinces, 31st March, 1884.
Hyderabad,* 31st December, 1884.

the several Local Governments, and these are sometimes not sent home till long after the periods to which they refer. The dates to which the latest issues are corrected and of their receipt here are shown in the margin.

• (With Supplements, bringing services of some officers up to December, 1884.)

2. I request that orders may be issued for the correction of these works up to the 1st July for the whole of India, and that copies may be sent home so as to reach this office not later than the 1st of November in each year.

3. The proposed publication will include a record of the services of all Covenanted Civil Servants in India; of all Uncovenanted and Military Officers in civil employ in India, drawing not less than Rs. 1,000 a month civil pay, exclusive of allowances; of officers of the superior grades on the Home Establishment of the Secretary of State for India; and of certain retired officers, Civil and Military.

4. Besides the information contained in the Histories of Services published in India, it is intended to give particulars of any literary work of a public or official character undertaken by an officer; and I shall be glad if Your Excellency will take such steps as may seem necessary to obtain the required information on this point.

5. The Histories of Services of Gazetted Officers are not at

1. Telegraph Department.
2. Public Works Department, Panjáb.
3. State Railway Establishments under the Director-General and Consulting Engineers for State Railways.
4. Officers of the Foreign Department of the Government of India (except Hyderabad and those given in the Provincial List of Services).

present received from all the branches of Government service in India, those noted in the margin not having been sent home. It is desirable that these should be regularly supplied in order that the

India Office List may contain a complete record for all Departments.

No. $\frac{1}{26}$, dated Calcutta, the 28th January, 1886.

*From—F. C. DAUKES, ESQ., C.S., Under-Secy. to the Govt.
of India, Home Dept., (Establishments),*

To—The Secy. to the Govt. of the N. W. Provinces and Oudh.

SIR,—With reference to the accompanying copy of a despatch from Her Majesty's Secretary of State on the subject

No. 82 ^{Public} _{Records}, dated 12th November, 1885.

of the annual publication of an "India Office List," which is to be compiled from the "Histories of Services of Gazetted Officers" published in India, I am directed to request that the orders contained in paragraphs 2 and 4 may be carefully noted and complied with. With regard to the paragraph last mentioned, I am to say that it would be convenient if the required information concerning literary works of a public or official character were in future embodied in the volume of the Histories of Services of Gazetted Officers published under the orders of the Government of the North-Western Provinces and Oudh.

I am accordingly to request that the next issue of the volume may contain full information on this point, and that such information may be kept up to date in future issues.

No. 30, dated Simla, 19th June, 1886.

From—The Government of India,

To—Her Majesty's Secretary of State for India.

WITH reference to Lord Randolph Churchill's Despatch, No. 82 (Public—Records), dated the 12th November, 1885, on the subject of the annual publication in England of an "India Office List," similar in general principles to the Colonial and Foreign Office Lists, we have the honour to transmit, for Your Lordship's information, a copy of the instructions which we have issued to Local Governments and Administrations in the Bengal Presidency and to the several Departments of the Government of India, to ensure the correct preparation and punctual transmission to the India Office of the "Histories of Services of Gazetted Officers" published in this country, from which it is proposed that the "India Office List" should be compiled.

2. In the 4th paragraph of the Despatch cited above, Lord Randolph Churchill intimated that, in addition to the information contained in the Histories of Services published in India, it was intended to give particulars in the "India Office List" of any literary work of a public or official character undertaken by any officer; and His Lordship desired that steps might be taken to obtain the required information on this point. In regard to this matter, enquiries have been made by some officers as to the meaning to be attached to the phrase "literary work of a public or official character," and to these enquiries we do not feel in a position to give a definite answer. It is doubtful, for instance, whether the term "literary work" should be held to include papers written by Government officers on such subjects as tobacco,

vanilla, lac, and other economic products, or such publications as the Codes of the Financial and Account Departments, or whether it should be restricted to works of a more original character, such

* (1) "Manual of the Land Revenue Systems and Land Tenures of British India," as "Hunter's Imperial Gazetteer of India" and the Manuals* published by Mr. Baden-Powell. It has also been questioned whether the term is intended to cover "Papers" and similar documents written for various associations and scientific societies, or translations as opposed to original works. As doubts have been raised on the point, and as it is desirable that the practice should be the same in the case of the Indian lists as in that of the proposed "India Office List," we shall be glad if Your Lordship will supply us with further information as to the nature, &c., of the works, particulars regarding which should be incorporated in the lists in question.

INDIA OFFICE :
London, 26th August, 1886.

TO HIS EXCELLENCY THE RIGHT HONOURABLE THE GOVERNOR-GENERAL OF INDIA IN COUNCIL.

MY LORD,—I have received Your Excellency's letter, Home Department, Public, No. 30 of the 19th June last, in which you ask for some further definition of the literary works "of a public or official character" which it is desired to insert in the new "India Office List" against the names of their respective authors. It is most undesirable to increase unnecessarily the bulk of the book, and it would be out of the question to include all departmental or official reports drawn up by officers. The mention of these should be limited to reports of special importance which have been deemed of sufficient interest for general publication. Other works should, generally speaking, be limited to original publications.

I have the honour to be,

MY LORD,

Your Lordship's most obedient, humble Servant,

CROSS.
