CIVIL ABSENTEE RULES.

GENERAL DEPARTMENT.

Bombay Castle, 21st February 1840.

The following Absentee Regulations, established by the Government of India, and approved by the Hon'ble the Court of Directors, are declared applicable to this Presidency, and are republished for general information :—

FORT WILLIAM.

FINANCIAL DEPARTMENT.

THE 29TH JANUARY, 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from salaries and deputation Allowances having been approved and passed by the Honorable Court of Directors, are published for general information; and will take effect in all the Presidencies, Settlements and Stations under the Government of India, from the date of the arrival of the *Gazette* containing them, in respect to all leaves of absence granted after that date. The notes show the interpretation put by the Council of India upon the rules in their application, to cases not specifically mentioned.

Rules for Application * for leave of Absence and for fixing the local limits within which it may be granted.

Section I. No leave of absence from any office or station can be granted but by the Government of the Presidency under which the employment is held, and the application of the party requiring such leave, saving in such cases as may hereafter be specially excepted, must be made publicly through the regular channel in the Department to which the applicant may belong.

Note.—This rule must be considered as superseding the rule under which Commissioners of the Revenue and other Officers have heretofore been allowed to grant leave of absence in Bengal.

Sec. II. The Official allowances of the holder of a civil office quitting his station without leave will entirely cease from the date of his quitting until his return, or in the event of his subsequently obtaining leave to the date of such leave being granted to him.

Sec. III. No leave of absence shall have any retrospective effect except in cases of severe illness, to be attested by a medical certificate, conforming in every respect to the directions contained in Section V.

The leave with retrospective effect referred to in this section, is leave extending to absence antecedent to the permissions of the Government—that is to absence in anticipation of original leave without the excuse of sickness. Vide Resolution of the Government of India dated 14th April 1841.

Sec. IV. Upon application duly made, the Government of each Presidency may grant leave of absence to any place or places in the Continent of India, whether within the Territories subject to the Government of the East India Company or not, to any Civil or Military Servant holding a civil appointment, subject to all the conditions prescribed in the rules that may be applicable to his case. Upon similar application the Government of each Presidency may also grant leave to such persons subject to the like conditions, to proceed to the Island of St. Helena, the

Note. The Notes in small Romans are those which were promulgated by the Government of India with the Rules of 29th January 1840.

The Notes in Italics are founded on Resolutions and Notifications by the Government of India and Bombay Government published subsequently to 29th Jan. 1840.

Colony of the Cape of Good Hope, or to any place situated between the 36th Degree of North Latitude and the 50th Degree of South Latitude, such place being likewise between the 30th and the 180th Degrees of Longitude East of Greenwich, excepting however any Islands in the Mediterranean or Levant, and excepting all places within the said Geographical limits which may form part of Europe. Provided also, that if at any time the Government of India shall deem it expedient to exclude any place or places within the limits above described from the operation of these rules, such exclusion shall be officially communicated to the subordinate Governments, and all leave subsequently granted shall be regulated accordingly. A Servant passing the limits herein prescribed will incur the immediate forfeiture of his office or employment, and of all official allowances whatever from the date of his quitting India.

CHAPTER II.

Rules for sick leave.

Sec. V. When an application for leave of absence is made on the ground of ill health, it must be accompanied by a certificate from the Medical Officer by whom the applicant has been attended, distinctly stating from personal observation, the nature of the disease, the symptoms by which it is manifested, the period during which it has existed as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place, either within the Territories subject to the Government of the East India Company or beyond them, but within the limits laid down in Section IV. as the case may be; and such certificate must be submitted to the consideration of the Medical Board, and if satisfactory, shall be countersigned by one of its Members. An application for an extension of leave must, if the applicant be in India, be accompanied by a certificate from the Medical Officer by whom the applicant is attended, shewing sufficient reason for the extension solicited, and such certificate like the former must be examined and countersigned by a Member of the Medical Board. If the applicant shall have proceeded beyond the Territories under the Government of the East India Company, he must furnish a certificate to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such attendance and the period of it to be stated, and the certificate to be countersigned by the principal Medical Authority of the Colony or

In explanation and modification of this section, the Governor General in Council is pleased to resolve, that in cases of extreme urgency, which owing to the distance of the residence of the Medical Board, preclude the previous reference to that authority, the certificate of the medical attendant required from applicants for leave of absence on account of ill health, shall be submitted by them for the consideration and countersignature of the Superintending Surgeon of the Division, or of the nearest Division, which Officer, in these cases, will be responsible for the prescribed regularity of the certificate, instead of the Medical Board. Vide Resolution by the Government of India dated 24th June 1840.

In all cases where leave is applied for on account of ill health by officers subject to the provisions of the Civil Absentee Regulations, a duplicate of the Medical Certificate must be forwarded with the application; the original, with the statement of the applicant's case being transmitted by the Medical Officer giving the certificate, direct to the Medical Board who will immediately hand it up to Government with, if approved, the countersignature of one of the Members, or if disapproved with the observations of the Board. Vide Notification by Bombay Government dated 27th February 1846, cancelling that of 17th June 1841.

Applicants for sick leave must await the sanction of Government, before quitting their stations, except in cases of absolute necessity certified by the medical attendant. vide Notification Bombay Govt. dated 22nd February 1842.

Country. When any of the required particulars are neglected leave will be refused.

A locumtenens is not entitled to any higher allowances in the event of the party, absent on sick leave for whom he is acting vacating the appointment, and in the event of his succeeding thereto the higher allowance to commence from date of appointment. Vide Notification by the Govt. of India dated 17th Augt. 1842.*

Sec. VI. Civil Servants absent from their stations under medical certificate will be entitled to the salaries of their respective offices, subject to the following deductions. If the salary exceed Rupees 2,000 per mensem, one-sixth for the first year and for the second year, one-fourth. If the salary do not exceed Rupees 2,000 per mensem, one-eighth for the first year, and one-sixth for the second. But if the salary of office be not more than Rupees 500 per mensem, no deduction shall be made for the first year; and if it be only so much more than the prescribed deduction of one eighth would reduce the allowance below Rupees 500 per mensem, only the excess beyond Rupees 500 shall be deducted. For the second year the Absentee shall become liable to the deduction of one-eighth. An absent Servant shall in no case retain any office or employment, nor be permitted to draw any portion of official salary for a longer period than two years, but a Civil Servant who may on account of sickness duly certified, obtain an extension of leave beyond two years, will, if below the rank of a Senior Merchant, be allowed to draw the subsistence allowance of a Junior Merchant, and if a Senior Merchant, the subsistence allowance of his rank, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also will be forfeited. The period of absence shall be computed from the date at which the Absentee shall quit the limits of the Territories subject to the Presidency to which he may belong, to the date of his return within such limits, or if he shall proceed beyond Sea from the date of his embarking at any place or port in India which is not more distant from his station than the ports of his own Presidency, but if the place to which he shall proceed shall be within the Territories subject to such Presidency, his period of absence shall be computed from the date of his quitting his station to the date of his return thereto. *Vide amended section passed 17th May 1843, Page 50.*

Sec. VII. Civil Servants absent on leave on account of sickness, duly certified, if they proceed to England without returning to their Presidency, may as heretofore, apply to be admitted to Furlough by the Honorable the Court of Directors, and the Furlough in such cases will take effect from the date of leaving their Presidency, consequently the allowances of office that may have been drawn by themselves or their Agents after their departure, must in that case be re-adjusted, and the difference refunded.

* A Civil Servant drawing compensation salary in lieu of an appointment abolished, and holding no permanent appointment, is entitled to no deputation whatever for officiating in any appointment in which his services may be temporarily employed, pending his confirmation in a new office, vide Hon'ble Courts Despatch No. 8 dated 4th June 1843, and Govt. of India's letter No. 1371 of 26th July 1845, Finance Dept.

2—A servant is not allowed to be absent, retaining "Office or Employment," or portion of Official Salary, for a period exceeding two years; but extension of leave may be obtained on account of sickness duly certified, and during such extension the Absentee is authorized to draw the subsistence allowance of the rank. If the absence be beyond the Territories of the Presidency to which the Servant belongs, it is to be computed from the date of his quitting the limits of his Presidency to the date of his return within those limits, if beyond Sea, from the date of his embarkation from the port of his Presidency or from any port not more distant than the port of his Presidency to the date of his return within the limits of his Presidency. If the place to which he shall proceed to be within the Territories subject to this Presidency, his period of absence shall be computed from the date of his quitting his station to the date of his return thereto, vide Resolution of the Govt. of India dated 14th April 1841.

Sec. VIII No. second leave will be granted to any Civil or Military Servant holding a civil appointment who has been absent under the above rules for two years, until three at the least shall have passed after the date of such Servant's return, but if such Servant is compelled by sickness again to absent himself from this station within three years after having been absent under the above rule for less than two years, he will be allowed to complete that period, subject to the limitations and conditions heretofore prescribed, drawing the proportion of salary allowed for the remaining time as if the leave had been continuous.

has passed of three years, he cannot retain office or employment, or any portion of official salary, but he is entitled to the subsistence allowance of his rank. The rule in section VI., if literally interpreted, would require the servant returning from beyond Sea, whose full period of two years has been expired between the date of his embarkation, and the date of his return within the limits of his Presidency to be re-appointed to his Office. For the time spent in joining his station in excess of two years, he is entitled to draw only the subsistence allowance of his rank.

It is not provided that in cases in which the full period of two years absence is composed of accumulated leaves, the intervals of time passed in the performance of duty shall be reckoned in part of the three years which must expire before a servant is eligible to a new series of leave.

But if this were not allowed, the operation of the Rule might be unintentionally severe on a servant, whose health should compel him to obtain leave of absence for a portion of the two years, say for only a month at the extremity of the three years after the date of his return, the same servant having been already absent for 23 months either all at once, or his absence at different times having accumulated to 23 months: it would not have been intended by the Rule that after 35 months of duty being entitled to one month on the account of the old score, a new series of leave or a single instance of leave on sick certificate should not be obtainable for three years from the expiration of that one or 36th month.

The Rules do not prescribe any different rate of deduction from allowances during absence on sick certificate within the Territories of the East India Company, and during similar absence at the Cape of Good Hope, or within the limits out of the Territories of the East India Company, declared in Section IV. But they fix the computation of the servant's absence beyond the Presidencies to be from the date of leaving to the date of returning to the Port of his Presidency.

The Rules provide sufficiently for the audit of his allowances after two year's absence beyond Sea, until the servant re-joins his station, but they do not specify what rate of deduction is to be made from the Absentee's allowance for the time elapsing after departure from station and before embarkation. This therefore has required to be provided for by a new Regulation, or by some exposition of the existing rules.

The Rule that admits of an absence of two years, enables a sick servant to reside sufficiently long in another climate under ordinary circumstances to re-establish his health; for which object that protracted absence is permitted, when certified to be necessary. Forfeiture of appointment therefore, does not take place till a full two years have tran-

A second leave of this kind cannot be granted until three years at the least shall have passed after the date of such servant's return, but any time short of two years in a previous absence may be subsequently allowed in completion of two years. The Note attached to section VI. specifies that this Rule applies to all descriptions of leave on account of health excepting those granted under section XII. vide Resolution of the Govt of India dated 14th April 1843.

After two years of absence, continuous or accumulated, under these Rules if a servant obtain leave of absence on sick certificate before an interval

spired between embarkation and return to Port. If the latter part of the section VI. be taken to computation of absence as respects appointment, the course of the audit will be easy: For two years reckoning from the departure from station, to return to station, the deduction will be as laid down at the commencement of the section, and for any excess whether occasioned by the time elapsing before embarkation or after return to port until return to station, the servant will be entitled to subsistence allowance without losing his appointment. *Vide Resolution of the Govt. of India dated 14th April 1843.*

Sec. IX. Military Officers employed in the Civil Department and drawing a Civil allowance may obtain leave under medical certificate on precisely the same conditions as Civil Servants, except as to allowances. Such officers in common with those holding staff situations in the Military Department will draw the Military Pay and Allowances of their rank while absent on leave under medical certificate, in the form and manner prescribed in General Orders in the Military Department, and likewise one-half of the difference between such allowances and the civil pay of the offices to which they stand appointed.

Sec. X. Civil or Military Servants holding civil appointments who may desire to avail themselves of the benefit of the Act I. Vic. Cap. 47. and to draw their allowances while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government, for the refund of any excess that may be drawn either by the Agents at the Presidency or by themselves, in case of their proceeding to Europe on Furlough or otherwise coming under retrenchment.

Sec. XI. The Government of each Presidency may grant to Civil or Military Servants holding civil appointments leave of absence for one month in each year without deduction from the salaries and emoluments drawn by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience will arise from the departure of the officers seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave, but Servants, not availing themselves of the indulgence in any one year, may obtain, under the like conditions, leave of absence for two successive months, to commence at or after the expiration of 22 months from the termination of their former leave, and if two years elapse without enjoyment of the privilege, leave for three months may in like manner be granted at the expiration of 33 months from the termination of the last preceding leave. But no leave shall be granted under this rule for any period exceeding three months. If an Officer shall not return at the expiration of the period of leave granted him under this rule, he shall, if absent on private affairs, be subjected to the deduction of one-third of his salary and allowances for the entire term of absence, and if he shall continue absent for more than one month beyond the term granted, his office shall become vacant. If his protracted absence be occasioned by sickness, the case must be determined under the provisions of Chapter II. *Vide amended Section passed 17th May 1843, p. 50.*

The design of this Rule is to grant one month's leave of absence without loss of Salary to the Servant who is present at his duty for the period, specified; vide Resolution of Govt. of India dated 14th April 1844, see also Bombay Govt. Notification 18th November 1840.

If in consequence of sickness a Servant exceeds the leave of absence granted to him under this Section, he must be considered absent under the provisions of Chapter II. for the whole time of such absence, and the orders that would be passed on his Medical-certificate application must be in conformity to those provisions and take effect for the whole period of absence; vide Bombay Govt. Notifications 8th June 1841. and 14th August 1844.

Leave under this Section will be granted on private affairs only and not on medical certificate, vide Bombay Govt. Notification 24th April 1844. Para. 2nd.

Sec. XII. The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding Civil

Office special leave of absence on private affairs. Provided however that if any officer to whom such leave shall be granted shall be absent from his station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee, if a Civil Servant, shall for the period in excess draw no more than one-half of his salary and allowance, and if a Military Officer, only so much of the salary and Allowances of any Civil Office to which he may stand appointed, as added to the military pay and allowances which he may be entitled to draw shall equal one-half of the emoluments of such civil office. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the absentee shall become vacant. No second leave under this rule can be granted until after the expiration of five years from the termination of the former leave, and the Government is specially to report each case with all the attendant circumstances to the Court of Directors. *Vide amended Section passed 17th May 1843 p. 50.*

Rules for leave preparatory to embarkation and for joining Stations.

Sec. XIII. Rescinded by the Resolution of the Govt. of India 17th May 1843 Vide Page 51.

Sec. XIV. There shall be allowed to Officers appointed to any new office, the periods of one month, two months or three months for joining accordingly, as the distance may not exceed 300 or 600 miles, or be in excess of the last mentioned distance. Officers not joining their station within the said period respectively, shall forfeit their salary for the time delayed in excess of the above periods, and if such excess shall exceed one month, the office shall be vacated unless otherwise specially ordered by Government.

This rule refers to the appointment of Civil Servants previously not holding any permanent situation who under this rule are entitled to their allowances from the date of appointment provided they join their stations within the prescribed period. Vide Resolution of the Govt. of India dated 16th June 1841. Page. 47.

Sec. XV. Upon the first appointment of any Civil Servant who shall be reported qualified for the public service, by the examiners appointed by the Government to any civil situation, there shall be allowed for travelling expenses to the station an allowance at the rate of 8 Annas per mile by the direct Post-road, according to the Polymetrical Tables of the Post Office, the bill for which allowance will be passed by the Civil Auditor after the officer shall have joined the station; if required in advance, an order of the Government shall be necessary.

Sec. XVI. The salary of office will be payable from the date only of the officer joining, but in the case of junior Civil Servants, the salary of Assistants will be payable from the date of their being reported qualified for the public service, unless

This rule applies to cases where there is a change of office with increase of salary. Vide Resolution of the Govt. of India dated 16th June 1841.—Page. 47.

through delay in joining the station. Sec. XVII. In case of a change of office when an Officer is appointed to a higher situation, he shall not draw the higher salary until he joins. For the period occupied in travelling, the Rule No. XIV. regulating the time and distance for joining stations shall be applicable, and the officer will, for the periods allowed in that rule respectively, draw out of the salary of the office he is about to join, a sum equal to that of his previous situation.

NOTE.—This rule is only applicable to Civil Servants—Military Servants drawing as in the case of Staff situations, no civil salary from the time of leaving one office till the date of joining the other.

Rules for Deputation allowances.

Sec. XVIII. The sum of Company's Rupees 52,200 per annum have been fixed under the orders of the Court of Directors as the maximum

salary of civil office for the Offices of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger allowances than this annual sum as a consolidated personal and sumptuary allowance in consideration of the necessary expenses of their position, will in all cases of absence be treated in respect to deductions as drawing only the allowance thus limited, and excess above the monthly salary yielded by that annual sum, shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer performing the duties to meet the necessary expenses of his position. *Vide amended Section passed 17th May 1843. p. 51.*

NOTE.—This rule will equally apply in case of a Political Resident taking a leave of 3 months for which in other cases he would suffer no deduction. The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Sec. XIX. Deputation Allowances shall be granted to civil servants temporarily performing the duties of an office according to the following scale, and subject to the limitations and conditions hereinafter laid down.

A Civil Servant acting for another will have no claim to Commission or Fees, where any such sources of emolument exist. These will be regarded as forming part of the income of the Officer to be relieved, subject to the prescribed deductions. The grant of special allowances—of allowances to Commissioners, and other Officers of Districts or Assistants when employed on settlement or special police duties, will be regulated by a supplemental set of rules. *Vide amended Section passed 17th May 1843. p. 51.*

Note.—Military persons acting for other Military persons holding civil office, will, as in the case of staff, draw half the difference between the incumbent military allowances, and the consolidated civil salary as at present, ~~shall~~ draw the amount retrenched from the absentee, but when acting for a Civil Servant they will draw at the rates of this table, and under the same rules as Servants.

* NOTE.—The Subsistence (or Dewanee) allowance is as follows:

Writer and Factor.....	Rs. 162 0 0	per mensem
Junior Merchant.....	244 0 0	Ditto
Senior Merchant.....	325 0 0	Ditto

Sec. XX. * No Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, and if the amount of the deputation allowance according to the prescribed scale added to the permanent emolument of the officiating Servant, would exceed the emoluments of the office in which he is temporarily acting, the excess shall not be drawn. But this provision shall not apply to the case of any officer deputed for special reasons to act in an office of inferior emolument to his own. In cases where an officer holding two appointments on being deputed to officiate for another, shall be relieved only from one, he shall receive no deputation allowance, unless the emoluments of the office in which he is deputed to act, exceed the united emoluments of his permanent appointments, and in that case the deputation allowance shall be limited to the difference.

Sec. XXI. No Subordinate Officer acting for his Principal or for any other person holding a superior appointment in the same office or establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of three months, and then the Allowance is not to be drawn in arrear. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed. *Vide amended Section passed 17th 1843. p. 51.*

The period of one month required by this section for a subordinate to act for his principal, or for any other person holding a superior appointment in the same Office or Establishment without being entitled to any Deputation + allowance, shall be held to apply to those cases only where the superior Officer is absent with leave under section XI. the President in Council of India having been pleased to allow that the one month without deputation specified in this section shall be held to be designed as an offset against a corresponding leave of one month granted under section XI to a superior Officer, free from deduction of allowances, in which case his subordinate in the same Office if placed in charge for him must hold that charge without remuneration, officers therefore acting for their superiors absent on sick certificate or on duty, will be entitled to extra allowance from the date of receiving charge;—vide Bombay Govt. Notification 24th April 1844.

A Subordinate Officer is not required to act for his superior without extra remuneration for more than one month in any one year, whether that month be consecutive or made up of two or more broken periods.—Letter from Govt. of India 20th Sept. 1845.

Sec. XXII. A Civil Servant out of employment, if deputed to act at a distance, and civil servants having permanent emoluments, who may be so deputed, and who may be restricted by any provision in those rules to the allowance of their own office, shall be permitted to draw travelling allowances at the rate sanctioned in the case of a first appointment. When the entire sum received as deputation allowance may fall short of that which, according to the distance would be allowed for travelling expenses, the difference may be drawn. In all cases of absence under medical certificate, and in cases of absence on private affairs, when the absent Officer shall not be subject to deduction, such payments shall be made, at the charge of the Government. *Vide amended Section passed 17th May 1843. P. 51.*

CHAPTER VI.

Rules for Chaplains and Assistant Chaplains.

Sec. XXIII. Chaplains and Assistant Chaplains may, under medical certificate, obtain leave of absence, subject to all the deductions, conditions and limitations prescribed in the case of civil servants, but no Chaplain or Assistant Chaplain can be permitted to draw any allowance, when his period of absence shall have exceeded two years.

* The express appointment of a Civil Servant to act in an office is, *ipso facto*, to be held as superseding temporarily or (permanently as the case may be) any previous acting appointment to the same office, unless specially ordered otherwise;—the absent officer, in such case falling back, during his absence, on his permanent appointment.—*Vide Government order 6th July 1836, Judicial Department.*

+ The rule is to apply to all cases without reference to the cause of absence of the Superior Officer, *vide Government Notification 17th September 1845, p. 54.*

Sec. XXIV. The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentee may be entitled under the following rule, they shall for the period in excess be subject to the deduction of one half of their Allowances, and after an absence of six months (in addition to any leave granted under the succeeding rule) all allowances shall be discontinued. *Vide amended Section passed 17th May 1843. p. 52.*

Sec. XXV. Leave of absence for one month in each year, or for two or three months as the case may be under the principle sanctioned in Section XI, may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise,) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary: and such leave being consistent with the rule, will be recognized by the Civil Auditor after it has been published in the *Government Gazette* of the Presidency with the authority of Government. Information of every leave so granted by the Bishop or other Ecclesiastical Officer above mentioned, shall be immediately transmitted to the proper Secretary to Government, for the purpose of notification in the *Gazette*. *Vide amended Section passed 17th May 1843. p. 52.*

Sec. XXVI. For embarkation on furlough, or sick leave, or with the intention of retiring from the service, Chaplains and Assistant Chaplains are entitled to the benefits of Sec. XIII. on the same conditions on which they are enjoyed by civil servants. *Rescinded, vide rules passed 17th May 1843. p. 52.*

Sec. XXVII. On joining a station in the interior after arrival in India, a Chaplain or Assistant Chaplain will be allowed the same rate of travelling charges, and be subjected to the same rules in respect to joining his station, as a civil servant. On any subsequent transfer from one station to another, the same allowance will be made if the transfer takes place not at the desire of the Chaplain removed, but by order of Government.

Officers of the Assay Department.

Section XXVIII. The Assay Master and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under Sick Certificate, or on private affairs, subject to the conditions in the rules forming Chapters I. to V. The Absentee if in the enjoyment of any Military pay or allowance will, during his absence, be subject to the deductions prescribed in the case of Military Officers holding civil employments. If not a Military Officer, the Absentee will be subject to the same deductions as a civil servant under similar circumstances, but no Officer of the Assay Department can be permitted to draw any portion of salary for a longer period than two years, if absent under Sick Certificate, nor for a longer period than three months if absent on private affairs. *Vide Amended Section passed 17th May 1843. GENERAL DEPARTMENT.

The Hon'ble the Governor in Council is pleased to publish for general information, the following extract, from a Resolution passed on the 16th ultimo, by the Right Hon'ble the Governor General of India in Council, on the subject of the allowances of Officers appointed to new situations, but who by the express order of Government may be prevented from entering immediately upon the duties thereof.

FINANCIAL DEPARTMENT, THE 16TH JUNE 1841.

RESOLUTION.

The Governor General in Council remarks, that the Rule referred to No. XVI of the Regulations of the 29th January 1840, requires in case of a change of Office, when an Officer is appointed to a higher situation, that he shall not draw the higher salary until he joins.

His Lordship in Council considers it expedient strictly to maintain this Rule as one of general practice, and that no exception ought to be allowed otherwise than under special circumstances and exigencies of the public service.

His Lordship in Council is further of opinion, that as a general rule, Officers ought not to be appointed to situations for the duties of which they are not immediately available.

When an Officer for the convenience of the public service has been detained by an order of the Government in a situation of inferior emolument after he has been promoted, in such case the practice under the Bengal Presidency is to pass to him the higher salary of his new appointment, during the period of his being so detained. This exception to the Rule XVI corresponds with the exception provided for in Rule XX under the Chapter for Deputation Allowances, in which it is declared that no Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, but that the prohibition does not apply to the case of an Officer who may be deputed for special reason to act in an office of inferior emoluments to his own.

In order to ensure uniformity of practice at all the Presidencies in the application of Rules XIV, XVI and XVII, it is hereby explained that Rule XIV refers to the appointment of Civil servants previously not holding any permanent situation, such as Servants for the first time appointed to a fixed situation after their return from furlough.

These Servants are entitled under Rule XIV to the allowances of their new office from the day of appointment, provided they do not come under forfeiture by exceeding the time prescribed for joining their station.

And Rules XVI and XVII are to be construed as applying to cases where there is a change of office, with increase of salary, a special course being prescribed with regard to Junior Civil Servants; they under Rule XVI are authorized to draw the salary of Assistants from the date of their being reported qualified for the public service, unless forfeited through delay in joining the station to which they have been appointed.

By order of the Hon'ble the Governor in Council,

W. R. MORRIS, Secy. to Govt.

TERRITORIAL DEPARTMENT.

FINANCE.

The Honorable the Governor in Council is pleased to re-publish the following Rules passed by the Government of India; to have effect within the limits of this Presidency from this date:—

FORT WILLIAM.

FINANCIAL DEPARTMENT.

17TH MAY 1843.

The Hon'ble the President in Council, with the concurrence of the Right Hon'ble the Governor General, has revised the Rules published on 20th January 1840 for to grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances. The following Rules will have effect from this date for regulating Deputation Allowances, and the terms on which leave of absence will be given to places situated within the limits of the respective Presidencies, to which the Applicants are attached.

Sec. VI. (Amended.) Civil Servants absent from their Stations under Medical Certificate, within the limits of their respective Presidencies, shall be entitled to the Salaries of their Offices for the period of two years, subject to a deduction of $\frac{1}{3}$ for the whole term of such absence, save and excepted that for the first year if the Salary be not more than 500 Rupees per mensem, no deduction shall be made; and if it be only so much more than 500 Rupees that the prescribed deduction of $\frac{1}{3}$ would reduce the allowance below that sum, only the excess beyond Rupees 500 shall be deducted; but for the second year, the full deduction shall be in force. An absent Servant, whether Civil or Military, shall in no case retain any Civil Office or employment, nor be permitted to draw any portion of Official Salary for a longer period than two years, but a Civil Servant who may, on account of sickness duly certified, obtain an extension of leave beyond two years shall, if his period of actual residence be less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also shall be forfeited. The period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. XI. (Amended.) The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for one month in each year, without deduction from the Salaries and Emoluments drawn by such Servants; such leave however will only be granted when the Government is satisfied that no inconvenience or expence will arise from the departure of the Officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave. *See also notification of 18th Sept. 1841.*
Page 53.

Sec. XII. (Amended.) The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding a Civil Office, special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee, if a Civil Servant, shall for the period in excess draw no more than one half of his Salary and Allowances, and if a Military Officer only so much of the salary and allowance of any Civil Office to which he may stand appointed as added to the Military Pay and Allowances which he may be entitled to draw shall equal one-half of his entire Military and Civil emolument. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any office held by the Absentee shall become vacant.

• Sec. XIII. Is rescinded.

Sec. XVIII. (Amended.) The sum of Company's Rupees 52,200 per annum having been fixed under the orders of the Court of Directors as the Maximum Salary of Civil Office for the Offices of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary allowance, in consideration of the necessary expenses of their position, will in all cases of absence be treated in respect to deductions as drawing only the Allowance thus limited, and the excess above the monthly salary yielded by that annual sum, shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer performing the duties to meet the necessary expenses of his position.

NOTE.—This rule will equally apply in case of a Political Resident taken a leave of one month for which in other cases he would suffer no deduction.—The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Sec. XIX. (Amended.) Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an Office according to the following rates, and subject to the limitations and conditions hereinafter laid down.

NOTE.—Military persons acting for other Military persons Civil Office will, as in the case of Staff, draw half the difference between the incumbent's Military Allowances and the consolidated Civil salary as at present, that is, will draw the amount retrenched from the Absentee, but when acting for a Civil Servant, they will draw at the rates and under the same rules as Civil Servants.

Sec. XXIV. (Amended.) The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentees may be entitled under the following Rules, they shall for the period in excess be subject to the deduction of one half of their allowances, and after an absence of four months all allowances shall be discontinued.

Sec. XXV. (Amended.) Leave of absence for one month in each year, under the principle sanctioned in Sec. XI. may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary: and such leave being consistent with the rule will be recognized by the Civil Auditor after it has been published in the *Government Gazette* of the Presidency with the authority of Government. The Honorable the Governor in Council is pleased to republish for general information, the following Notification issued by the Government of India under date the 24th ultimo.

FORT WILLIAM.

FINANCIAL DEPARTMENT.

The 24th July 1846.

NOTIFICATION.

The following Rules for regulating leave of absence and acting allowances to public officers in India, not in the covenanted service of the East India Company, have been passed by the Hon'ble the President in Council, with the concurrence of the Right Honorable the Governor General, and are published for general information.

I. Heads of offices and departments may grant to their subordinates, leave of absence, without deduction from salary, during the vacations authorized by Government in each Department, and it shall not be necessary to report the same to any higher authority.

II. In addition to the above the Local Government will, at the recommendation of the Head of a Department, and on sufficient cause being shown, grant special leave of absence on private affairs for not more than six months, to any place within the limits of the East India Company's Charter, one half of the absentee's salary being deducted for such period of absence.

III. The Local Government will also grant leave of absence, on medical certificate, for any period not exceeding one year to any place within the limits of the East India Company's Charter, one half of the absentee's salary being deducted for such period of absence.

IV. In cases of extreme urgency, the heads of officers are authorized to grant leave of absence on medical certificate, to the extent of a month, subject to the deduction specified in the preceding Rules, reporting the same to Government for sanction.

V. If the period of leave granted under Rule III, be less than one year, the Government will extend the same whether continuously or otherwise, to the full period allowed by the Rule, on the production of a medical certificate shewing the necessity for such an extension.

VI. But after the enjoyment of a full year's leave on medical certificate, whether continuously or by instalments, no further leave will be granted under Rule III. until after the lapse of three years from the expiry of previous leave under that Rule.

VII. Absence without leave will render the absentee liable to loss of appointment, and will be attended with entire forfeiture of salary for the whole period of such absence.

VIII. No person appointed to a situation under the Government shall draw the salary of his appointment for any period prior to the date of his joining it.

IX. An officer holding a situation appointed to one of equal or higher value, will, until he joins, draw so much of the salary of his new office as may be equal to the salary of his former situation, provided he does not exceed the time allowed for joining under the following Rule:—should he do so, no salary will be passed to him for such period in excess.

X. The time ordinarily allowed for joining an appointment is to be calculated at the rate of 15 miles a day (Sundays excepted,) together with a week to prepare for the journey, but on occasions of emergency, it will be optional with the Government to prescribe the period within which any journey is to be performed.

XI. A person officiating temporarily, in any situation, on the occurrence of a vacancy or during the absence of the real incumbent, will if he hold no other appointment, draw on half the salary of such situation, and if he hold any other situation of less value, he will receive half the fixed salary of his own appointment, together with half the fixed salary of that in which he officiates, but no additional expence is to be incurred by the absence of any officer on leave.

XII. These Rules are to be held applicable to all officers in the uncovenanted service of Government who may be in the receipt of salaries of 100 Rupees a month, or upwards. To all others, their spirit is to be applied so far as circumstances will permit. To officers receiving their appointments direct from the Government, leave of absence will be granted by the Government only, and in respect to other officers whose appointments and removal rest with their immediate superiors or with the heads of departments, it will be optional with the Local Governments to delegate, to such heads of offices and departments, power to act upon the Rules, without special reference to higher authority.

* XIII. But it is to be clearly understood that no leave of absence on private affairs shall be claimable by any party whatever under the Rules as a matter of right, but that such leave shall be granted only at the pleasure of the Government or its authorized officers, when the concession of the indulgence in no way interferes with the interests of the public service.

*By order of the Hon'ble the President
of the Council of India in Council,
(Signed) J. A. DORIN,
Secy. to the Govt. of India.*

*Republished by order of the Hon'ble the Governor in Council,
H. E. GOLDSMID, Offg. Secy. to Govt.*

Bombay Castle, 20th August 1846.

* Heads of Departments have discretionary authority to grant to Members of their Establishments, provided no inconvenience result therefrom to the public service. Leave of absence on private affairs free of deduction from their salaries for short periods not exceeding 30 days in a year. Govt. Circular, General Department 20th Sept. 1847.

FORT WILLIAM.

FINANCIAL DEPARTMENT.

The 29th January 1847.

Resolution.—The President in Council observes that under a right construction of the provisions of the Rules for regulating leave of absence to the uncovenanted service, an incumbent in the receipt of a personal allowance in addition to the fixed salary of his appointment would forfeit during any absence on authorized leave the moiety of his consolidated allowance, while on the other hand, the party officiating for him would be entitled to claim as deputation allowance the half of the fixed salary of the appointment only, thus leaving the moiety of the personal allowance to revert to the Government.

But the President in Council has no desire to take advantage of this strict action of the rules to the prejudice of deserving persons in the receipt of their due reward for meritorious services, especially where the grant is of so personal a nature as not to be claimable in the shape of pension. On the contrary, he is anxious to give the fullest effect to honorary allowances earned by approved service in the employment of Government, and he is accordingly pleased to resolve that personal allowances be exempted from deduction under the operation of the Absentee Rules; and parties in the receipt of personal allowances, whilst absent on authorized leave, will accordingly be entitled to continue to draw the whole of such personal allowance in addition to the proportion of ordinary salary claimable by them under the general provisions of the Rules.

of the Council of India in Council*
