FINANCIAL DEPARTMENT.

THE 29TH JANUARY, 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from salaries and deputation Allowances having been approved and passed by the Honorable Court of Directors, are published for general information; and will take effect in all the Presidencies, Settlements and Stations under the Government of India, from the date of the arrival of the *Gazette* containing them, in respect to all leaves of absence granted after that date. The notes show the interpretation put by the Council of India upon the rules in their application, to cases not specifically mentioned.

Note.—All the Sections marked thus are the amended Sections passed by the Government of India on the 17th May 1843.

Rules for Application for leave of Absence and for fixing the local limits within which it may be granted.

Section I. No leave of absence from any office or station can be granted but by the Government of the Presidency under which the employment is held, and the application of the party requiring such leave, saving in such cases as may hereafter be specially excepted, must be made publicly through the regular channel in the Department to which the applicant may belong.

Note.—This rule must be considered as superseding the rule under which Commissioners of the Revenue and other Officers have heretofore been allowed to grant leave of absence in Bengal.

Sec. II. The Official allowances of the holder of a civil office quitting his station without leave will entirely cease from the date of his quitting until his return, or in the event of his subsequently obtaining leave to the date of such leave being granted to him.

Sec. III. No leave of absence shall have any retrospective effect except in cases of severe illness, to be attested by a medical certificate, conforming in every respect to the directions contained in Section V.

The leave with retrospective effect referred to in this section, is leave extending to absence antecedent to the permissions of the Government—that is to absence in anticipation of original leave without the excuse of sickness. Vide Resolution of the Government of India dated 14th April 1841.

Sec. IV. Upon application duly made, the Government of each Presidency may grant leave of absence to any place or places in the Continent of India, whether within the Territories subject to the Government of the East India Company or not, to any Civil or Military Servant holding a civil appointment, subject to all the conditions prescribed in the rules that may be applicable to his case. Upon similar application the Government of each Presidency may also grant leave to such persons subject to the like conditions, to proceed to the Island of St. Helena, the

Provided also, that if at any time the Government of India shall deem it expedient to exclude any place or places within the limits above described from the operation of these rules, such exclusion shall be officially communicated to the subordinate Governments, and all leave subsequently granted shall be regulated accordingly. A Servant passing the limits herein prescribed will incur the immediate forfeiture of his office or employment, and of all official allowances whatever from the date of his quitting India.

Rules for sick leave.

Sec. V. When an application for leave of absence is made on the ground of ill health, it must be accompanied by a certificate from the Medical Officer by whom the applicant has been attended, distinctly stating from personal observation, the nature of the disease, the symptoms by which it is manifested, the period during which it has existed as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place, either within the Territories subject to the Government of the East India Company or beyond them, but within the limits laid down in Section IV. as the case may be; and such certificate must be submitted to the consideration of the Medical Board, and if satisfactory, shall be countersigned by one of its Members. An application for an extension of leave must, if the applicant be in India, be accompanied by a certificate from the Medical Officer by whom the applicant is attended, shewing sufficient reason for the extension solicited, and such certificate like the former must be examined and countersigned by a Member of the Medical Board. If the applicant shall have proceeded beyond the Territories under the Government of the East India Company, he must furnish a certificate to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such

In explanation and modification of this section, the Governor General in Council is pleased to resolve, that in cases of extreme urgency, which owing to the distance of the residence of the Medical Board, preclude the previous reference to that authority, the certificate of the medical attendant required from applicants for leave of absence on account of ill health, shall be submitted by them for the consideration and countersignature of the Superintending Surgeon of the Division, or of the nearest Division, which Officer, in these cases, will be responsible for the prescribed regularity of the certificate, instead of the Medical Board. Vide Resolution by the Government of India dated 24th June 1840.

All civil servants on obtaining Medical Certificates agreeably to the provisions of this Section, shall forward them immediately to Government, and such Medical Certificate when passed by the Medical Board are to be handed up by the Board direct to Government; the requisite application for leave being at the same time submitted by the Civil servant requiring it. Vide Notification by the Government of Bombay, dated 17th June 1841.

Applicants for sick leave must not leave their stations without previous permission obtained from Govt. except in cases of absolute necessity vide Notification Bombay Govt. dated 22nd February 1842.

Sec. VI. Civil Servants absent from their stations under medical certificate will be entitled to the salaries of their respective offices, subject to the following deductions. If the salary exceed Rupees 2,000 per mensem, one-sixth for the first year and for the second year, one-fourth. If the salary do not exceed Rupees 2,000 per mensem, one-eighth for the first year, and one-sixth for the second. But if the salary of office be not more than Rupees 500 per mensem, no deduction shall be made for the first year; and if it be only so much more than the prescribed deduction of one eighth would reduce the allowance below Rupees 500 per mensem, only the excess beyond Rupees 500 shall be deducted. For the second year the Absentee shall become liable to the deduction of one-eighth. An absent Servant shall in no case retain any office or employment, nor be permitted to draw any portion of official salary for a longer period than two years, but a Civil Servant who may on account of sickness duly certified, obtain an extension of leave beyond two years, will, if below the rank of a Senior Merchant, be allowed to draw the subsistence allowance of a Junior Merchant, and if a Senior Merchant, the subsistence allowance of his rank, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also will be forfeited. The period of absence shall be computed from the date at which the Absentee shall quit the limits of the Territories subject to the Presidency to which he may belong, to the date of his return within such limits, or if he shall proceed beyond Sea from the date of his embarking at any place or port in India which is not more distant from his station than the ports of his own Presidency, but if the place to which he shall proceed shall be within the Territories subject to such Presidency, his period of absence shall be computed from the date of his quitting his station to the date of his return thereto. Vide amended section passed 17th May 1843, Page 50.

2—A servant is not allowed to be absent, retaining "Office or Employment," or portion of Official Salary, for a period exceeding two years; but extension of leave may be obtained on account of sickness duly certified, and during such extension the Absentee is authorized to draw the subsistence allowance of the rank. If the absence be beyond the Territories of the Presidency to which the Servant belongs, it is to be computed from the date of his quitting the limits of his Presidency to the date of his return within those limits, if beyond Sea, from the date of his embarkation from the port of his Presidency or from any port not more distant than the port of his Presidency to the date of his return within the limits of his Presidency. If the place to which he shall proceed to be within the Territories subject to this Presidency, his period of absence shall be computed from the date of his quitting his station to the date of his return thereto, vide Resolution of the Govt. of India dated 14th April 1841.

Sec. VII. Civil Servants absent on leave on account of sickness, duly certified, if they proceed to England without returning to their Presidency, may as heretofore, apply to be admitted to Furlough by the Honorable the Court of Directors, and the Furlough in such cases will take effect from the date of leaving their Presidency, consequently the allowances of office that may have been drawn by themselves or their Agents after their departure, must in that case be re-adjusted, and the difference refunded.

• Sec. VIII. No. second leave will be granted to any Civil or Military Servant holding a civil appointment who has been absent under the above rules for two years, until three at the least shall have passed after the date of such Servant's return; but if such Servant is compelled by sickness again to absent himself from this station within three years after having been absent under the above rule for less than two years, he will be allowed to complete that period, subject to the limitations and conditions heretofore prescribed, drawing the proportion of salary allowed for the remaining time as if the leave had been continuous.

A second leave of this kind cannot be granted until three years at the least shall have passed after the date of such servant's return, but any time short of two years in a previous absence may be subsequently allowed in completion of two years. The Note attached to section VIII. specifies that this Rule applies to all descriptions of leave on account of health excepting those granted under section XII. vide Resolution of the Govt of India dated 14th April 1843.

After two years of absence, continuous or accumulated, under these Rules if a servant obtain leave of absence on sick certificate before an interval

has passed of three years, he cannot retain office or employment, or any portion of official salary, but he is entitled to the subsistence allowance of his rank. The rule in section VI., if literally interpreted, would require the servant returning from beyond Sea, whose full period of two years has been expired between the date of his embarkation, and the date of his return within the limits of his Presidency to be re-appointed to his Office. For the time spent in joining his station in excess of two years, he is entitled to draw only the subsistence allowance of his rank.

It is not provided that in cases in which the full period of two years absence is composed of accumulated leaves, the intervals of time passed in the performance of duty shall be reckoned in part of the three years which must expire before a servant is eligible to a new series of leave.

But if this were not allowed, the operation of the Rule might be unintentionally severe on a servant, whose health should compel him to obtain leave of absence for a portion of the two years, say for only a month at the extremity of the three years after the date of his return, the same servant having been already absent for 23 months either all at once, or his absence at different times having accumulated to 23 months: it would not have been intended by the Rule that after 35 months of duty being entitled to one month on the account of the old score, a new series of leave or a single instance of leave on sick certificate should not be obtainable for three years from the expiration of that one or 36th month.

The Rules do not prescribe any different rate of deduction from allowances during absence on sick certificate within the Territories of the East India Company, and during similar absence at the Cape of Good Hope, or within the limits out of the Territories of the East India Company, declared in Section IV. But they fix the computation of the servant's absence beyond the Presidencies to be from the date of leaving to the date of returning to the Port of his Presidency.

The Rules provide sufficiently for the audit of his allowances after two years absence beyond Sea, until the servant re-joins his station, but they do not specify what rate of deduction is to be made from the Absentee's allowance for the time elapsing after departure from station and before embarkation. This therefore has required to be provided for by a new Regulation, or by some exposition of the existing rules.

The Rule that admits of an absence of two years, enables a sick servant to reside sufficiently long in another climate under ordinary circumstances to re-establish his health; for which object that protracted absence is permitted, when certified to be necessary. Forfeiture of appointment therefore, does not take place till a full two years have tran-

expired between embarkation and return to Port. If the latter part of the section VI. be taken to computation of absence as respects appointment, the course of the audit will be easy: For two years reckoning from the departure from station, to return to station, the deduction will be as laid down at the commencement of the section, and for any excess whether occasioned by the time lapsing before embarkation or after return to port until return to station, the servant will be entitled to subsistence allowance without losing his appointment. *Vide Resolution of the Govt. of India dated 14th April 1843.*

Sec. IX. Military Officers employed in the Civil Department and drawing a Civil allowance may obtain leave under medical certificate on precisely the same conditions as Civil Servants, except as to allowances. Such officers in common with those holding staff situations in the Military Department will draw the Military Pay and Allowances of their rank while absent on leave under medical certificate, in the form and manner, prescribed in General Orders in the Military Department, and likewise one-half of the difference between such allowances and the civil pay of the offices to which they stand appointed.

Sec. X. Civil or Military Servants holding civil appointments who may desire to avail themselves of the benefit of the Act I. Vic. Cap. 47. and to draw their allowances while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government for the refund of any excess that may be drawn, either by the Agents at the Presidency or by themselves, in case of their proceeding to Europe on Furlough or otherwise coming under retrenchment.

Sec. XI. The Government of each Presidency may grant to Civil or Military Servants holding civil appointments leave of absence for one month in each year without deduction from the salaries and emoluments drawn by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience will arise from the departure of the Officers seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave, but Servants, not availing themselves of the indulgence in any one year may obtain, under the like conditions, leave of absence for two successive months, to commence at or after the expiration of 22 months from the termination of their former leave, and if two years elapse without enjoyment of the privilege, leave for three months may in like manner be granted at the expiration of 33 months from the termination of the last preceeding leave. But no leave shall be granted under this rule for any period exceeding three months. If an Officer shall not return at the expiration of the period of leave granted him under this rule, he shall, if absent on private affairs, be subjected to the deduction of one-third of his salary and allowances for the entire term of absence, and if he shall continue absent for more than one month beyond the term granted, his office shall become vacant. If his protracted absence be occasioned by sickness, the case must be determined under the provisions of Chapter 11. *Vide amended Section passed 17th May 1843, P 50.*

The design of this Rule is to grant one month's leave of absence without loss of Salary to the Servant who is present at his duty for the period, specified; vide Resolution of Govt. of India dated 14th April 1844.

If in consequence of sickness a Servant exceeds the leave of absence granted to him under this Section he must be considered absent under the provisions of Chapter 11. for the whole time of such absence, and the orders that would be passed on his Medical-certificate application must be in conformity to those provisions and take effect for the whole period of absence; vide Bombay Govt. Notifications 8th June 1841. and 14th August 1844.

Leave under this Section will be granted on private affairs only and not on medical certificate, vide Bombay Govt. Notification 24th April 1844. Para. 2nd.

Sec. XII. The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding Civil

Office special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee, if a Civil Servant, shall for the period in excess draw no more than one-half of his Salary and allowance, and if a Military Officer, only so much of the Salary and Allowances of any Civil Office to which he may stand appointed, as added to the Military Pay and Allowances which he may be entitled to draw shall equal one-half of the emoluments of such civil office. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the Absentee shall become vacant. No second leave under this rule can be granted until after the expiration of five years from the termination of the former leave, and the Government is specially to report each case with all the attendant circumstances to the Court of Directors. *Vide amended Section passed 17th May 1843 P. 50.*

CHAPTER IV.

Rules for leave preparatory to embarkation and for joining Stations.

Sec. XIII. Rescinded by the Resolution of the Govt. of India 17th May 1843 Vide Page 51.

Sec. XIV. There shall be allowed to Officers appointed to any new office, the periods of one month, two months or three months for joining accordingly, as the distance may not exceed 300 or 600 miles, or be in excess of the last mentioned distance. Officers not joining their station within the said period respectively shall forfeit their salary for the time delayed in excess of the above periods, and if such excess shall exceed one month, the office shall be vacated unless otherwise specially ordered by Government.

This rule refers to the appointment of Civil Servants previously not holding any permanent situation who under this rule are entitled to their allowances from the date of appointment provided they join their stations within the prescribed period. Vide Resolution of the Govt. of India dated 16th June 1841. Page. 47.

Sec. XV. Upon the first appointment of any Civil Servant who shall be reported qualified for the public service, by the examiners appointed by the Government to any civil situation, there shall be allowed for travelling expenses to the station an allowance at the rate of 8 Annas per mile by the direct Post-road according to the Polymetrical Tables of the Post Office, the bill for which allowance will be passed by the Civil Auditor after the Officer shall have joined the station; if required in advance, an order of the Government shall be necessary.

Sec. XVI. The salary of office will be payable from the date only of the Officer joining, but in the case of junior Civil Servants, the salary of Assistants will be payable from the date of their being reported qualified for the public service, unless through delay in joining the station

This rule applies to cases where there is a change of Office with increase of Salary. Vide Resolution of the Govt. of India dated 16th June 1841.—Page. 47.

Sec. XVII. In case of a change of Office when an Officer is appointed to a higher situation, he shall not draw the higher salary until he joins. For the period occupied in travelling, the Rule No XIV. regulating the time and distance for joining stations shall be applicable, and the officer will, for the periods allowed in that rule respectively, draw out of the salary of the office he is about to join, a sum equal to that of his previous situation.

NOTE.—This rule is only applicable to Civil Servants—Military Servants drawing as in the case of Staff situations, no civil salary from the time of leaving one office till the date of joining the other.

CHAPTER V.

Rules for Deputation allowances.

Sec. XVIII. The sum of Company's Rupees 52,200 per annum have been fixed under the orders of the Court of Directors as the maximum

salary of civil office for the Offices of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary allowance in consideration of the necessary expenses of their position, will in all cases of absence be treated in respect to deductions as drawing only the Allowance thus limited, and excess above the monthly salary yielded by that annual sum, shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer performing the duties to meet the necessary expenses of his position. *Vide amended Section passed 17th May 1843. P. 51.*

NOTE.—This rule will equally apply in case of a Political Resident taking a leave of 3 months for which in other cases he would suffer no deduction. The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Sec. XIX. Deputation Allowances shall be granted to civil servants temporarily performing the duties of an office according to the following scale, and subject to the limitations and conditions hereinafter laid down.

To civil servants out of employ.

When the salary of the Office does not exceed	Per mensem.

Exceeding. 2,900	— „ — 375	— „ — 525	

A Civil Servant acting for another will have no claim to Commission or Fees, where any such sources of emolument exist. These will be regarded as forming part of the income of the Officer to be relieved, subject to the prescribed deductions. The grant of special allowances—of allowances to Commissioners, and other Officers of Districts or Assistants when employed on settlement or special police duties, will be regulated by a supplemental set of rules. *Vide amended, Section passed 17th May 1843. P. 51.*

NOTE.—Military persons acting for other Military persons holding civil office, will, as in the case of staff, draw half the difference between the incumbent military allowances, and the consolidated civil salary as at present, that is, will draw the amount retrenched from the absentee, but when acting for a Civil Servant they will draw at the rates of this table, and under the same rules as Servants.

* *NOTE.*—The Subsistence (or Dewanee) allowance is as follows:

Writer and Factor.	Rs. 162	0	0	per mensem.
Junior Merchant.	244	0	0	Ditto.
Senior Merchant.	325	0	0	Ditto.

Sec. XX. No Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, and if the amount of the deputation allowance according to the prescribed scale added to the permanent emolument of the officiating Servant, would exceed the emoluments of the office in which he is temporarily acting, the excess shall not be drawn. But this provision shall not apply to the case of any Officer deputed for special reasons to act in an office of inferior emolument to his own. In cases where an Officer holding two appointments on being deputed to officiate for another, shall be relieved only from one, he shall receive no deputation allowance, unless the emoluments of the office in which he is deputed to act, exceed the united emoluments of his permanent appointments and in that case the deputation allowance shall be limited to the difference.

Sec. XXI. No Subordinate Officer acting for his Principal or for any other person holding a superior appointment in the same Office or Establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of three months, and then the Allowance is not to be drawn in arrear. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed. *Vide amended Section passed 17th 1843. P. 51.*

The period of one month required by this section for a subordinate to act for his principal, or for any other person holding a superior appointment in the same Office or Establishment without being entitled to any Deputation allowance, shall be held to apply to those cases only where the superior Officer is absent with leave under section XI. the President in Council of India having been pleased to allow that the one month without deputation specified in this section shall be held to be designed as an offset against a corresponding leave of one month granted under section XI to a superior Officer, free from deduction of allowances, in which case his subordinate in the same Office if placed in charge for him must hold that charge without remuneration, officers therefore acting for their superiors absent on sick certificate or on duty will be entitled to extra allowance from the date of receiving charge, vide Bombay Govt. Notification 24th April 1844.*

A Subordinate Officer is not required to act for his Superior without extra remuneration for more than one month in any one year, whether that month be consecutive or made up of two or more broken periods.—Letter from Govt. of India 20th Sept. 1845.

Sec. XXII. A Civil Servant out of employment, if deputed to act at a distance, and civil servants having permanent emoluments, who may be so deputed, and who may be restricted by any provision in those rules to the allowance of their own office, shall be permitted to draw travelling allowances at the rate sanctioned in the case of a first appointment. When the entire sum received as deputation allowance may fall short of the which, according to the distance would be allowed for travelling expenses, the difference may be drawn. In all cases of absence under medical certificate, and in cases of absence on private affairs, when the absent Officer shall not be subject to deduction, such payments shall be made, at the charge of the Government. *Vide amended Section passed 17th May 1843. P. 51.*

CHAPTER VI.

Rules for Chaplains and Assistant Chaplains.

Sec. XXIII. Chaplains and Assistant Chaplains may, under medical certificate, obtain leave of absence, subject to all the deductions, conditions and limitations prescribed in the case of civil servants, but no Chaplain or Assistant Chaplain can be permitted to draw any allowance, when his period of absence shall have exceeded two years.

* The rule is to apply to all cases without reference to the cause of absence of the Superior Officer, vide Government Notification 17th September 1845. Page 54.

Sec. XXIV. The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentee may be entitled under the following Rule, they shall for the period in excess be subject to the deduction of one half of their Allowances, and after an absence of six months (in addition to any leave granted under the succeeding rule) all allowances shall be discontinued. *Vide amended Section passed 17th May 1843. P. 52.*

Sec. XXV. Leave of absence for one month in each year, or for two or three months as the case may be under the principle sanctioned in Section XI, may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise,) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary: and such leave being consistent with the rule will be recognized by the Civil Auditor after it has been published in the *Government Gazette* of the Presidency with the authority of Government. Information of every leave so granted by the Bishop or other Ecclesiastical Officer above mentioned, shall be immediately transmitted to the proper Secretary to Government, for the purpose of notification in the *Gazette*. *Vide amended Section passed 17th May 1843. P. 52.*

Sec. XXVI. For embarkation on furlough, or sick leave, or with the intention of retiring from the service, Chaplains and Assistant Chaplains are entitled to the benefits of Sec. XIII. on the same conditions on which they are enjoyed by civil servants. *Rescinded, vide rules passed 17th May 1843. P. 52.*

Sec. XXVII. On joining a station in the interior after arrival in India, a Chaplain or Assistant Chaplain will be allowed the same rate of travelling charges, and be subjected to the same rules in respect to joining his station, as a civil servant. On any subsequent transfer from one station to another, the same allowance will be made if the transfer takes place not at the desire of the Chaplain removed, but by order of Government.

Officers of the Assay Department.

Section XXVIII. The Assay Master and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under Sick Certificate, or on private affairs, subject to the conditions in the rules forming Chapters I. to V. The Absentee if in the enjoyment of any Military pay or allowance will, during his absence, be subject to the deductions prescribed in the case of Military Officers holding civil employments. If not a Military Officer, the Absentee will be subject to the same deductions as a civil servant under similar circumstances, but no Officer of the Assay Department can be permitted to draw any portion of salary for a longer period than two years, if absent under Sick Certificate, nor for a longer period than three months if absent on private affairs. *Vide Amended Section passed 17th May 1843. Para. 1. We have to acquaint you that, we have adopted the following Regulations with respect to the grant of extensions of leave to Members of the India Civil establishments repatriating to this country under the absentee regulations, or on special leave of absence, viz:—

That civil servants coming to England under the absentee regulations or on special leave shall immediately on their arrival, report themselves with their address, by letter to our Secretary, forwarding at the same time the certificates which they received in India.

That in all cases of leave, civil servants be required to join the Establishment to which they belong at the expiration of the term for which leave may have been granted, unless they shall have obtained an extension of it from us six months before the expiration of the said leave.

That extensions of leave will not in future be granted by us except in cases of sickness certified to our satisfaction, or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

That when under any such circumstances a civil servant shall have obtained an extension of leave to a given period, he must at the expiration thereof, apply for, and obtain our permission either to return to his duty, or to reside a further time in Europe, failing in which he shall be liable to be struck off the list of civil servants.

That the Act of the 23rd, Geo. 3rd, Chap. 52 Sec. 70, as it respects civil servants applies only to cases of sickness, infirmity, or inevitable accident, and that no civil servant be hereafter considered eligible to return to the service after 5 years absence, under that enactment, who has failed to obtain from us, agreeably to the foregoing regulations, an extension of leave under the circumstances referred to in the Act.

2. We desire that the foregoing regulations be published for general information, and that each civil servant returning to this country under the absentee regulations, or on special leave, be furnished with a copy for his guidance.

Para. 2nd. The Hon'ble the Governor in Council is pleased to publish for general information, the following extract, from a Resolution passed on the 16th ultimo, by the Right Hon'ble the Governor General of India in Council, on the subject of the allowances of Officers appointed to new situations, but who by the express order of Government may be prevented from entering immediately upon the duties thereof.

FINANCIAL DEPARTMENT, THE 16TH JUNE 1841.

RESOLUTION.

The Governor General in Council remarks, that the Rule referred to No. XVI of the Regulations of the 29th January 1840, requires in case of a change of Office, when an Officer is appointed to a higher situation, that he shall not draw the higher salary until he joins.

His Lordship in Council considers it expedient strictly to maintain this Rule as one of general practice, and that no exception ought to be allowed otherwise than under special circumstances and exigencies of the public service.

His Lordship in Council is further of opinion, that as a general rule, Officers ought not to be appointed to situations for the duties of which they are not immediately available.

When an Officer for the convenience of the public service has been detained by an order of the Government in a situation of inferior emolument after he has been promoted, in such case the practice under the Bengal Presidency is to pass to him the higher salary of his new appointment, during the period of his being so detained. This exception to the Rule XVI corresponds with the exception provided for in Rule XX under the Chapter for Deputation Allowances, in which it is declared that no Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, but that the prohibition does not apply to the case of an Officer who may be deputed for special reason to act in an office of inferior emoluments to his own.

In order to ensure uniformity of practice at all the Presidencies in the application of Rules XIV, XVI and XVII, it is hereby explained that Rule XIV refers to the appointment of Civil servants previously not holding any permanent situation, such as Servants for the first time appointed to a fixed situation after their return from furlough.

These Servants are entitled under Rule XIV to the allowances of their new office from the day of appointment, provided they do not come under forfeiture by exceeding the time prescribed for joining their station.

And Rules XVI and XVII are to be construed as applying to cases where there is a change of office, with increase of salary a special course being prescribed with regard to Junior Civil Servants; they under Rule XVI are authorized to draw the salary of Assistants from the date of their being reported qualified for the public service, unless forfeited through delay in joining the station to which they have been appointed.

By order of the Hon'ble the Governor in Council,

W. R. MORRIS, Secy. to Govt.

The Honorable the Governor in Council is pleased to re-publish the following Rules passed by the Government of India; to have effect within the limits of this Presidency from this date:—

FORT WILLIAM.

FINANCIAL DEPARTMENT.

17TH MAY 1843.

The Hon'ble the President in Council, with the concurrence of the Right Hon'ble the Governor General, has revised the Rules published on 29th January 1840 for to grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances. The following Rules will have effect from this date for regulating Deputation Allowances, and the terms on which leave of absence will be given to places situated within the limits of the respective Presidencies, to which the Applicants are attached.

Sec VI. (Amended.) Civil Servants absent from their Stations under Medical Certificate, within the limits of their respective Presidencies, shall be entitled to the Salaries of their Offices for the period of two years, subject to a deduction of $\frac{1}{3}$ for the whole term of such absence, save and excepted that for the first year; if the Salary be not more than 500 Rupees per mensem, no deduction shall be made, and if it be only so much more than 500 Rupees that the prescribed deduction of $\frac{1}{3}$ would reduce the allowance below that sum, only the excess beyond Rupees 500 shall be deducted, but for the second year, the full deduction shall be in force. An absent Servant, whether Civil or Military, shall in no case retain any Civil Office or employment, nor be permitted to draw any portion of Official Salary for a longer period than two years, but a Civil Servant who may, on account of sickness duly certified, obtain an extension of leave beyond two years shall, if his period of actual residence be less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also shall be forfeited. The period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. XI. (Amended.) The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for for one month in each year without deduction from the Salaries and Emoluments drawn by such Servants, such leave however will only be granted when the Government is satisfied that no inconvenience or expence will arise from the departure of the Officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave. *See also notification of 18th Sept. 1841. Page 53.*

Sec. XII. (Amended.) The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding a Civil Office, special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction the Absentee, if a Civil Servant, shall for the period in excess draw no more than one half of his Salary and Allowances of any Civil Officer to which he may stand appointed as added to the Military Pay and Allowances which he may be entitled to draw shall equal to one-half of his entire Military and Civil emolument. NOTE.—This rule will equally apply in case of a Political Resident taken a leave of one month for which in other cases he would suffer no deduction.—The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

NOTE.—Military persons acting for other Military persons Civil Office will, as in the case of Staff, draw half the difference between the incumbent's Military Allowances and the consolidated Civil salary as at present, that is, will draw the amount retrenched from the Absentee, but when acting for a Civil Servant, they will draw at the rates and under the same rules as Civil Servants.

GENERAL DEPARTMENT.

Under instructions from the Government of India the Hon'ble the Governor in Council is pleased to notify; that to those Civil Servants who under the old absentee Regulations of January 1840 had up to the promulgation of the amended Rules of May 1843 acquired a title to the indulgence by a continued residence of 22 or 33 months at their respective stations leave of absence free from deduction, may at the discretion of Government and provided it be attended with no inconvenience to the public service be granted for two or three months as the case may be under Section XI of the Regulations prior to their Amendment.

By order of the Hon'ble the Governor in Council,

Bombay Castle, 18th Sept. 1844.

GENERAL DEPARTMENT.

Bombay Castle, 12th March 1845.

The following extract from amended Regulations which have been passed by the Honorable the Governor in Council, in respect to the instruction and control of the Junior Members of the Bombay Civil Service, is published for general information.

1. Immediately on the arrival of a Junior Civil Servant, a Committee will be appointed to test the progress made by him at Haileybury in the study of the Oriental languages and the result of such examination will be reported for the information of the Hon'ble the Court of Directors.

2. No Junior Civil Servant shall in future be employed in the Public Service until he shall have passed in two of the Native languages of which Hindoostanee shall be the first and Mahratta, Goozerathee or Canarese the second.

3. The examinations at the Presidency shall be held on the 10th of January, the 10th of May, and the 10th of October, but occasional and intermediate examinations will be allowed on Students applying for them,

and to obviate the necessity of young Civilians, who may be permitted by Government to reside and prosecute their studies in the interior, being obliged to repair to the Presidency, special Committees shall be appointed for their examination at outstations.

4 The Government will determine in each case whether the young Civilian shall remain at the Presidency or shall proceed at once into the interior; at the Presidency he shall be placed under the control and superintendence of the Chief Secretary, and in the Mofasil of the Collector of the District.

5. In order to ensure the employment by Junior Civil Servants of properly qualified Moonshees or Pundits, no student shall employ any Pundit or Moonshee who has not obtained certificates of qualification from the Oriental Translator to Government, and every student shall be required to state in his monthly abstracts that he has been attended by a Pundit or Moonshee (as the case may be) possessing the requisite certificate.

6. The allowance to a student on his arrival in Bombay shall in future be Rs. 200 per mensem, until he attains a competent knowledge of one of the Native languages, when he shall receive an additional allowance of Rs. 50 per mensem. He shall also have Rupees 30 for a Moonshee, and if residing at the Presidency Rs. 80, or if in the Provinces Rs. 40 for House rent. The allowance for Moonshee, and House rent, is not however to be continued for a period exceeding fifteen months, and is in every case to cease on the student being declared qualified for the public service, when he shall be entitled to Rupees 400 per mensem, whether he be posted to an office or not; an unposted qualified Student, however, if desirous of obtaining a higher degree of proficiency, or acquiring additional languages, may, at the discretion of Government, have the allowance for a Moonshee continued for a reasonable period, while he is not holding any appointment, and is devoting himself exclusively to study.

7. The period for the acquirement of the requisite qualification for the public service, by proficiency in two of the Native languages, shall in future be limited to fifteen months, on the expiration of which, the rank of the young Servant shall cease, until he passes the requisite examination; but Government, with reference to the circumstances of each case, will retain the discretionary power to grant such further extension as shall not exceed on the whole six months, in addition to the fixed period allowed; after which, should the Student fail to qualify himself he shall be finally removed from the service, and a passage to England shall be found for him on application, at the public expense."

The above rules are not to apply to Civilians of a term of which any one member had arrived in Bombay on the 28th January last.

By order of the Hon'ble the Governor in Council.

FINANCIAL DEPARTMENT.

THE 29TH JANUARY, 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from salaries and deputation Allowances having been approved and passed by the Honorable Court of Directors, are published for general information; and will take effect in all the Presidencies, Settlements and Stations under the Government of India, from the date of the arrival of the *Gazette* containing them, in respect to all leaves of absence granted after that date. The notes show the interpretation put by the Council of India upon the rules in their application, to cases not specifically mentioned.

Note.—All the Sections marked thus are the amended Sections passed by the Government of India on the 17th May 1843.

Rules for Application * for leave of Absence and for fixing the local limits within which it may be granted.

Section I. No leave of absence from any office or station can be granted but by the Government of the Presidency under which the employment is held, and the application of the party requiring such leave, saving in such cases as may hereafter be specially excepted, must be made publicly through the regular channel in the Department to which the applicant may belong.

Note.—This rule must be considered as superceding the rule under which Commissioners of the Revenue and other Officers have heretofore been allowed to grant leave of absence in Bengal.

Sec. II. The Official allowances of the holder of a civil office quitting his station without leave will entirely cease from the date of his quitting until his return, or in the event of his subsequently obtaining leave to the date of such leave being granted to him.

Sec. III. No leave of absence shall have any retrospective effect except in cases of severe illness, to be attested by a medical certificate, conforming in every respect to the directions contained in Section V.

The leave with retrospective effect referred to in this section, is leave extending to absence antecedent to the permissions of the Government—that is to absence in anticipation of original leave without the excuse of sickness. Vide Resolution of the Government of India dated 14th April 1841.

Sec. IV. Upon application duly made, the Government of each Presidency may grant leave of absence to any place or places in the Continent of India, whether within the Territories subject to the Government of the East India Company or not, to any Civil or Military Servant holding a civil appointment, subject to all the conditions prescribed in the rules that may be applicable to his case. Upon similar application the Government of each Presidency may also grant leave to such persons subject to the like conditions, to proceed to the Island of St. Helena, the

Colony of the Cape of Good Hope, or to any place situated between the 36th Degree of North Latitude and the 50th Degree of South Latitude, such place being likewise between the 30th and the 180th Degrees of Longitude East of Greenwich, excepting however any Islands in the Mediterranean or Levant, and excepting all places within the said Geographical limits which may form part of Europe. Provided also, that if at any time the Government of India shall deem it expedient to exclude any place or places within the limits above described from the operation of these rules, such exclusion shall be officially communicated to the subordinate Governments, and all leave subsequently granted shall be regulated accordingly. A Servant passing the limits herein prescribed will incur the immediate forfeiture of his office or employment, and of all official allowances whatever from the date of his quitting India.

CHAPTER II.

Rules for sick leave.

Sec. V. When an application for leave of absence is made on the ground of ill health, it must be accompanied by a certificate from the Medical Officer by whom the applicant has been attended, distinctly stating from personal observation, the nature of the disease, the symptoms by which it is manifested, the period during which it has existed as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place, either within the Territories subject to the Government of the East India Company or beyond them, but within the limits laid down in Section IV. as the case may be; and such certificate must be submitted to the consideration of the Medical Board, and if satisfactory, shall be countersigned by one of its Members. An application for an extension of leave must, if the applicant be in India, be accompanied by a certificate from the Medical Officer by whom the applicant is attended, shewing sufficient reason for the extension solicited, and such certificate like the former must be examined and countersigned by a Member of the Medical Board. If the applicant shall have proceeded beyond the Territories under the Government of the East India Company, he must furnish a certificate to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such

In explanation and modification of this section, the Governor General in Council is pleased to resolve, that in cases of extreme urgency, which owing to the distance of the residence of the Medical Board, preclude the previous reference to that authority, the certificate of the medical attendant required from applicants for leave of absence on account of ill health, shall be submitted by them for the consideration and countersignature of the Superintending Surgeon of the Division, or of the nearest Division, which Officer, in these cases, will be responsible for the prescribed regularity of the certificate, instead of the Medical Board. Vide Resolution by the Government of India dated 24th June 1840.

In all cases where leave is applied for on account of ill health by officers subject to the provisions of the Civil Absentee Regulations, a duplicate of the Medical Certificate must be forwarded with the application; the original, with the statement of the applicant's case being transmitted by the Medical Officer giving the certificate, direct to the Medical Board who will immediately hand it up to Government with, if approved, the countersignature of one of the Members, or if disapproved with the observations of the Board. Vide Notification by Bombay Government dated 27th January 1846, cancelling that of 17th June 1841.

Applicants for sick leave must not leave their stations without previous

* A Civil Servant drawing compensation salary in lieu of an appointment abolished, and holding no permanent appointment, is entitled to no deputation whatever for officiating in any appointment in which his services may be temporarily employed, pending his confirmation in a new office, vide Hon'ble Courts Despatch No. 8 dated 4th June 1845, and Govt of India's letter No. 1371 of 26th July 1845, Finance Dept.

attendance and the period of it to be stated, and the certificate to be countersigned by the principal Medical Authority of the Colony or Country. When any of the required particulars are neglected leave will be refused.

permission obtained from Govt. except in cases of absolute necessity vide Notification Bombay Govt. dated 22nd February 1842.

A locumtenens* is not entitled to any higher allowances in the event of the party, absent on sick leave for whom he is acting vacating the appointment, and in the event of his succeeding thereto the higher allowance to commence from date of appointment. Vide Notification by the Govt. of India dated 17th Augt. 1842.

Sec. VI. Civil Servants absent from their stations under medical certificate will be entitled to the salaries of their respective offices, subject to the following deductions. If the salary exceed Rupees 2,000 per mensem, one-sixth for the first year and for the second year, one-fourth. If the salary do not exceed Rupees 2,000 per mensem, one-eighth for the first year, and one-sixth for the second. But if the salary of office be not more than Rupees 500 per mensem, no deduction shall be made for the first year; and if it be only so much more than the prescribed deduction of one eighth would reduce the allowance below Rupees 500 per mensem, only the excess beyond Rupees 500 shall be deducted. For the second year the Absentee shall become liable to the deduction of one-eighth. An absent Servant shall in no case retain any office or employment, nor be permitted to draw any portion of official salary for a longer period than two years, but a Civil Servant who may on account of sickness duly certified, obtain an extension of leave beyond two years, will, if below the rank of a Senior Merchant, be allowed to draw the subsistence allowance of a Junior Merchant, and if a Senior Merchant, the subsistence allowance of his rank, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also will be forfeited. The period of absence shall be computed from the date at which the Absentee shall quit the limits of the Territories subject to the Presidency to which he may belong, to the date of his return within such limits, or if he shall proceed beyond Sea from the date of his embarking at any place or port in India which is not more distant from his station than the ports of his own Presidency, but if the place to which he shall proceed shall be within the Territories subject to such Presidency, his period of absence shall be computed from the date of his quitting his station to the date of his return thereto. *Vide amended section passed 17th May 1843, Page 50.*

2—A servant is not allowed to be absent, retaining "Office or Employment," or portion of Official Salary, for a period exceeding two years; but extension of leave may be obtained on account of sickness duly certified, and during such extension the Absentee is authorized to draw the subsistence allowance of the rank. If the absence be beyond the Territories of the Presidency to which the Servant belongs, it is to be computed from the date of his quitting the limits of his Presidency to the date of his return within those limits, if beyond Sea, from the date of his embarkation from the port of his Presidency or from any port not more distant than the port of his Presidency to the date of his return within the limits of his Presidency. If the place to which he shall proceed to be within the Territories subject to this Presidency, his period of absence shall be computed from the date of his quitting his station to the date of his return thereto, vide Resolution of the Govt. of India dated 14th April 1841.

Sec. VII. Civil Servants absent on leave on account of sickness, duly certified, if they proceed to England without returning to their Presidency, may as heretofore, apply to be admitted to Furlough by the Honorable the Court of Directors, and the Furlough in such cases will take effect from the date of leaving their Presidency, consequently the allowances of office that may have been drawn by themselves or their Agents after their departure, must in that case be re-adjusted, and the difference refunded.

Sec. VIII No. second leave will be granted to any Civil or Military Servant holding a civil appointment who has been absent under the above rules for two years, until three at the least shall have passed after the date of such Servant's return, but if such Servant is compelled by sickness again to absent himself from this station within three years after having been absent under the above rule for less than two years, he will be allowed to complete that period, subject to the limitations and conditions heretofore prescribed, drawing the proportion of salary allowed for the remaining time as if the leave had been continuous.

A second leave of this kind cannot be granted until three years at the least shall have passed after the date of such servant's return, but any time short of two years in a previous absence may be subsequently allowed in completion of two years. The Note attached to section VIII. specifies that this Rule applies to all descriptions of leave on account of health excepting those granted under section XII. vide Resolution of the Govt of India dated 14th April 1843.

After two years of absence, continuous or accumulated, under these Rules if a servant obtain leave of absence on sick certificate before an interval

** An absentee servant shall in no case retain any office or employment nor be permitted to draw any portion of official salary, for a longer period than two years.*

has passed of three years, he cannot retain office or employment, or any portion of official salary, but he is entitled to the subsistence allowance of his rank. The rule in section VI., if literally interpreted, would require the servant returning from beyond Sea, whose full period of two years has been expired between the date of his embarkation, and the date of his return within the limits of his Presidency to be re-appointed to his Office. For the time spent in joining his station in excess of two years, he is entitled to draw only the subsistence allowance of his rank.

It is not provided that in cases in which the full period of two years absence is composed of accumulated leaves, the intervals of time passed in the performance of duty shall be reckoned in part of the three years which must expire before a servant is eligible to a new series of leave.

But if this were not allowed, the operation of the Rule might be unintentionally severe on a servant, whose health should compel him to obtain leave of absence for a portion of the two years, say for only a month at the extremity of the three years after the date of his return, the same servant having been already absent for 23 months either all at once, or his absence at different times having accumulated to 23 months: it would not have been intended by the Rule that after 35 months of duty being entitled to one month on the account of the old score, a new series of leave or a single instance of leave on sick certificate should not be obtainable for three years from the expiration of that one or 36th month.

The Rules do not prescribe any different rate of deduction from allowances during absence on sick certificate within the Territories of the East India Company, and during similar absence at the Cape of Good Hope, or within the limits out of the Territories of the East India Company, declared in Section IV. But they fix the computation of the servant's absence beyond the Presidencies to be from the date of leaving to the date of returning to the Port of his Presidency.

The Rules provide sufficiently for the audit of his allowances after two year's absence beyond Sea, until the servant re-joins his station, but they do not specify what rate of deduction is to be made from the Absentee's allowance for the time elapsing after departure from station and before embarkation. This therefore has required to be provided for by a new Regulation, or by some exposition of the existing rules.

The Rule that admits of an absence of two years, enables a sick servant to reside sufficiently long in another climate under ordinary circumstances to re-establish his health; for which object that protracted absence is permitted, when certified to be necessary. Forfeiture of appointment therefore, does not take place till a full two years have trans-

expired between embarkation and return to Port. If the latter part of the section VII. be taken to computation of absence as respects appointment, the course of the audit will be easy: For two years reckoning from the departure from station, to return to station, the deduction will be as laid down at the commencement of the section, and for any excess whether occasioned by the time elapsing before embarkation or after return to port until return to station, the servant will be entitled to subsistence allowance without losing his appointment. *Vide Resolution of the Govt. of India dated 14th April 1843.*

Sec. IX. Military Officers employed in the Civil Department and drawing a Civil allowance may obtain leave under medical certificate on precisely the same conditions as Civil Servants, except as to allowances. Such officers in common with those holding staff situations in the Military Department will draw the Military Pay and Allowances of their rank while absent on leave under medical certificate, in the form and manner prescribed in General Orders in the Military Department, and likewise one-half of the difference between such allowances and the civil pay of the offices to which they stand appointed.

Sec. X. Civil or Military Servants holding civil appointments who may desire to avail themselves of the benefit of the Act I. Vic. Cap. 47. and to draw their allowances while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government for the refund of any excess that may be drawn, either by the Agents at the Presidency or by themselves, in case of their proceeding to Europe on Furlough or otherwise coming under retrenchment.

Sec. XI. The Government of each Presidency may grant to Civil or Military Servants holding civil appointments leave of absence for one month in each year without deduction from the salaries and emoluments drawn by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience will arise from the departure of the Officers seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave, but Servants, not availing themselves of the indulgence in any one year may obtain, under the like conditions, leave of absence for two successive months to commence at or after the expiration of 22 months from the termination of their former leave, and if two years elapse without enjoyment of the privilege, leave for three months may in like manner be granted at the expiration of 33 months from the termination of the last preceding leave. But no leave shall be granted under this rule for any period exceeding three months. If an Officer shall not return at the expiration of the period of leave granted him under this rule, he shall, if absent on private affairs, be subjected to the deduction of one-third of his salary and allowances for the entire term of absence, and if he shall continue absent for more than one month beyond the term granted, his office shall become vacant. If his protracted absence be occasioned by sickness, the case must be determined under the provisions of Chapter II. *Vide amended Section passed 17th May 1843, P 50.*

The design of this Rule is to grant one month's leave of absence without loss of salary to the Servant who is present at his duty for the period specified; vide Resolution of Govt. of India dated 14th April 1844.

If in consequence of sickness a Servant exceeds the leave of absence granted to him under this Section he must be considered absent under the provisions of Chapter II. for the whole time of such absence, and the orders that would be passed on his Medical-certificate application must be in conformity to those provisions and take effect for the whole period of absence; vide Bombay Govt. Notifications 8th June 1841. and 14th August 1844.

Leave under this Section will be granted on private affairs only and not on medical certificate, vide Bombay Govt. Notification 24th April 1844. Para. 2nd.

Sec. XII. The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding Civil

Office special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee, if a Civil Servant, shall for the period in excess draw no more than one-half of his Salary and allowance, and if a Military Officer, only so much of the Salary and Allowances of any Civil Office to which he may stand appointed, as added to the Military Pay and Allowances which he may be entitled to draw shall equal one-half of the emoluments of such civil office. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the Absentee shall become vacant. No second leave under this rule can be granted until after the expiration of five years from the termination of the former leave, and the Government is specially to report each case with all the attendant circumstances to the Court of Directors. *Vide amended Section passed 17th May 1843 P. 50.*

CHAPTER IV.

Rules for leave preparatory to embarkation and for joining Stations.

Sec. XIII. Rescinded by the Resolution of the Govt. of India 17th May 1843 Vide Page 51.

Sec. XIV. There shall be allowed to Officers appointed to any new office, the periods of one month, two months or three months for joining accordingly, as the distance may not exceed 300 or 600 miles, or be in excess of the last mentioned distance. Officers not joining their station within the said period respectively shall forfeit their salary for the time delayed in excess of the above periods, and if such excess shall exceed one month, the office shall be vacated unless otherwise specially ordered by Government.

This rule refers to the appointment of Civil Servants previously not holding any permanent situation who under this rule are entitled to their allowances from the date of appointment provided they join their stations within the prescribed period. Vide Resolution of the Govt. of India dated 16th June 1841. Page. 47.

Sec. XV. Upon the first appointment of any Civil Servant who shall be reported qualified for the public service, by the examiners appointed by the Government to any civil situation, there shall be allowed for travelling expenses to the station an allowance at the rate of 8 Annas per mile by the direct Post-road according to the Polymetrical Tables of the Post Office, the bill for which allowance will be passed by the Civil Auditor after the Officer shall have joined the station; if required in advance, an order of the Government shall be necessary.

Sec. XVI. The salary of office will be payable from the date only of the Officer joining, but in the case of junior Civil Servants, the salary of Assistants will be payable from the date of their being reported qualified for the public service, unless forfeited under the preceding rules through delay in joining the station to which they may be appointed.

This rule applies to cases where there is a change of Office with increase of Salary. Vide Resolution of the Govt. of India dated 16th June 1841.—Page. 47.

Sec. XVII. In case of a change of Office when an Officer is appointed to a higher situation, he shall not draw the higher salary until he joins. For the period occupied in travelling, the Rule No. XIV. regulating the time and distance for joining stations shall be applicable, and the officer will, for the periods allowed in that rule respectively, draw out of the salary of the office he is about to join, a sum equal to that of his previous situation.

NOTE.—This rule is only applicable to Civil Servants—Military Servants drawing as in the case of Staff situations, no civil salary from the time of leaving one office till the date of joining the other.

CHAPTER V.

Rules for Deputation allowances.

Sec. XVIII. The sum of Company's Rupees 52,200 per annum have been fixed under the orders of the Court of Directors as the maximum

salary of civil office for the Offices of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary allowance in consideration of the necessary expences of their position, will in all cases of absence be treated in respect to deductions as drawing only the Allowance thus limited, and excess above the monthly salary yielded by that annual sum, shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer performing the duties to meet the necessary expences of his position. *Vide amended Section passed 17th May 1843. P. 51.*

NOTE.—This rule will equally apply in case of a Political Resident taking a leave of 3 months for which in other cases he would suffer no deduction. The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Sec. XIX. Deputation Allowances shall be granted to civil servants temporarily performing the duties of an office according to the following scale, and subject to the limitations and conditions hereinafter laid down.

To civil servants out of employ.

When the salary of the Office does not exceed	Per mensem.	
Company's Rupees 800	400	which deputation allowance shall be in excess of any subsistence allowance of the Civil or Military Officer according to his rank.

Exceeding 2,900	1,500	Ditto ditto.

To Civil Servants holding an Office of inferior Emolument when Officiating for a Superior.

When the Salary of the Office does not.	If the office be at the same Station.	If at a different Station.	
Exceed Rs. 800	Co's. Rs. 130	Co's. Rs. 260	Which allowances shall be in excess of the entire salary of office the person deputed may be receiving.
Exceeding 800 } Not exceeding 1,600 }	— „ — 162	— „ — 320	
Exceeding 1,600 } Not exceeding 2,900 }	— „ — 270	— „ — 420	
Exceeding 2,900	— „ — 375	— „ — 525	

A Civil Servant acting for another will have no claim to Commission or Fees, where any such sources of emolument exist. These will be regarded as forming part of the income of the Officer to be relieved, subject to the prescribed deductions. The grant of special allowances—of allowances to Commissioners, and other Officers of Districts or Assistants when employed on settlement or special police duties, will be regulated by a supplemental set of rules. *Vide amended, Section passed 17th May 1843. P. 51.*

NOTE.—Military persons acting for other Military persons holding civil office, will, as in the case of staff, draw half the difference between the incumbent military allowances, and the consolidated civil salary as at present, that is, will draw the amount retrenched from the absentee, but when acting for a Civil Servant they will draw at the rates of this table, and under the same rules as Servants.

* NOTE.—The Subsistence (or Dewanee) allowance is as follows:

Writer and Factor	Rs. 102 0 0	per mensem
Junior Merchant	244 0 0	Ditto.
Senior Merchant	325 0 0	Ditto.

Sec. XX. No Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, and if the amount of the deputation allowance according to the prescribed scale added to the permanent emolument of the officiating Servant, would exceed the emoluments of the office in which he is temporarily acting, the excess shall not be drawn. But this provision shall not apply to the case of any Officer deputed for special reasons to act in an office of inferior emolument to his own. In cases where an Officer holding two appointments on being deputed to officiate for another, shall be relieved only from one, he shall receive no deputation allowance, unless the emoluments of the office in which he is deputed to act, exceed the united emoluments of his permanent appointments and in that case the deputation allowance shall be limited to the difference.

Sec. XXI. No Subordinate Officer acting for his Principal or for any other person holding a superior appointment in the same Office or Establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of three months, and then the Allowance is not to be drawn in arrear. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed. *Vide amended Section passed 17th 1843. P. 51.*

The period of one month required by this section for a subordinate to act for his principal, or for any other person holding a superior appointment in the same Office or Establishment without being entitled to any Deputation allowance, shall be held to apply to those cases only where the superior Officer is absent with leave under section XI. the President in Council of India having been pleased to allow that the one month without deputation specified in this section shall be held to be designed as an offset against a corresponding leave of one month granted under section XI to a superior Officer, free from deduction of allowances, in which case his subordinate in the same Office if placed in charge for him must hold that charge without remuneration, officers therefore acting for their superiors absent on sick certificate or on duty will be entitled to extra allowance from the date of receiving charge, vide Bombay Govt. Notification 24th April 1844.*

A Subordinate Officer is not required to act for his Superior without extra remuneration for more than one month in any one year, whether that month be consecutive or made up of two or more broken periods.—Letter from Govt. of India 20th Sept. 1845.

Sec. XXII. A Civil Servant out of employment, if deputed to act at a distance, and civil servants having permanent emoluments, who may be so deputed, and who may be restricted by any provision in those rules to the allowance of their own office, shall be permitted to draw travelling allowances at the rate sanctioned in the case of a first appointment. When the entire sum received as deputation allowance may fall short of the which, according to the distance would be allowed for travelling expenses, the difference may be drawn. In all cases of absence under medical certificate, and in cases of absence on private affairs, when the absent Officer shall not be subject to deduction, such payments shall be made, at the charge of the Government. *Vide amended Section passed 17th May 1843. P. 51.*

CHAPTER VI.

Rules for Chaplains and Assistant Chaplains.

Sec. XXIII. Chaplains and Assistant Chaplains may, under medical certificate, obtain leave of absence, subject to all the deductions, conditions and limitations prescribed in the case of civil servants, but no Chaplain or Assistant Chaplain can be permitted to draw any allowance, when his period of absence shall have exceeded two years.

* The rule is to apply to all cases without reference to the cause of absence of the Superior Officer, vide Government Notification 17th September 1845. Page 54.

Sec. XXIV. The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentee may be entitled under the following Rule, they shall for the period in excess be subject to the deduction of one half of their Allowances, and after an absence of six months (in addition to any leave granted under the succeeding rule) all allowances shall be discontinued. *Vide amended Section passed 17th May 1843. P. 52.*

Sec. XXV. Leave of absence for one month in each year, or for two or three months as the case may be under the principle sanctioned in Section XI, may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise,) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary: and such leave being consistent with the rule will be recognized by the Civil Auditor after it has been published in the *Government Gazette* of the Presidency with the authority of Government. Information of every leave so granted by the Bishop or other Ecclesiastical Officer above mentioned, shall be immediately transmitted to the proper Secretary to Government, for the purpose of notification in the *Gazette*. *Vide amended Section passed 17th May 1843. P. 52.*

Sec. XXVI. For embarkation on furlough, or sick leave, or with the intention of retiring from the service, Chaplains and Assistant Chaplains are entitled to the benefits of Sec. XIII. on the same conditions on which they are enjoyed by civil servants. *Revised, vide rules passed 17th May 1843. P. 52.*

Sec. XXVII. On joining a station in the interior after arrival in India, a Chaplain or Assistant Chaplain will be allowed the same rate of travelling charges, and be subjected to the same rules in respect to joining his station, as a civil servant. On any subsequent transfer from one station to another, the same allowance will be made if the transfer takes place not at the desire of the Chaplain removed, but by order of Government.

Officers of the Assay Department.

Section XXVIII. The Assay Master and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under Sick Certificate, or on private affairs, subject to the conditions in the rules forming Chapters I. to V. The Absentee if in the enjoyment of any Military pay or allowance will, during his absence, be subject to the deductions prescribed in the case of Military Officers holding civil employments. If not a Military Officer, the Absentee will be subject to the same deductions as a civil servant under similar circumstances, but no Officer of the Assay Department can be permitted to draw any portion of salary for a longer period than two years, if absent under Sick Certificate, nor for a longer period than three months if absent on private affairs. *Vide Amended Section passed 17th May 1843. Para. 1. We have to acquaint you that, we have adopted the following Regulations with respect to the grant of extensions of leave to Members of the India Civil establishments repairing to this country under the absentee regulations, or on special leave of absence, viz :—

That civil servants coming to England under the absentee regulations or on special leave shall immediately on their arrival, report themselves with their address, by letter to our Secretary, forwarding at the same time the certificates which they received in India.

That in all cases, of leave, civil servants be required to join the Establishment to which they belong at the expiration of the term for which leave may have been granted, unless they shall have obtained an extension of it from us six months before the expiration of the said leave.

That extensions of leave will not in future be granted by us except in cases of sickness certified to our satisfaction, or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

That when under any such circumstances a civil servant shall have obtained an extension of leave to a given period, he must at the expiration thereof, apply for, and obtain our permission either to return to his duty, or to reside a further time in Europe, failing in which he shall be liable to be struck off the list of civil servants.

That the Act of the 23rd, Geo. 3rd, Chap. 52 Sec. 70, as it respects civil servants applies only to cases of sickness, infirmity, or inevitable accident, and that no civil servant be hereafter considered eligible to return to the service after 5 years absence, under that enactment, who has failed to obtain from us, agreeably to the foregoing regulations, an extension of leave under the circumstances referred to in the Act.

2. We desire that the foregoing regulations be published for general information, and that each civil servant returning to this country under the absentee regulations, or on special leave, be furnished with a copy for his guidance.

The Hon'ble the Governor in Council is pleased to publish for general information, the following extract, from a Resolution passed on the 16th ultimo, by the Right Hon'ble the Governor General of India in Council, on the subject of the allowances of Officers appointed to new situations, but who by the express order of Government may be prevented from entering immediately upon the duties thereof.

FINANCIAL DEPARTMENT, THE 16TH JUNE 1841.

RESOLUTION.

The Governor General in Council remarks, that the Rule referred to No. XVI of the Regulations of the 29th January 1840, requires in case of a change of Office, when an Officer is appointed to a higher situation, that he shall not draw the higher salary until he joins.

His Lordship in Council considers it expedient strictly to maintain this Rule as one of general practice, and that no exception ought to be allowed otherwise than under special circumstances and exigencies of the public service.

His Lordship in Council is further of opinion, that as a general rule, Officers ought not to be appointed to situations for the duties of which they are not immediately available.

When an Officer for the convenience of the public service has been detained by an order of the Government in a situation of inferior emolument after he has been promoted, in such case the practice under the Bengal Presidency is to pass to him the higher salary of his new appointment, during the period of his being so detained. This exception to the Rule XVI corresponds with the exception provided for in Rule XX under the Chapter for Deputation Allowances, in which it is declared that no Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, but that the prohibition does not apply to the case of an Officer who may be deputed for special reason to act in an office of inferior emoluments to his own.

In order to ensure uniformity of practice at all the Presidencies in the application of Rules XIV, XVI and XVII, it is hereby explained that Rule XIV refers to the appointment of Civil servants previously not holding any permanent situation, such as Servants for the first time appointed to a fixed situation after their return from furlough.

These Servants are entitled under Rule XLV to the allowances of their new office from the day of appointment, provided they do not come under forfeiture by exceeding the time prescribed for joining their station.

And Rules XVI and XVII are to be construed as applying to cases where there is a change of office, with increase of salary, a special course being prescribed with regard to Junior Civil Servants; they under Rule XVI are authorized to draw the salary of Assistants from the date of their being reported qualified for the public service, unless forfeited through delay in joining the station to which they have been appointed.

W. R. MORRIS, Secy. to Govt.

FINANCE.

The Honorable the Governor in Council is pleased to re-publish the following Rules passed by the Government of India; to have effect within the limits of his Presidency from this date:—

FORT WILLIAM.

FINANCIAL DEPARTMENT.

17TH MAY 1843.

The Hon'ble the President in Council, with the concurrence of the Right Hon'ble the Governor General, has revised the Rules published on 29th January 1840 for to grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances. The following Rules will have effect from this date for regulating Deputation Allowances, and the terms on which leave of absence will be given to places situated within the limits of the respective Presidencies, to which the Applicants are attached.

Sec. VI. (Amended.) Civil Servants absent from their Stations under Medical Certificate, within the limits of their respective Presidencies, shall be entitled to the Salaries of their Offices for the period of two years, subject to a deduction of $\frac{1}{2}$ for the whole term of such absence, save and excepted that for the first year; if the Salary be not more than 500 Rupees per mensem, no deduction shall be made, and if it be only so much more than 500 Rupees that the prescribed deduction of $\frac{1}{2}$ would reduce the allowance below that sum, only the excess beyond Rupees 500 shall be deducted, but for the second year, the full deduction shall be in force. An absent Servant, whether Civil or Military, shall in no case retain any Civil Office or employment, nor be permitted to draw any portion of Official Salary for a longer period than two years, but a Civil Servant who may, on account of sickness duly certified, obtain an extension of leave beyond two years shall, if his period of actual residence be less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also shall be forfeited. The period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. XI. (Amended.) The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for for one month in each year without deduction from the Salaries and Emoluments drawn by such Servants, such leave however will only be granted when the Government is satisfied that no inconvenience or expence will arise from the departure of the Officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave. *See also notification of 18th Sept. 1841. Page 53.*

Sec. XII. (Amended.) The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding a Civil Office, special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction the Absentee, if a Civil Servant, shall for the period in excess draw no more than one half of his Salary and Allowances of any Civil Officer to which he may stand appointed as added to the Military Pay and Allowances which he may be entitled to draw shall equal to one-half of his entire Military and Civil emolument. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the Absentee shall be become vacant.

Sec. XIII. Is rescinded.

Sec. XVIII. (Amended.) The sum of Company's Rupees 52,200 per annum having been fixed under the orders of the Court of Directors as the Maximum Salary of Civil Office for the Offices of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary allowance, in consideration of the necessary expenses of their position, will in all cases of absence be treated in respect to deductions as drawing only the Allowance thus limited, and the excess above the monthly salary yielded by that annual sum, shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer performing the duties to meet the necessary expenses of his position.

NOTE.—This rule will equally apply in case of a Political Resident taken a leave of one month for which in other cases he would suffer no deduction.—The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Sec. XIX. (Amended.) Deputation Allowances shall be granted to Civil Servants temporarily performing the duties of an Office according to the following rates, and subject to the limitations and conditions hereinafter laid down.

NOTE.—Military persons acting for other Military persons Civil Office will, as in the case of Staff, draw half the difference between the incumbent's Military Allowances and the consolidated Civil salary as at present, that is, will draw the amount retrenched from the Absentee, but when acting for a Civil Servant, they will draw at the rates and under the same rules as Civil Servants.

Bombay Castle, 12th March 1845.

The following extract from amended Regulations which have been passed by the Hon'ble the Governor in Council, in respect to the instruction and control of the Junior Members of the Bombay Civil Service, is published for general information.

1. Immediately on the arrival of a Junior Civil Servant, a Committee will be appointed to test the progress made by him at Haileybury in the study of the Oriental languages and the result of such examination will be reported for the information of the Hon'ble the Court of Directors.

2. No Junior Civil Servant shall in future be employed in the Public Service until he shall have passed in two of the Native languages of which Hindoostanee shall be the first and Mahratta, Goozerathee or Canarese the second.

3. The examinations at the Presidency shall be held on the 10th of January, the 10th of May, and the 10th of October, but occasional and intermediate examinations will be allowed on Students applying for them,

and to obviate the necessity of young Civilians, who may be permitted by Government to reside and prosecute their studies in the interior, being obliged to repair to the Presidency, special Committees shall be appointed for their examination at outstations.

4. The Government will determine in each case whether the young Civilian shall remain at the Presidency or shall proceed at once into the interior; at the Presidency he shall be placed under the control and superintendence of the Chief Secretary, and in the Mofussil of the Collector of the District.

5. In order to ensure the employment by Junior Civil Servants of properly qualified Moonshees or Pundits, no student shall employ any Pundit or Moonshee who has not obtained certificates of qualification from the Oriental Translator to Government, and every student shall be required to state in his monthly abstracts that he has been attended by a Pundit or Moonshee (as the case may be) possessing the requisite certificate.

6. The allowance to a student on his arrival in Bombay shall in future be Rs. 200 per mensem, until he attains a competent knowledge of one of the Native languages, when he shall receive an additional allowance of Rs. 50 per mensem. He shall also have Rupees 30 for a Moonshee, and if residing at the Presidency Rs. 80, or if in the Provinces Rs. 40 for House rent. The allowance for Moonshee, and House rent, is not however to be continued for a period exceeding fifteen months, and is in every case to cease on the student being declared qualified for the public service, when he shall be entitled to Rupees 400 per mensem, whether he be posted to an office or not; an unposted qualified Student, however, if desirous of obtaining a higher degree of proficiency, or acquiring additional languages, may, at the discretion of Government, have the allowance for a Moonshee continued for a reasonable period, while he is not holding any appointment, and is devoting himself exclusively to study.

7. The period for the acquirement of the requisite qualification for the public service, by proficiency in two of the Native languages, shall in future be limited to fifteen months, on the expiration of which, the rank of the young Servant shall cease, until he passes the requisite examination; but Government, with reference to the circumstances of each case, will retain the discretionary power to grant such further extension as shall not exceed on the whole six months, in addition to the fixed period allowed; after which, should the Student fail to qualify himself he shall be finally removed from the service, and a passage to England shall be found for him on application, at the public expense."

The above rules are not to apply to Civilians of a term of which any one member had arrived in Bombay on the 28th January last.

GENERAL DEPARTMENT.

The following Absentee Regulations, established by the Government of India, and approved by the Hon'ble the Court of Directors, are declared applicable to this Presidency, and are republished for general information :—

FORT WILLIAM.

FINANCIAL DEPARTMENT.

THE 29TH JANUARY, 1840.

The following Rules for the grant of leave of absence, and for regulating deductions from salaries and deputation Allowances having been approved and passed by the Honorable Court of Directors, are published for general information; and will take effect in all the Presidencies, Settlements and Stations under the Government of India, from the date of the arrival of the *Gazette* containing them, in respect to all leaves of absence granted after that date. The notes show the interpretation put by the Council of India upon the rules in their application, to cases not specifically mentioned.

Note.—All the Sections marked thus are the amended Sections passed by the Government of India on the 17th May 1843.

Rules for Application* for leave of Absence and for fixing the local limits within which it may be granted.

Section I. No leave of absence from any office or station can be granted but by the Government of the Presidency under which the employment is held, and the application of the party requiring such leave, saving in such cases as may hereafter be specially excepted, must be made publicly through the regular channel in the Department to which the applicant may belong.

Note.—This rule must be considered as superseding the rule under which Commissioners of the Revenue and other Officers have heretofore been allowed to grant leave of absence in Bengal.

Sec. II. The Official allowances of the holder of a civil office quitting his station without leave will entirely cease from the date of his quitting until his return, or in the event of his subsequently obtaining leave to the date of such leave being granted to him.

Sec. III. No leave of absence shall have any retrospective effect except in cases of severe illness, to be attested by a medical certificate, conforming in every respect to the directions contained in Section V.

The leave with retrospective effect referred to in this section, is leave extending to absence antecedent to the permissions of the Government—that is to absence in anticipation of original leave without the excuse of sickness. Vide Resolution of the Government of India dated 14th April 1841.

Sec. IV. Upon application duly made, the Government of each Presidency may grant leave of absence to any place or places in the Continent of India, whether within the Territories subject to the Government of the East India Company or not, to any Civil or Military Servant holding a civil appointment, subject to all the conditions prescribed in the rules that may be applicable to his case. Upon similar application the Government of each Presidency may also grant leave to such persons subject to the like conditions, to proceed to the Island of St. Helena, the

Colony of the Cape of Good Hope, or to any place situated between the 38th Degree of North Latitude and the 50th Degree of South Latitude, such place being likewise between the 30th and the 180th Degrees of Longitude East of Greenwich, excepting however any Islands in the Mediterranean or Levant, and excepting all places within the said Geographical limits which may form part of Europe. Provided also, that if at any time the Government of India shall deem it expedient to exclude any place or places within the limits above described from the operation of these rules, such exclusion shall be officially communicated to the subordinate Governments, and all leave subsequently granted shall be regulated accordingly. A Servant passing the limits herein prescribed will incur the immediate forfeiture of his office or employment, and of all official allowances whatever from the date of his quitting India.

CHAPTER II.

Rules for sick leave.

Sec. V. When an application for leave of absence is made on the ground of ill health, it must be accompanied by a certificate from the Medical Officer by whom the applicant has been attended, distinctly stating from personal observation, the nature of the disease, the symptoms by which it is manifested, the period during which it has existed as far as the knowledge of the Medical Officer extends, and the necessity for temporary removal to some other place, either within the Territories subject to the Government of the East India Company or beyond them, but within the limits laid down in Section IV. as the case may be; and such certificate must be submitted to the consideration of the Medical Board, and if satisfactory, shall be countersigned by one of its Members. An application for an extension of leave must, if the applicant be in India, be accompanied by a certificate from the Medical Officer by whom the applicant is attended, shewing sufficient reason for the extension solicited, and such certificate like the former must be examined and countersigned by a Member of the Medical Board. If the applicant shall have proceeded beyond the Territories under the Government of the East India Company, he must furnish a certificate to the required effect from a Surgeon or Physician at the place of his temporary residence by whom he has been attended, such attendance and the period of it to be stated, and the certificate to be countersigned by the principal Medical Authority of the Colony or

In explanation and modification of this section, the Governor General in Council is pleased to resolve, that in cases of extreme urgency, which owing to the distance of the residence of the Medical Board, preclude the previous reference to that authority, the certificate of the medical attendant required from applicants for leave of absence on account of ill health, shall be submitted by them for the consideration and countersignature of the Superintending Surgeon of the Division, or of the nearest Division, which Officer, in these cases, will be responsible for the prescribed regularity of the certificate, instead of the Medical Board. Vide Resolution by the Government of India dated 24th June 1840.

In all cases where leave is applied for on account of ill health by officers subject to the provisions of the Civil Absentee Regulations, a duplicate of the Medical Certificate must be forwarded with the application; the original, with the statement of the applicant's case being transmitted by the Medical Officer giving the certificate, direct to the Medical Board who will immediately hand it up to Government with, if approved, the countersignature of one of the Members, or if disapproved with the observations of the Board. Vide Notification by Bombay Government dated 27th January 1846, cancelling that of 17th June 1841.

Applicants for sick leave must not leave their stations without previous permission obtained from Govt. except in cases of absolute necessity vide Notification Bombay Govt. dated 22nd February 1842.

Country. When any of the required particulars are neglected leave will be refused.

A locumtenens is not entitled to any higher allowances in the event of the party, absent on sick leave for whom he is acting vacating the appointment, and in the event of his succeeding thereto the higher allowance to commence from date of appointment. Vide Notification by the Govt. of India dated 17th Augt. 1842.*

Sec. VI. Civil Servants absent from their stations under medical certificate will be entitled to the salaries of their respective offices, subject to the following deductions. If the salary exceed Rupees 2,000 per mensem, one-sixth for the first year and for the second year, one-fourth. If the salary do not exceed Rupees 2,000 per mensem, one-eighth for the first year, and one-sixth for the second. But if the salary of office be not more than Rupees 500 per mensem, no deduction shall be made for the first year; and if it be only so much more than the prescribed deduction of one eighth would reduce the allowance below Rupees 500 per mensem, only the excess beyond Rupees 500 shall be deducted. For the second year the Absentee shall become liable to the deduction of one-eighth. An absent Servant shall in no case retain any office or employment, nor be permitted to draw any portion of official salary for a longer period than two years, but a Civil Servant who may on account of sickness duly certified, obtain an extension of leave beyond two years, will, if below the rank of a Senior Merchant, be allowed to draw the subsistence allowance of a Junior Merchant, and if a Senior Merchant, the subsistence allowance of his rank, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also will be forfeited. The period of absence shall be computed from the date at which the Absentee shall quit the limits of the Territories subject to the Presidency to which he may belong, to the date of his return within such limits, or if he shall proceed beyond Sea from the date of his embarking at any place or port in India which is not more distant from his station than the ports of his own Presidency, but if the place to which he shall proceed shall be within the Territories subject to such Presidency, his period of absence shall be computed from the date of his quitting his station to the date of his return thereto. *Vide amended section passed 17th May 1843, Page 50.*

Sec. VII. Civil Servants absent on leave on account of sickness, duly certified, if they proceed to England without returning to their Presidency, may as heretofore, apply to be admitted to Furlough by the Honorable the Court of Directors, and the Furlough in such cases will take effect from the date of leaving their Presidency, consequently the allowances of office that may have been drawn by themselves or their Agents after their departure, must in that case be re-adjusted, and the difference refunded.

* A Civil Servant drawing compensation salary in lieu of an appointment abolished, and holding no permanent appointment, is entitled to no deputation whatever for officiating in any appointment in which his services may be temporarily employed, pending his confirmation in a new office, vide Hon'ble Courts Despatch No. 8 dated 4th June 1845, and Govt. of India's letter No. 1371 of 26th July 1845, Finance Dept.

Sec. VIII No. second leave will be granted to any Civil or Military Servant holding a civil appointment who has been absent under the above rules for two years, until three at the least shall have passed after the date of such Servant's return, but if such Servant is compelled by sickness again to absent himself from this station within three years after having been absent under the above rule for less than two years, he will be allowed to complete that period, subject to the limitations and conditions heretofore prescribed, drawing the proportion of salary allowed for the remaining time as if the leave had been continuous.

A second leave of this kind cannot be granted until three years at the least shall have passed after the date of such servant's return, but any time short of two years in a previous absence may be subsequently allowed in completion of two years. The Note attached to section VIII. specifies that this Rule applies to all descriptions of leave on account of health excepting those granted under section XII. vide Resolution of the Govt of India dated 14th April 1843.

After two years of absence, continuous or accumulated, under these Rules if a servant obtain leave of absence on sick certificate before an interval

* An absentee servant shall in no case retain any office or employment nor be permitted to draw any portion of official salary, for a longer period than two years.

has passed of three years, he cannot retain office or employment, or any portion of official salary, but he is entitled to the subsistence allowance of his rank. The rule in section VI., if literally interpreted, would require the servant returning from beyond Sea, whose full period of two years has been expired between the date of his embarkation, and the date of his return within the limits of his Presidency to be re-appointed to his Office. For the time spent in joining his station in excess of two years, he is entitled to draw only the subsistence allowance of his rank.

It is not provided that in cases in which the full period of two years absence is composed of accumulated leaves, the intervals of time passed in the performance of duty shall be reckoned in part of the three years which must expire before a servant is eligible to a new series of leave.

But if this were not allowed, the operation of the Rule might be unintentionally severe on a servant, whose health should compel him to obtain leave of absence for a portion of the two years, say for only a month at the extremity of the three years after the date of his return, the same servant having been already absent for 23 months either all at once, or his absence at different times having accumulated to 23 months: it would not have been intended by the Rule that after 35 months of duty being entitled to one month on the account of the old score, a new series of leave or a single instance of leave on sick certificate should not be obtainable for three years from the expiration of that one or 36th month.

The Rules do not prescribe any different rate of deduction from allowances during absence on sick certificate within the Territories of the East India Company, and during similar absence at the Cape of Good Hope, or within the limits out of the Territories of the East India Company, declared in Section IV. But they fix the computation of the servant's absence beyond the Presidencies to be from the date of leaving to the date of returning to the Port of his Presidency.

The Rules provide sufficiently for the audit of his allowances after two years' absence beyond Sea, until the servant re-joins his station, but they do not specify what rate of deduction is to be made from the Absentee's allowance for the time elapsing after departure from station and before embarkation. This therefore has required to be provided for by a new Regulation, or by some exposition of the existing rules.

The Rule that admits of an absence of two years, enables a sick servant to reside sufficiently long in another climate under ordinary circumstances to re-establish his health; for which object that protracted absence is permitted, when certified to be necessary. Forfeiture of appointment therefore, does not take place till a full two years have tran-

aspired between embarkation and return to Port. If the latter part of the section VI. be taken to computation of absence as respects appointment, the course of the audit will be easy: For two years reckoning from the departure from station, to return to station, the deduction will be as laid down at the commencement of the section, and for any excess whether occasioned by the time elapsing before embarkation or after return to port until return to station, the servant will be entitled to subsistence allowance without losing his appointment. Vide Resolution of the Govt. of India dated 14th April 1843.

Sec. IX. Military Officers employed in the Civil Department and drawing a Civil allowance may obtain leave under medical certificate on precisely the same conditions as Civil Servants, except as to allowances. Such officers in common with those holding staff situations in the Military Department will draw the Military Pay and Allowances of their rank while absent on leave under medical certificate, in the form and manner prescribed in General Orders in the Military Department, and likewise one-half of the difference between such allowances and the civil pay of the offices to which they stand appointed.

Sec. X. Civil or Military Servants holding civil appointments who may desire to avail themselves of the benefit of the Act I. Vic. Cap. 47. and to draw their allowances while absent on account of sickness under the above rules, will be required to give security in such amount and form as may be fixed by the Government for the refund of any excess that may be drawn, either by the Agents at the Presidency or by themselves, in case of their proceeding to Europe on Furlough or otherwise coming under retrenchment.

Sec. XI. The Government of each Presidency may grant to Civil or Military Servants holding civil appointments leave of absence for one month in each year without deduction from the salaries and emoluments drawn by such Servants. Such leave however will only be granted when the Government is satisfied that no inconvenience will arise from the departure of the Officers seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave, but Servants, not availing themselves of the indulgence in any one year may obtain, under the like conditions, leave of absence for two successive months, to commence at or after the expiration of 22 months from the termination of their former leave, and if two years elapse without enjoyment of the privilege, leave for three months may in like manner be granted at the expiration of 33 months from the termination of the last preceding leave. But no leave shall be granted under this rule for any period exceeding three months. If an Officer shall not return at the expiration of the period of leave granted him under this rule, he shall, if absent on private affairs, be subjected to the deduction of one-third of his salary and allowances for the entire term of absence, and if he shall continue absent for more than one month beyond the term granted, his office shall become vacant. If his protracted absence be occasioned by sickness, the case must be determined under the provisions of Chapter II. *Vide amended Section passed 17th May 1843, P 50.*

The design of this Rule is to grant one month's leave of absence without loss of Salary to the Servant who is present at his duty for the period, specified; vide Resolution of Govt. of India dated 14th April 1844.

If in consequence of sickness a Servant exceeds the leave of absence granted to him under this Section he must be considered absent under the provisions of Chapter II. for the whole time of such absence, and the orders that would be passed on his Medical-certificate application must be in conformity to those provisions and take effect for the whole period of absence; vide Bombay Govt. Notifications 8th June 1841. and 14th August 1844.

Leave under this Section will be granted on private affairs only and not on medical certificate, vide Bombay Govt. Notification 24th April 1844. Para. 2nd.

Sec. XII. The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding Civil

Office special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction, the Absentee, if a Civil Servant, shall for the period in excess draw no more than one-half of his Salary and allowance, and if a Military Officer, only so much of the Salary and Allowances of any Civil Office to which he may stand appointed, as added to the Military Pay and Allowances which he may be entitled to draw shall equal one-half of the emoluments of such civil office. After an absence of three months (exclusive of any period which may be granted under Sec. XI.) any Office held by the Absentee shall become vacant. No second leave under this rule can be granted until after the expiration of five years from the termination of the former leave, and the Government is specially to report each case with all the attendant circumstances to the Court of Directors. *Vide amended Section passed 17th May 1843 P. 50.*

CHAPTER IV.

Rules for leave preparatory to embarkation and for joining Stations.

Sec. XIII. Rescinded by the Resolution of the Govt. of India 17th May 1843 Vide Page 51.

Sec. XIV. There shall be allowed to Officers appointed to any new office, the periods of one month, two months or three months for joining accordingly, as the distance may not exceed 300 or 600 miles, or be in excess of the last mentioned distance. Officers not joining their station within the said period respectively shall forfeit their salary for the time delayed in excess of the above periods, and if such excess shall exceed one month, the office shall be vacated unless otherwise specially ordered by Government.

This rule refers to the appointment of Civil Servants previously not holding any permanent situation who under this rule are entitled to their allowances from the date of appointment provided they join their stations within the prescribed period. Vide Resolution of the Govt. of India dated 16th June 1841. Page. 47.

Sec. XV. Upon the first appointment of any Civil Servant who shall be reported qualified for the public service, by the examiners appointed by the Government to any civil situation, there shall be allowed for travelling expenses to the station an allowance at the rate of 8 Annas per mile by the direct Post-road according to the Polymetrical Tables of the Post Office, the bill for which allowance will be passed by the Civil Auditor after the Officer shall have joined the station; if required in advance, an order of the Government shall be necessary.

Sec. XVI. The salary of office will be payable from the date only of the Officer joining, but in the case of junior Civil Servants, the salary of Assistants will be payable from the date of their being reported qualified for the public service, unless forfeited under the preceding rules through delay in joining the station to which they may be appointed.

This rule applies to cases where there is a change of Office with increase of Salary. Vide Resolution of the Govt. of India dated 16th June 1841.—Page. 47e

Sec. XVII. In case of a change of Office when an Officer is appointed to a higher situation, he shall not draw the higher salary until he joins. For the period occupied in travelling, the Rule No. XIV. regulating the time and distance for joining stations shall be applicable, and the officer will, for the periods allowed in that rule respectively, draw out of the salary of the office he is about to join, a sum equal to that of his previous situation.

NOTE.—This rule is only applicable to Civil Servants—Military Servants drawing as in the case of Staff situations, no civil salary from the time of leaving one office till the date of joining the other.

CHAPTER V.

Rules for Deputation allowances.

Sec. XVIII. The sum of Company's Rupees 52,200 per annum have been fixed under the orders of the Court of Directors as the maximum

salary of civil office for the Offices of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary allowance in consideration of the necessary expences of their position, will in all cases of absence be treated in respect to deductions as drawing only the Allowance thus limited, and excess above the monthly salary yielded by that annual sum, shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer performing the duties to meet the necessary expences of his position. *Vide amended Section passed 17th May 1843. P. 51.*

NOTE.—This rule will equally apply in case of a Political Resident taking a leave of 3 months for which in other cases he would suffer no deduction. The excess above the maximum monthly salary will in that case be enjoyed by the person in charge.

Sec. XIX. Deputation Allowances shall be granted to civil servants temporarily performing the duties of an office according to the following scale, and subject to the limitations and conditions hereinafter laid down.

To civil servants out of employ.

When the salary of the Office does not exceed	Per mensem.	
Company's Rupees..... 800	400	which deputation allowance shall be in excess of any subsistence* allowance of the Civil or Military Officer according to his rank.

Exceeding..... 2,900	— " — 375	— " — 525	

A Civil Servant acting for another will have no claim to Commission or Fees, where any such sources of emolument exist. These will be regarded as forming part of the income of the Officer to be relieved, subject to the prescribed deductions. The grant of special allowances of allowances to Commissioners, and other Officers of Districts or Assistants when employed on settlement or special police duties, will be regulated by a supplemental set of rules. *Vide amended, Section passed 17th May 1843. P. 51.*

NOTE.—Military persons acting for other Military persons holding civil office, will, as in the case of staff, draw half the difference between the incumbent military allowances, and the consolidated civil salary as at present, that is, will draw the amount retrenched from the absentee, but when acting for a Civil Servant they will draw at the rates of this table; and under the same rules as Servants.

* **NOTE.**—The Subsistence (or Dewanee) allowance is as follows:

Writer and Factor.....	Rs. 162	0	0	per mensem
Junior Merchant.....	244	0	0	Ditto.
Senior Merchant.....	325	0	0	Ditto.

Sec. XX. No Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, and if the amount of the deputation allowance according to the prescribed scale added to the permanent emolument of the officiating Servant would exceed the emoluments of the office in which he is temporarily acting, the excess shall not be drawn. But this provision shall not apply to the case of any Officer deputed for special reasons to act in an office of inferior emolument to his own. In cases where an Officer holding two appointments on being deputed to officiate for another, shall be relieved only from one, he shall receive no deputation allowance, unless the emoluments of the office in which he is deputed to act, exceed the united emoluments of his permanent appointments and in that case the deputation allowance shall be limited to the difference.

Sec. XXI. No Subordinate Officer acting for his Principal or for any other person holding a superior appointment in the same Office or Establishment, at the same Station, shall be entitled to any Deputation Allowance until after the expiration of three months, and then the Allowance is not to be drawn in arrear. But a Servant previously out of employment, or who may be deputed to act from a different Station, shall be entitled to Deputation Allowance from the date at which he may enter upon the discharge of the duties to which he has been temporarily appointed. *Vide amended Section passed 17th 1843. P. 51.*

The period of one month required by this section for a subordinate to act for his principal, or for any other person holding a superior appointment in the same Office or Establishment without being entitled to any Deputation allowance, shall be held to apply to those cases only where the superior Officer is absent with leave under section XI. the President in Council of India having been pleased to allow that the one month without deputation specified in this section shall be held to be designed as an offset against a corresponding leave of one month granted under section XI to a superior Officer, free from deduction of allowances, in which case his subordinate in the same Office if placed in charge for him must hold that charge without remuneration, officers therefore acting for their superiors absent on sick certificate or on duty will be entitled to extra allowance from the date of receiving charge, vide Bombay Govt. Notification 24th April 1844.*

A Subordinate Officer is not required to act for his Superior without extra remuneration for more than one month in any one year, whether that month be consecutive or made up of two or more broken periods.—Letter from Govt. of India 20th Sept. 1845.

Sec. XXII. A Civil Servant out of employment, if deputed to act at a distance, and civil servants having permanent emoluments, who may be so deputed, and who may be restricted by any provision in those rules to the allowance of their own office, shall be permitted to draw travelling allowances at the rate sanctioned in the case of a first appointment. When the entire sum received as deputation allowance may fall short of the which, according to the distance would be allowed for travelling expenses, the difference may be drawn. In all cases of absence under medical certificate, and in cases of absence on private affairs, when the absent Officer shall not be subject to deduction, such payments shall be made, at the charge of the Government. *Vide amended Section passed 17th May 1843. P. 51.*

CHAPTER VI.

Rules for Chaplains and Assistant Chaplains.

Sec. XXIII. Chaplains and Assistant Chaplains may, under medical certificate, obtain leave of absence, subject to all the deductions, conditions and limitations prescribed in the case of civil servants, but no Chaplain or Assistant Chaplain can be permitted to draw any allowance, when his period of absence shall have exceeded two years.

* The rule is to apply to all cases without reference to the cause of absence of the Superior Officer, vide Government Notification 17th September 1845. Page 54.

Sec. XXIV. The Government of each Presidency may grant to Chaplains and Assistant Chaplains special leave of absence on private affairs, but if such absence shall exceed the period to which the Absentee may be entitled under the following Rule, they shall for the period in excess be subject to the deduction of one half of their Allowances, and after an absence of six months (in addition to any leave granted under the succeeding rule) all allowances shall be discontinued. *Vide amended Section passed 17th May 1843. P. 52.*

Sec. XXV. Leave of absence for one month in each year, or for two or three months as the case may be under the principle sanctioned in Section XI, may be granted to Chaplains or Assistant Chaplains by the Bishop of the Diocese, or when the Diocese may be vacant (but not otherwise,) by the Archdeacon or other Ecclesiastical functionary performing the duties of an Archdeacon or Commissary; and such leave being consistent with the rule will be recognized by the Civil Auditor after it has been published in the *Government Gazette* of the Presidency with the authority of Government. Information of every leave so granted by the Bishop or other Ecclesiastical Officer above mentioned, shall be immediately transmitted to the proper Secretary to Government, for the purpose of notification in the *Gazette*. *Vide amended Section passed 17th May 1843. P. 52.*

Sec. XXVI. For embarkation on furlough, or sick leave, or with the intention of retiring from the service, Chaplains and Assistant Chaplains are entitled to the benefits of Sec. XIII. on the same conditions on which they are enjoyed by civil servants. *Rescinded, vide rules passed 17th May 1843. P. 52.*

Sec. XXVII. On joining a station in the interior after arrival in India, a Chaplain or Assistant Chaplain will be allowed the same rate of travelling charges, and be subjected to the same rules in respect to joining his station, as a civil servant. On any subsequent transfer from one station to another, the same allowance will be made if the transfer takes place not at the desire of the Chaplain removed, but by order of Government.

Officers of the Assay Department.

Section XXVIII. The Assay Master and Deputy or Assistant Assay Master of any Mint in India may obtain leave of absence under Sick Certificate, or on private affairs, subject to the conditions in the rules forming Chapters I. to V. The Absentee if in the enjoyment of any Military pay or allowance will, during his absence, be subject to the deductions prescribed in the case of Military Officers holding civil employments. If not a Military Officer, the Absentee will be subject to the same deductions as a civil servant under similar circumstances, but no Officer of the Assay Department can be permitted to draw any portion of salary for a longer period than two years, if absent under Sick Certificate, nor for a longer period than three months if absent on private affairs. *Vide Amended Section passed 17th May 1843. GENERAL DEPARTMENT.

The Hon'ble the Governor in Council is pleased to publish the following letter from the Hon'ble the Court of Directors, dated the 4th September 1840, and directs, that each civil servant returning to Europe under the Absentee Regulations or on Special Leave, apply to the Secretary to the Government in the General Department for a copy thereof for his guidance.

Para. 1. We have to acquaint you that, we have adopted the following Regulations with respect to the grant of extensions of leave to Members of the India Civil establishments repairing to this country under the absentee regulations, or on special leave of absence, viz :—

That civil servants coming to England under the absentee regulations or on special leave shall immediately on their arrival, report themselves with their address, by letter to our Secretary, forwarding at the same time the certificates which they received in India.

That in all cases of leave, civil servants be required to join the Establishment to which they belong at the expiration of the term for which leave may have been granted, unless they shall have obtained an extension of it from us six months before the expiration of the said leave.

That extensions of leave will not in future be granted by us except in cases of sickness certified to our satisfaction, or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

That when under any such circumstances a civil servant shall have obtained an extension of leave to a given period, he must at the expiration thereof, apply for, and obtain our permission either to return to his duty, or to reside a further time in Europe, failing in which he shall be liable to be struck off the list of civil servants.

That the Act of the 23rd, Geo. 3rd, Chap. 52 Sec. 70, as it respects civil servants applies only to cases of sickness, infirmity, or inevitable accident, and that no civil servant be hereafter considered eligible to return to the service after 5 years absence, under that enactment, who has failed to obtain from us, agreeably to the foregoing regulations, an extension of leave under the circumstances referred to in the Act.

2. We desire that the foregoing regulations be published for general information, and that each civil servant returning to this country under the absentee regulations, or on special leave, be furnished with a copy for his guidance.

Para. 2nd. We have to remark, that the Absentee Regulations, sanctioned by our dispatch in this Department dated the 31st December 1824 never intended that a Civil Servant having once drawn the furlough allowance of £250 per annum, should be again allowed under any circumstances, to receive an allowance from the Company if he should come to this country a second time before completing an actual residence in India of ten years.

RESOLUTION.

The Governor General in Council remarks, that the Rule referred to No. XVI of the Regulations of the 29th January 1840, requires in case of a change of Office, when an Officer is appointed to a higher situation, that he shall not draw the higher salary until he joins.

His Lordship in Council considers it expedient strictly to maintain this Rule as one of general practice, and that no exception ought to be allowed otherwise than under special circumstances and exigencies of the public service.

His Lordship in Council is further of opinion, that as a general rule, Officers ought not to be appointed to situations for the duties of which they are not immediately available.

When an Officer for the convenience of the public service has been detained by an order of the Government in a situation of inferior emolument after he has been promoted, in such case the practice under the Bengal Presidency is to pass to him the higher salary of his new appointment, during the period of his being so detained. This exception to the Rule XVI corresponds with the exception provided for in Rule XX under the Chapter for Deputation Allowances, in which it is declared that no Civil Servant temporarily officiating for another shall draw an amount larger than the entire emoluments of the office in which he is officiating, but that the prohibition does not apply to the case of an Officer who may be deputed for special reason to act in an office of inferior emoluments to his own.

In order to ensure uniformity of practice at all the Presidencies in the application of Rules XIV, XVI and XVII, it is hereby explained that Rule XIV refers to the appointment of Civil servants previously not holding any permanent situation, such as Servants for the first time appointed to a fixed situation after their return from furlough.

These Servants are entitled under Rule XIV to the allowances of their new office from the day of appointment, provided they do not come under forfeiture by exceeding the time prescribed for joining their station.

And Rules XVI and XVII are to be construed as applying to cases where there is a change of office, with increase of salary, a special course being prescribed with regard to Junior Civil Servants; they under Rule XVI are authorized to draw the salary of Assistants from the date of their being reported qualified for the public service, unless forfeited through delay in joining the station to which they have been appointed.

By order of the Hon'ble the Governor in Council,

W. R. MORRIS, Secy. to Govt.

Bombay Castle, 15th July 1841.

FINANCE.

The Honorable the Governor in Council is pleased to re-publish the following Rules passed by the Government of India; to have effect within the limits of this Presidency from this date:—

FORT WILLIAM.

FINANCIAL DEPARTMENT.

17TH MAY 1843.

The Hon'ble the President in Council, with the concurrence of the Right Hon'ble the Governor General, has revised the Rules published on 29th January 1840 for to grant of leave of absence, and for regulating deductions from Salaries and Deputation Allowances. The following Rules will have effect from this date for regulating Deputation Allowances, and the terms on which leave of absence will be given to places situated within the limits of the respective Presidencies, to which the Applicants are attached.

Sec. VI. (Amended.) Civil Servants absent from their Stations under Medical Certificate, within the limits of their respective Presidencies, shall be entitled to the Salaries of their Offices for the period of two years, subject to a deduction of $\frac{1}{3}$ for the whole term of such absence, save and excepted that for the first year; if the Salary be not more than 500 Rupees per mensem, no deduction shall be made, and if it be only so much more than 500 Rupees that the prescribed deduction of $\frac{1}{3}$ would reduce the allowance below that sum, only the excess beyond Rupees 500 shall be deducted, but for the second year, the full deduction shall be in force. An absent Servant, whether Civil or Military, shall in no case retain any Civil Office or employment, nor be permitted to draw any portion of Official Salary for a longer period than two years, but a Civil Servant who may, on account of sickness duly certified, obtain an extension of leave beyond two years shall, if his period of actual residence be less than 12 years, be allowed to draw the second rate of subsistence allowance, and if the period of such actual residence be 12 years, the highest rate of subsistence allowance, but if he continue absent in disobedience of an order to return, or without sufficient cause shewn, that allowance also shall be forfeited. The period of absence shall be computed from the date of his quitting his Station to the date of his return thereto.

Sec. XI. (Amended.) The Government of each Presidency may grant to Civil or Military Servants holding Civil appointments leave of absence for for one month in each year without deduction from the Salaries and Emoluments drawn by such Servants, such leave however will only be granted when the Government is satisfied that no inconvenience or expence will arise from the departure of the Officer seeking it. No second leave can be granted under this rule until the completion of eleven months from the expiration of the last leave. *See also notification of 18th Sept. 1841.*

Page 53

Sec. XII. (Amended.) The Government of each Presidency may, on sufficient cause being shewn, grant to a Civil or Military Officer holding a Civil Office, special leave of absence on private affairs. Provided however that if any Officer to whom such leave shall be granted shall be absent from his Station for any period exceeding that to which under the last rule he may be entitled without deduction the Absentee, if a Civil Servant, shall for the period in excess draw no more than one-half of his Salary and Allowances of any Civil Officer to which he may stand appointed as added to the Military Pay and Allowances which he may be entitled to draw shall equal to one-half of his entire Military and Civil emolument. After an absence of three months (exclusive, of any period which may be granted under Sec. XI.) any Office held by the Absentee shall be become vacant.

Sec. XIII. Is rescinded.

Sec. XVIII. (Amended.) The sum of Company's Rupees 52,200 per annum having been fixed under the orders of the Court of Directors as the Maximum Salary of Civil Office for the Offices of Government under the situation of Member of Council—Civil and Military Servants holding Office in the Political Department, who may draw larger Allowances than this annual sum as a consolidated personal and sumptuary allowance, in consideration of the necessary expenses of their position, will in all cases of absence be treated in respect to deductions as drawing only the Allowance thus limited, and the excess above the monthly salary yielded by that annual sum, shall remain as a local addition to the usual Deputation Allowance to be drawn by the Officer performing the duties to meet the necessary expenses of his position.

Bombay Castle, 12th March 1845.

The following extract from amended Regulations which have been passed by the Honorable the Governor in Council, in respect to the instruction and control of the Junior Members of the Bombay Civil Service, is published for general information.

1. Immediately on the arrival of a Junior Civil Servant, a Committee will be appointed to test the progress made by him at Haileybury in the study of the Oriental languages and the result of such examination will be reported for the information of the Hon'ble the Court of Directors.

2. No Junior Civil Servant shall in future be employed in the Public Service until he shall have passed in two of the Native languages of which Hindoostanee shall be the first and Marhatta, Goozerathee or Canarese the second.

3. The examinations at the Presidency shall be held on the 10th of January, the 10th of May, and the 10th of October, but occasional and intermediate examinations will be allowed on Students applying for them,

and to obviate the necessity of young Civilians, who may be permitted by Government to reside and prosecute their studies in the interior, being obliged to repair to the Presidency, special Committees shall be appointed for their examination at outstations.

4. The Government will determine in each case whether the young Civilian shall remain at the Presidency or shall proceed at once into the interior; at the Presidency he shall be placed under the control and superintendence of the Chief Secretary, and in the Mofussil of the Collector of the District.

5. In order to ensure the employment by Junior Civil Servants of properly qualified Moonshees or Pundits, no student shall employ any Pundit or Moonshee who has not obtained certificates of qualifications from the Oriental Translator to Government, and every student shall be required to state in his monthly abstracts that he has been attended by a Pundit or Moonshee (as the case may be) possessing the requisite certificate.

6. The allowance to a student on his arrival in Bombay shall in future be Rs. 200 per mensem, until he attains a competent knowledge of one of the Native languages, when he shall receive an additional allowance of Rs. 50 per mensem. He shall also have Rupees 30 for a Moonshee, and if residing at the Presidency Rs. 30, or if in the Provinces Rs. 40 for House rent. The allowance for Moonshee, and House rent, is not however to be continued for a period exceeding fifteen months, and is in every case to cease on the student being declared qualified for the public service, when he shall be entitled to Rupees 400 per mensem, whether he be posted to an office or not; an unposted qualified Student, however, if desirous of obtaining a higher degree of proficiency, or acquiring additional languages, may, at the discretion of Government, have the allowance for a Moonshee continued for a reasonable period, while he is not holding any appointment, and is devoting himself exclusively to study.

7. The period for the acquirement of the requisite qualification for the public service, by proficiency in two of the Native languages, shall in future be limited to fifteen months, on the expiration of which, the rank of the young Servant shall cease, until he passes the requisite examination; but Government, with reference to the circumstances of each case, will retain the discretionary power to grant such further extension as shall not exceed on the whole six months, in addition to the fixed period allowed; after which, should the Student fail to qualify himself he shall be finally removed from the service, and a passage to England shall be found for him on application, at the public expense."
