PREFACE

This is Vol. III (R-Z) of the Catalogue of Sanskrit, Pali and Prakrit Books added to this Library upto the 31st March, 1947. Both in scope and arrangement of the titles *this volume is like Volume I (A-G) and Volume II (H-Q) published in 1951 and 1956* respectively.

The supplement catalogue of the above mentioned languages, added to this Library from 1947 to 1970 is also being compiled for the press.

Volume III was compiled by Shri D. L. Banerjee, the then Deputy Librarian, and the printing routine was supervised by Shri K. B. Raychaudhuri, Shri S. Shankar Sarma, Ex-Assistant Librarians and Dr. R. D. Singh, Assistant Librarian of this language Division.

It is appropriate to mention that Shri Krishancharya, Deputy Librarian in charge of the language Divisions evinced keen interest in its printed form for library readers and scholars.

This Library is also thankful to the Manager and the staff of the Government of India Press, Calcutta, for their co-operation in the matter.
