FOREIGN OFFICE REGULATIONS RESPECTING PASSPORTS.

Applications for Foreign Office passports must be made in the form as printed below, and inclosed in a cover addressed to "The Passport Office, 1 Queen Anne's gate buildings, Dartmouth street, Westminster SW1," or to "The Branch Passport Office, 36 Dale street, Liverpool."

- The charge for a passport is seven shillings and sixpence. Passports are issued in London, between the hours of 10 and 4 (Saturdays 10 to 1), and in Liverpool between the hours of 9.30 and 4 (Saturdays 9.30 to 1). The Passport Offices are closed on Sundays and Public Holidays, except between the hours of 10 a.m. and noon for cases of special emergency only. Passports may be obtained through the post if a postal order for seven shillings and sixpence, which should be "crossed" and made payable to the Passport Office, is forwarded with the application. Cheques, treasury notes or postage stamps should not be sent in payment. Applications should, if possible, reach the Passport Office not less than four days before that on which the passport is required.
- Foreign Office passports are granted—
 - To natural-born British subjects;
 - To the wives and widows of such persons; and
 - To persons naturalised in the United Kingdom, in the British Dominions or Colonies, or in India. The wife of an alien is deemed to be an alien.
- Passports are granted—
 - In case of natural-born British subjects and persons naturalised in the United Kingdom, upon the production of a declaration by the applicant in the form printed (see form opposite), verified by a declaration made by a member or official of any banking firm established in the

United Kingdom, or by any mayor, magistrate, provost, justice of the peace, minister of religion, barrister-at-law, physician, surgeon, solicitor, or notary public &c. resident in the United Kingdom and being himself a British subject. The applicant's certificate of birth and other evidence may also be required. Applicants serving in His Majesty's Forces may have their declarations verified by their Commanding Officer.

- In the case of children under the age of 16 years requiring a separate passport, upon production of a declaration made by the child's parent or guardian, in a form (B.) to be obtained upon application to the Passport Office.
- In the case of persons naturalised in any of the British self-governing Dominions, upon production of a recommendation from the High Commissioner or Agent-General in London of the State concerned. Persons naturalised or ordinarily resident in any of the Crown Colonies may be required to obtain a letter of recommendation from the Colonial Office.
- If the applicant for a passport be a British subject by naturalisation, the certificate of naturalisation must be forwarded to the Passport Office with the declaration or letter of recommendation. British subjects by naturalisation will be described as such in the passports, which will be issued subject to the necessary qualifications.
- British Passports are only available for travel to the countries named thereon, but may be endorsed for additional countries. The possession of a passport so endorsed does not, however, exempt the holder from compliance with any immigration regulations in force in British or foreign countries, or from the necessity of obtaining a visa where required.

7. Passports endorsed as valid for the British Empire are also available for travelling to territory under British protection or mandate, not, however, including Palestine or Iraq, for which countries special endorsements must be obtained.

8. Foreign Office Passports are available for five years from the date of issue, unless otherwise stated. On the expiration of their period of validity, they may be renewed for further consecutive periods of one to five years. In no circumstances are they available beyond ten years from the date of issue. Thereafter, or if at any time the passport contains no further space for visas, application must be made for the issue of a new passport.

9. A passport cannot be issued or renewed by the Foreign Office on behalf of a person already abroad; such person should apply, in a foreign country, to the nearest British Mission or Consulate, or within the British Empire, to the nearest passport issuing authority.

10. Persons resident in the Irish Free State should make application for their passports to the Passport Department, Ministry of External Affairs, Dublin.
