## NOMINATION OF STUDENTS.

*Regulations and Preparatory Instructions.*

No Candidate can be admitted into the College whose age is less than *seventeen* or above *twenty-one* years And no person who has been dismissed from the Army or Navy, or expelled from any place of education, will be nominated to the College

The parents or guardian of every candidate for the college will be required to address the following letter to the nominating Director —

Sir — I beg to assure you, on my honour, that my ———, to whom you have been so good as to give a nomination to the college, has not been dismissed from the Army or the Navy, and that he never has been expelled from any place of education I have the honour to be, &c

Candidates for the college must produce the undermentioned documents, previously to their being nominated as students

An extract from the parish register of their birth or baptism, properly signed by the minister, churchwarden, or elders, and, in addition thereto,

A certificate, agreeably to the following form, signed by the parent, guardian, or near relation

*I do hereby certify that the foregoing extract from the register of baptisms of the parish of ———, in the county of ———, contains the date of the birth of my ———, who is the bearer of this, and presented for a nomination as a student at the East-India College, by ———, Esq; and I do further declare, that I received the said presentation for my ——— gratuitously, and that no money or other valuable consideration has been or is to be paid, either directly or indirectly, for the same, and that I will not pay or cause to be paid, either by myself, by my ———, or by the hands of any other person, any pecuniary or valuable consideration whatsoever, to any person or persons who have interested themselves in procuring the said presentation for my ———, from the director above mentioned*

*Witness my hand, this ——— day of ———, in the year of our Lord ———*

In the event of no parish register existing or to be found, a declaration of such circumstance is to be made before a magistrate to the following effect, viz

*I, ———, presented as a student for the East-India College by ———, do declare, that I have caused search to be made for a parish register whereby to ascertain my age, but am unable to produce the same, there being none to be found; and, further, I declare, that from the information of my parents (and other relations), which information I verily believe to be true that I was born in the parish of ———, in the county of ———, on ——— in the year ———, and that I am not at this time under the age of seventeen, or above twenty-one years*

*Witness my hand, this ——— day of ———, in the year of our Lord ———*

The parent, guardian, or near relation, must then add his certificate as to the truth of the declaration, which must be similar to that ordered to be annexed to the extract from the parish register

The above-mentioned certificate (and declaration, in cases where a declaration shall be required) are to be annexed to the petition to be written by the candidate, and they are to sign a declaration thereon, that they have read these printed instructions. The same declaration is to be signed by the parent, guardian, or near relation of the candidates respectively

Candidates will be interrogated in an open Committee as to their character, connexions, and qualifications, conformably to the General Court's resolution of the 6th July 1809. The nature of this interrogation may be known on application to the Clerk of the College department. And the following Rules and Regulations are to be observed with respect to the examination of Candidates

Each candidate shall produce testimonials of good moral conduct, under the hand of the principal or superior authority of the college or public institution in which he may have been educated, or under the hand of the private instructor to whose care he may have been confided, and the said testimonials shall have reference to his conduct during the *two years immediately preceding his presentation for admission.*

Each candidate shall be examined in the Four Gospels of the Greek Testament, and shall not be deemed duly qualified for admission to Haileybury College, unless he be found to possess a competent knowledge thereof, nor unless he be able to render into English some portion of the works of one of the following Greek authors —Homer, Herodotus, Xenophon, Thucydides, Sophocles, and Euripides, nor unless he can render into English some portion of the works of one of the following Latin authors —Livy, Terence, Cicero, Tacitus, Virgil, and Horace, and this part of the examination will include questions in ancient history, geography, and philosophy

Each candidate shall also be examined in English history and geography, and in the elements of mathematical science, including the common rules of arithmetic, vulgar and decimal fractions, and the first four books of Euclid. He shall also be examined in the first part of Paley's *Evidences of Christianity*

It is, however, to be understood, that superior attainments in one of the departments of literature or science, comprised in the foregoing plan of examination, shall, at the discretion of the Examiners, be considered to compensate for comparative deficiency in other qualifications

The examinations are held at the East-India House, half-yearly, in the months of *January* and *July*

A student publicly expelled the college will not be admitted into the Company's civil or military service in India, or into the Company's Military Seminary

No person can be appointed a member of the Company's Civil Service whose age is less than eighteen or more than twenty three years, nor until he shall have resided four terms at least in the college, and shall have obtained a certificate signed by the Principal of his having conformed himself to the statutes and regulations of the College

On a student's appointment to be a Member of the Civil Service he will be required to attend at the Secretary's Office, East-India House, to make the necessary arrangements for entering into covenant, and for giving a bond for £1000 jointly with two sureties for the due fulfilment of the same, and a legal instrument is to be entered into by some one person (to be approved by the Court of Directors) binding himself to pay the sum of £3000, as liquidated damages, to the Company, for breach of a covenant to be entered into that the student's nomination hath not been in any way bought, or sold, or exchanged for any thing convertible into a pecuniary benefit

The rank of students leaving the college is determined by the certificate of the Principal, which is granted with reference to the industry, proficiency, and general good behaviour of the students

Such rank to take effect only in the event of the students proceeding to India within six months after they are so ranked, whether they proceed *via* Egypt or the Cape of Good Hope.

TERMS OF ADMISSION FOR STUDENTS

One hundred guineas per annum, for each student, a moiety whereof to be paid at the commencement of each term, there being two in the year, besides the expense of books and stationery

Students to provide themselves with a table-spoon, table-knife, and silver fork, also, with not less than two pair of sheets, two pillow-cases, and two breakfast cloths

*(By a Resolution of the Court of Directors of the 16th January 1828, all Cadets at the Military Seminary, and all subsequent nominations thereto, are deemed for general Service until brought forward for public examination.)*

## TERMS OF ADMISSION.

### *Conditions and Qualifications for a Candidate*

1. No candidate can be admitted under the age of fourteen, or above the age of eighteen, years

2 No person can be admitted who has been dismissed, or obliged to retire, from the Army or Navy, the Royal Military College at Sandhurst, the Royal Military Academy at Woolwich, or from any other public institution

3 Every candidate must produce a certificate of his birth taken from the parish register, and signed by the minister, and countersigned by the churchwardens, or, if born in Scotland, by the session's clerk and two elders, accompanied by a declaration from his father, mother, or nearest of kin, the forms of which may be had at the Cadet-office in the Military Department In the event of there being no register of his birth or baptism, the candidate will be furnished with the form of a declaration to be taken by him previously to his being appointed

4 No candidate will be admitted without a certificate that he has had the small-pox, or has been vaccinated; nor without a certificate, in the prescribed form, to be given by two practising surgeons, that he has no mental or bodily defect whatever to disqualify him for military service

5 Every candidate must produce a certificate of good conduct from the master under whom he has last studied

6 Every candidate must deliver the names and addresses of two persons residing in London, or its vicinity, who engage to receive him if he shall be dismissed from the seminary, or removed from sickness or any other cause

TEST OF ADMISSION —7 Every candidate is required to write a good legible hand, and to write English correctly from dictation He is also required to construe and parse Cæsar's Commentaries correctly He must likewise possess a correct knowledge of all the rules of arithmetic usually taught in schools, especially the rule of three, compound proportion, practice, interest, vulgar and decimal fractions, and the extraction of the square root. If a candidate is deficient in any part of the preceding test, his reception into the institution will be deferred for such length of time as the head master shall report to be necessary

8 The qualifications mentioned in the last article are all that are absolutely requisite for the admission of a cadet into the Military Seminary Parents and guardians are however informed that it will be of great advantage to a cadet in his future studies at this establishment if, before being admitted, he make himself

well acquainted with the following portions of the fourth edition of Cape's "Course of Mathematics," in the order in which they are given below, viz:

1. Algebra. Part I.
2. Geometry Chaps I II III and VII
- 3 The use of Logarithms
- 4 Trigonometry Chaps I II and III.
- 5 Statics Chaps I III. and IV
- 6 Dynamics Chaps I II III IV and V.
- 7 Hydrostatics of Hydronamics

It is also very desirable that a cadet on joining the Seminary be able to draw with facility in pencil, and shade with Indian ink

9 Every cadet upon his admission is considered a *Probationary* pupil for the first six months, at the end of which period the public examiner will be required to report to the military committee, on the probability of the cadet being able to pass for the artillery or infantry in the required period of four Terms Should this appear improbable, either from want of talent or diligence, the cadet will then be returned to his friends.

**PAYMENTS, &c.**—10 The parents or guardians of the gentleman cadet are required to pay £50 per term (of which there are two in a year) toward defraying the expense of his board, lodging, and education, also an entrance subscription of £2 2s to the public library; which payments include every charge except for uniform clothes, books, and pocket-money, as hereafter specified

11 The payment of the fixed charges for each term is to be made in advance, and the payment for clothes, pocket-money, and books for the preceding term, is to be made previous to the cadet's return to the Seminary.

12 A cadet entering in a term, at whatever part of it, must pay the regulated sum for the whole term in which he enters, which will count as one of the four terms of his residence, and no return of any portion of the advance will be made in the event of a cadet's quitting the Seminary

13 Such articles of uniform dress\* as may be considered by the military committee to be necessary shall be provided at the cost of the cadet The amount of pocket-money issued to him at the rate† fixed by the rules of the seminary is also to be defrayed by his parents or guardians

14 The following class books will be provided at the public expense, the mutilation or destruction of which to be chargeable to the cadets, viz:

Shakespear's Hindustani Dic- Latin Dictionary  
tionary,

15. The Cadets will, on their first joining Addiscombe, be

\* *Viz* Jackets, waistcoats, stocks, foraging caps, trowsers, half boots, gloves, together with a proportionate share of the expense of any other periodical supplies, and the repairs of the same. The average cost is £7 12s 9d. per term.

supplied with the following books, the cost of which will be charged to their parents or guardians, viz

Shakespeare's Hindustani Gram-	Do	Prosateurs et Poètes

lish Lexicon,	Penley's Treatises on Water Co-	
Contanseau's French Grammar,	lours and Perspective	

Any books not included in the above enumeration, or which may be hereafter required at the seminary, to be paid for by the cadets.

16 Previous to the cadet's admission, his parents or guardians shall furnish him with the following articles, viz

Two strong plated forks with crests or initials, two combs and a brush, twelve shirts (including three night shirts), twelve pair of stockings, six towels, six night-caps, eight pocket-handkerchiefs, one pair of white trousers, a flannel jacket (to be worn when playing at football or cricket), a tooth brush, a Bible and Prayer-book, a case of mathematical instruments of an approved pattern, to be seen at Messrs Frougton and Simms', 138, Fleet Street, and at Messrs Reeves and Sons', 113, Cheapside. NB Each article of dress must be marked with the owner's name in full

PROHIBITION.—17 The cadet must not join the seminary with a greater sum in his possession than one guinea, and a further supply from any of his relations during his term may subject him to dismission from the seminary

VACATIONS.—18 Midsummer commences about the middle of June, ends 31st July.

Christmas commences about the middle of December, ends 31st January

19 Before the close of every vacation, the cadet must apply at the Cadet Office for an order for his re-admission, and all sums then due to the Company must be paid up. This order will express that he is only to be re-admitted upon his returning with the books and instruments which he took home with him, that his linen is put into proper repair, and that he is in a fit state of health to renew his studies

### *Notice to Parents and Guardians.*

The friends of every cadet are hereby informed, that provision being made for furnishing him with every requisite, he cannot really want a supply of money to be placed at his disposal while at the seminary, and if they do notwithstanding think proper to furnish him with money, they put it in his power to commit irregularities, which must always retard his studies, and may eventually lead to his removal from the institution

The parents and friends are further particularly desired not to attend to any application from the cadet for money, under the pretence of his having incurred any debts at Croydon, or else-

where, or for the purpose of subscribing to the public charities, or any other pretence whatever.

It having become known that cadets have been in the habit of writing to their friends for money, under the pretence that there were so many stoppages from their weekly allowance that they had scarcely any money left, the Committee have ascertained that these stoppages have arisen, not only from wilful and wanton destruction of public property, but in a considerable degree from the postage of letters, and the carriage of parcels addressed to the cadets. It has in consequence been ordered, that no letter or parcel shall be admitted into the seminary unless the postage or carriage of such letter or parcel shall have been previously fully paid for by the person sending the same. It has also been ordered that every parcel shall be opened in the presence of one of the orderly officers and the cadet to whom it is sent, that should it contain wine, or any thing prohibited in the regulations, the parcel, upon the first offence, will be returned to the person sending the same, and that upon the second offence, the cadet will be ordered home, and will not be re-admitted until a written apology has been sent to the Committee by the person who has committed a breach of this regulation.

*Extract from the Standing Regulations of the Seminary.*

“No professor, master, or other person in the institution, shall receive from the cadet, or the parents or friends of any cadet, any pecuniary present or consideration, on any pretence whatever.”

**MEMORANDA.**

The gentlemen cadets educated at the Military Seminary are eligible for the corps of engineers, artillery, and infantry. Admission to the two first of these branches, viz the engineers and artillery, is only to be obtained by these cadets, none others being eligible. Those who are most distinguished are selected for the engineers, according to the vacancies in that branch. Those immediately following in order of succession are promoted to the corps of horse and foot artillery.

Those cadets for whom there is no room in the engineers, but who are reported to have attained to a high degree of qualification, receive honorary certificates, and their names are announced to the governments in India, and published in general orders to the army, as meriting particular notice. They have the privilege of choosing the presidency in India to which they shall be stationed. The cadets not appointed to the engineers or artillery are, when reported qualified, posted to the infantry, and rank together according to the rank which they obtained at the seminary.

The gentlemen cadets may pass through the seminary as rapidly as their attainments and qualifications will enable them to pass after a year's residence, provided that they are of the age of sixteen years on or before the day of their final examination. Their stay at the institution is limited to four terms, and all the time passed by them at the institution after they attain the age of sixteen counts as so much time passed in India in calculating their period of service for retiring pensions on full pay.

Such persons are eligible for the appointment of cadet in the Company's service, provided their age does not exceed twenty five years. [A commission in the Guernsey Militia, or in any other corps similarly circumstanced, is not a qualification. (Resolution of Court, 3rd April, 1844) ]

A candidate who has been so employed must produce his commission, together with a certificate from the War Office or Commanding Officer of his regiment, of his having actually joined and done duty with the regiment for the full term of one year and upwards, and that he was neither dismissed nor resigned his regiment in consequence of any misconduct.

No person who has been dismissed or obliged to retire from the Army or Navy, the Royal Military College at Sandhurst, the Royal Military Academy of Woolwich, or from any other Public Institution, on account of immoral or ungentlemanly conduct, can be appointed a cadet.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave from the court, six months before the expiration of that period No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned, or in cases, in which it shall be proved to the court that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Company's examining physician, Dr. John Scott, 13, Stratton-street, who will report to the Court of Directors his opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, *viz.*—

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo III cap 52, sect 70.

Every officer upon leaving India will receive a printed copy of the General Order on this subject, published agreeably to the court's instruction, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them, officers, therefore, who shall come home on furlough and who shall not in due time apply, so as to effect their return to the presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted by the court to remain a further time in Europe.

1st The subscribers to the Bengal Civil Service Annuity Fund are the covenanted civil servants upon the Bengal establishment. They shall continue as long as they remain in the service, to contribute for the purposes of the Fund, four per cent of their salaries and all other public emoluments whatever (travelling allowance alone excepted)

2nd The annuities are fixed at 10,000 sicca rupees payable in India, or £1,000 sterling payable in England. In discharge of each annuity payable in England, the sum of £1,000 sterling shall be paid to the annuitant through the Company's treasury in London, the managers of the Fund undertaking to pay over to the Government of Bengal 10,000 sicca rupees for every year's annuity so paid.

3rd Those subscribers only shall be qualified for annuities of the amount aforesaid, who have served in the civil service twenty-five years, and actually resided twenty-two years in India.

4th The annuities of each year shall commence with the 1st of May, and shall be payable quarterly at the close of each quarter, and to the date of the annuitant's decease.

5th The number of annuities assignable on account of each year from the 1st of May, 1851, shall be ten, and they shall be available, subject to the provisions of the following rule, to all qualified subscribers, according to their seniority in the gradation list of the service as fixed by the Court of Directors. But if any subscriber having become qualified for an annuity, shall retire from the service before the option of an annuity may devolve upon him, he shall nevertheless be entitled to the same in his turn, as though his name had remained upon the gradation list of the service.

6th On the 1st of November of every year, the ten annuities that are to become available on the following 1st of May, shall be assigned to those qualified subscribers in order of seniority, from whom applications for annuities shall have been received before the said 1st of November. After the 1st of November, any of the said ten annuities which shall not have been assigned

under the preceding clause, shall be assignable to all qualified subscribers in order of application.

7th As soon as possible after the 1st of May of every year, the managers shall notify in the Calcutta Gazette, the number of annuities of that year which remain unassigned, and also the number of annuities (if any), which remain not taken from previous years, and these annuities shall be assignable at any subsequent period to all qualified subscribers in order of application. But for the year in which any such annuity may be assigned, a rateable portion only of the annuity shall be payable, calculated from the date on which it is taken.

8th Every subscriber to whom an annuity shall be assigned, shall be required, in order to entitle him to the full annuity fixed by Art. II, to pay on or before the date from which the annuity is to commence, the difference between one half of the value of the annuity, and the accumulated amount of his contributions, whichever the latter shall be less than the former.

The value of an annuity on the life of any subscriber shall be determined by such table of valuation as may be sanctioned by the Honourable Court of Directors, and to determine the accumulated amount of a subscriber's contributions, a separate account shall be kept for each subscriber, and the account shall be made up annually, with interest at the rate of 6 per cent calculated on the subscriber's contributions as allowed by the Court of Directors.

9th Any subscriber who shall decline to pay the difference defined in the foregoing article, shall be entitled to an annuity of a reduced amount, to be calculated in the following manner, viz he shall receive an annuity of 5,000 sicca rupees or of £500 sterling, increased by such additional amount as his contributions may suffice to purchase, according to the table of valuation in force.

10th The acceptance of the resignation of the Honourable Company's service is an essential condition to entitle a subscriber to an annuity, and annuitants will not be permitted by the Court of Directors to return to the service. Any subscriber therefore, to whom an annuity shall have been assigned under Articles VI or VII, who shall fail to tender his resignation of the Hon. Company's Service, on or before the 1st of May following, shall not only forfeit his right to the annuity so assigned, but shall also forfeit a sum of ten thousand rupees, to be paid by the subscriber within one week from the said 1st of May, or in the event of non-payment by the subscriber, to be deducted from his allowances by the civil auditor in such instalments, not exceeding one-half, nor being less than one-third of his total official receipts, as the managers may direct, and in the latter case, interest shall be charged at the rate which the Fund would have received had the amount of the fine been paid by the subscriber within the prescribed term of one week from the 1st of May.

## CIVIL ANNUITY FUND.

11

No subscriber who shall incur the above penalty shall be deemed entitled to an annuity, until the amount of such penalty, together with all interest which may become due thereon, shall have been fully paid

11th Any subscriber not having served twenty-five years, and actually resided twenty-two years, who may be compelled to retire from the Honourable Company's service by sickness, duly certified as below provided, shall be entitled to receive either a donation or an invalid pension of reduced amount as follows —

If he shall not have completed ten years residence, a donation of . . . . .		Sa Rs 5,000
Or . . . . .		£500
If he shall have completed ten years residence, but less than fifteen years, a pension of . . . . .		Sa Rs 2,500
Or . . . . .		£250
If he shall have completed fifteen years residence a pension of . . . . .		Sa Rs 5,000
Or . . . . .		£500

12th The grant of invalid pensions shall be made in all respects upon the same principle as are prescribed in Articles VIII and IX of the Rules, that is to say, in order to entitle a subscriber to an invalid pension of £500 a year or £250 a year, as the case may be, it will be necessary for him to make good one half of the value of such pension, but it will be optional with him in the event of his subscriptions not being equal to the half value, to take a reduced pension of £250 or £125 a year, increased by such additional amount as his contributions may suffice to purchase according to the table of valuation in force

13th It will be necessary for every subscriber applying for an invalid pension, to furnish to the managers of the Fund, a certificate from his usual medical attendant, countersigned either by the Medical Board in Calcutta, or by a special committee of medical officers, to consist of not fewer than three members, convened by the Honourable the Lieutenant-Governor of the North Western Provinces, certifying that he is, from some permanent cause or complaint, incapable of rendering service in the climate of India, and it will further be necessary that such certificate be confirmed by the examining physician of the Honourable Court of Directors, after the subscriber shall have resided one year in England

14th The value of every annuity or pension which is granted, shall be passed to a separate account under the head of "Appropriated Funds," and to the debit of that account shall be entered all payments in satisfaction of annuities.

15th At the close of every third year, the managers shall calculate according to the table of valuation then in force, the values of the existing annuities and pensions, and shall compare the total of their values with the assets of the "Appropriated Funds" If the amount of these assets shall exceed the said

total, the difference shall be carried to the credit of the unappropriated Funds, but if the amount of the assets of the Appropriated Funds shall be less than the total aforesaid, then the deficiency shall be made good by a transfer to the head of "Appropriated Funds" of any balance remaining unappropriated, and a representation with regard to the difference (if any), shall be made by the managers to the Government of India.

16th Every annuitant or invalid pensioner shall be furnished with a certificate of his admission to an annuity or pension under the hands of not less than three of the managers of the Fund, and a duplicate of the certificate shall be furnished to the Government for transmission to the Honourable Court of Directors.

17th. Any subscriber who may be dismissed from the Honourable Company's service, shall forfeit all right to any benefit from the Civil Service Annuity Fund.

18th The interest in the Fund, of any subscriber, who may be suspended from the Honourable Company's service, shall be in abeyance during his suspension, and shall revive upon his restoration. But this provision shall not be held to apply to civil servants out of employ (from whatever cause), who shall be permitted to draw the subsistence allowance of their rank.

19th The affairs of the institution shall be conducted by nine managers, of whom four shall be *ex officio*, viz the Secretary to the Government of India in the Financial Department, the Accountant to the Government of Bengal, the Sub-treasurer, and Civil Auditor. The other five shall be subscribers, and shall be elected at a general meeting of subscribers to be held in January of each year in Calcutta.

20th The Sub-treasurer of Government shall, with the permission of Government, be the Treasurer of the Institution, and the funds of the Institution shall be deposited in the public treasury, subject to the direction and control of the managers.

21st The managers, or the majority of those present at a meeting of five or more, or if less than five be present, any three managers who may concur in opinion, shall be competent to decide on the first instance upon all matters relative to the receipts and disbursements of the Fund, as well as generally upon all subjects connected with the management of the Fund not expressly reserved for determination by a general meeting of subscribers. But the decisions of the managers in all cases shall be liable to revision by a general Meeting.

22nd The managers shall appoint a secretary and accountant to the Fund, and shall fix such allowance for him, payable from the Fund, as they may consider adequate to his services. The officer so appointed shall act under the direction of the managers, and shall attend the general meetings of the subscribers. The proceedings of the managers, and generally all papers appertaining to the Fund, shall be kept under the charge of the secretary and accountant to the Fund, and shall, on application to him or

to the managers, be open to the inspection of any of the subscribers

23rd All appointments to the office of secretary and accountant to the Fund, as well as the appointments of any other persons whom the managers may find it necessary to employ, and the allowances assigned to such officers, shall be subject to the control of a general meeting

24th A general meeting of the subscribers shall be held in Calcutta in January of every year (or as soon afterwards as the accounts can be made up and prepared for inspection), to receive and audit the accounts of the preceding year, and to decide on all questions duly brought before it. The managers or any nine members of the institution, may convene at any time a special general meeting at the Presidency, by notice in the *Calcutta Gazette*, and in two newspapers, one of the two being a newspaper published in the North Western Provinces, provided that the day fixed for holding such special meetings and the object of it be advertised as above, at least six weeks before the same is held

25th Upon all questions duly advertised for discussion at a general meeting, whether annual or special, all subscribers shall be allowed to deliver their sentiments and votes by proxy, and all questions shall be determined by a *majority of two thirds of the subscribers*, who may be present at such general meetings, or who may vote thereat by proxy. But the concurrent voices of nine members at least actually present, shall be requisite to determine upon any question whatever. General proxies will only be allowed on behalf of members who have left India, and unless revoked, will be of force during the absence of such members, or until the receipt of intelligence of their death

Parties holding general proxies shall be entitled to vote on any question whatever that may arise. The holder of a special proxy shall be entitled to vote on any final point connected with the question for which the special proxy was given, that may be discussed at the meeting summoned for its determination

No person shall hold a general or special proxy, or be entitled to vote at any general or special meeting who is not a subscriber to the Fund

It shall be the duty of the chairman of every general meeting, after taking the votes of those present on each question, to call for the votes of proxies on the same question, the chairman shall also carefully examine the proxies to see if they are in the prescribed form, and if not, shall reject them

The forms of general and special proxies shall be those marked A and B, appended to the rules

26th Upon all general questions involving any increase or diminution of the rate of the contributions or any essential addition to, or alteration in the original rules and principles of the institution, no decision of the subscribers shall be valid or have any effect until sanctioned and approved by the Court of

Directors, to whom all parties considering themselves aggrieved by such decision, shall have a right of appeal, and the decision of the Court of Directors shall in all cases be final. Provided, however, that the determination of a general meeting on such cases and questions be referred to the subscribers at large for adoption or rejection, before being submitted for the sanction and approval of the Court of Directors

*Extract Regulations.*

ART I THE object of the civil fund is to provide for the maintenance of the widows and children of such of the subscribers as may not, at their death, leave property sufficient for the subsistence and education of their families

ART XXI On the death of any subscriber to the fund who may not be possessed of property sufficient to provide for his family, and may leave a wife cohabiting with, or maintained by him, or living under his protection at the period of his decease, without an adequate provision for her support as hereafter specified, if, on the information which may be submitted by her, or in her behalf to the managers of the fund, it shall appear to the satisfaction of a general meeting of the subscribers that she is a proper object of the fund, a pension shall be assigned to her from the fund, under the provisions and with the limitations stated in the following article provided that nothing contained therein, or in any part of the rules of this institution, shall be considered to entitle to the benefits of it, any widow who may have been separated under a legal decision from her husband for misconduct on her part, or who may be known to have been living in a state of adultery, though not divorced or separated from him by law

ART XXII First If the widow, at the time of her husband's death, be resident in India, and be left without an income exceeding one hundred Company's rupees per mensem, a pension

shall be assigned to her from the fund of three hundred Company's rupees per mensem during her residence in India. If the widow be not resident in India at the time of her husband's death, or shall afterwards quit India, and her income, from her husband's estate or otherwise, shall not exceed one hundred pounds sterling per annum, the pension to be assigned to her from the fund shall be three hundred pounds sterling per annum.

Secondly. If the income of the widow, resident in India at the death of her husband, be more than one hundred Company's rupees per mensem, but shall not exceed four hundred per mensem during her residence in India, or if the widow be not resident in India at the time of her husband's death, or shall afterwards quit India, and her income be more than one hundred pounds sterling per annum, but shall not exceed four hundred pounds sterling per annum, the pension to be assigned to her from the fund shall be such as will make up her income to four hundred Company's rupees per mensem during her residence in India, or four hundred pounds sterling per annum in Europe or elsewhere.

Thirdly. In the event of a widow, to whom a pension may have been assigned from the fund, acquiring subsequently by inheritance, bequest, or otherwise, any property or income which, with the property left on her husband's decease, and the pension received by her from the fund, may render her total income, including her pension from the fund, more than four hundred Company's rupees per mensem, during her residence in India, or more than four hundred pounds sterling per annum in Europe, or elsewhere, her pension from the fund shall be liable to abatement in proportion to the excess of her entire income, including the pension, above the sum specified, or to be altogether discontinued, in the event of her property or income, exclusive of the pension assigned to her from the fund, being equal to the full sum of four hundred Company's rupees per mensem in India, or four hundred pounds sterling per annum in Europe, or elsewhere.

Fourthly. All pensions to widows shall be discontinued on their re-marriage. But in the event of their being again left in a state of widowhood without an adequate provision for their support, and of their appearing to be proper objects of this fund, they may be again admitted to the benefits of it under the same provisions and limitations as on their original admission.

Fifthly. The pensions to widows, who may be admitted to the benefits of the fund, shall be paid in advance half-yearly to themselves, or to their authorized agents, but the acknowledgment of the widow herself shall be taken for all sums paid on her behalf, and shall contain a solemn declaration that her entire income, including the pension received by her, does not exceed the sum of four hundred Company's rupees per mensem if she be resident in India, or four hundred pounds sterling per annum if she reside in Europe, or elsewhere. And it shall be incumbent on the managers to suspend the payment of the pension of any widows who may refuse to make such declaration, reporting the case for the decision of a general meeting of the subscribers.

**ART XXIII** If any subscriber to the fund shall die without the means of providing for his family, and shall consequently leave a child or children, born in wedlock, without an adequate provision for their maintenance and education, and if on the information, documents, or evidence which may be submitted on their behalf to the managers of the fund, it shall appear to the satisfaction of a general meeting of the subscribers that they are proper objects of the fund, an allowance for their maintenance and education shall be assigned from the fund under the provisions and limitations contained in the following article

**ART XXIV** First If the child or children of the deceased subscriber shall be left without any provision from his estate or otherwise, the allowance for the education and maintenance of each child to be granted from the fund in India, or in Europe, shall be according to the age of the child, as follows, *viz* — Till five years of age, thirty Company's rupees per mensem in India, or thirty pounds sterling per annum in Europe, from the commencement of the sixth year, to the end of the eighth year, forty Company's rupees per mensem in India, or sixty pounds sterling per annum in Europe, from the commencement of the ninth year, to the end of the eleventh year, fifty Company's rupees per mensem in India, or eighty pounds sterling per annum in Europe, from the commencement of the twelfth year, sixty Company's rupees per mensem in India, or one hundred pounds sterling per annum in Europe

Secondly If any provision be left by a subscriber for his child or children, or if after his death such child or children shall at any time become possessed of any property or income by inheritance, bequest, or otherwise, but not such as to afford the sums specified for their education and maintenance, the allowance to be granted from the fund shall be such as, in addition to the property or income possessed by them, will make up the several sums above specified, according to their respective ages, and as they may be resident in India or in Europe

Thirdly In the event of the property or income left to the child or children of a subscriber, at his death, or which may subsequently devolve to, or be in any wise acquired by them, being such as to afford the amount specified for their education and maintenance, they will not be entitled to any allowance from the fund, and any allowances which may have been granted before such accession of property or income shall be discontinued

Fourthly The allowances granted from the fund, for the maintenance and education of children, shall be paid in advance half-yearly, to their guardians, or relatives having the care of them, or to such persons as may be intrusted with the disbursement of the sums allotted for them, either by the managers of the fund in India, or by the agents to the fund in England

Fifthly The provision so made from the fund, for the maintenance and education of female children, shall cease on their marriage, and the provision for male children shall cease on their being settled in any profession, or employment, or on their attaining the age of twenty-one years, whichever shall first happen

**ART XXV** No family becoming hereafter dependent on the fund shall receive from the fund an allowance exceeding in all six hundred pounds sterling per annum, or in India six hundred Company's rupees per mensem, and the reduction shall be made rateably

**ART XXXIII** If a subscriber to the fund who has served twenty-two years in India retires from the service, or if, having served ten years in India, he retires from ill health, and at the time of retirement, as above stated, shall have contributed by his previous payments to the fund, including interest, the sum of twenty five thousand Company's rupees, or if, on his quitting the service, he shall pay to the fund what may be wanting to complete his contribution to that amount, such contribution shall entitle the family of such subscriber on his death to the benefits of the institution, under the several provisions herein-before stated, or such as may hereafter be established, in like manner as if his death had taken place during his residence and actual subscription to the fund in India. The family of any subscriber to the fund who may die during his temporary absence from India on leave shall be considered entitled to the benefits of the fund under the existing rules. Subscribers in India who may cease to receive any public allowances shall be considered as having retired from the service from the date of their allowances ceasing. In all cases, not expressly provided for, it shall be at the option of the subscribers at large to admit or reject the claim of any subscriber or his family, and such decision, duly passed, shall be final and conclusive.

But if the incapacity to pay proceed from any other cause, dependant upon the choice or conduct of the individual, such as furlough extended on private affairs, or any penal suspension from rank and pay, not only shall the arrears so accumulated be paid within the above term, but compound interest charged at 8 per cent. per annum on the amount.

*Section III — Benefits derivable from the Bengal Military Fund*

Art 15 The benefits derivable from the Military Fund are twofold.

- 1st Such as are granted by the regulations to subscriber while living
- 2d, Such as are granted to widows of deceased subscribers.

**Art 17.** A subscriber of whatever rank, who may proceed to Europe on sick certificate, and who may not be allowed passage-money from Government, shall be authorized to apply to the Military Fund for the sum of sicca rupees 1,200 to defray the expense, if he does not possess the sum of rupees 5,000, or property of any description to that amount, and also shall be entitled on his return to India to receive from the agents in England the sum of £110 for the outward passage, if he neither possesses, nor has at any time possessed, £500 sterling, exclusive of pay, during the period he has been in receipt of English pay on furlough.

**Art. 18** A subscriber so proceeding to England on sick certificate shall be authorized to apply for the further sum of rupees 300 for his equipment, if he does not possess the sum of rupees 2,000, or property of any description to that amount, but no allowance will in any case be made for equipment to a subscriber returning to India.

**Art. 19** Subaltern officers proceeding to England on sick certificate who shall make a declaration that they do not possess property from any source (exclusive of pay and pension for wounds) that will enable him to expend £50 per annum, shall be allowed that sum annually during the period of receiving English pay on furlough. The declaration to be renewed annually

**N B** The possession of Company's rupees 1,500, or £150, precludes all claim to the above allowance.

**Art 20** It having, however, been deemed necessary to set limits to the claims for gratuitous passage-money, equipment allowance, and income to subscribers proceeding to England on sick certificate, no subscriber who has received the benefits he is entitled to at any one time, shall receive a second indulgence until the expiration of eight years, reckoning from the renewal of Indian subscription.

Provided that nothing contained herein, or in any other part of these rules of the institution, shall be considered to entitle to the benefits of it any widow who may have been legally divorced or separated from her husband for adultery, or who, at the period of her husband's demise, may have quitted his protection, and be living in a state of notorious adultery, though not divorced or separated from him by law, or who subsequent to her husband's decease may be living in a notorious state of incontinence

24 If a widow pensioner on the fund marries, her pension is to cease during her coverture, but in the event of her again becoming a widow, she shall be re-admitted to all the benefits she may have enjoyed from the fund during her first widowhood, in like manner as if she had not re-married, but subject of course to all the limitations and conditions prescribed by the regulations in the first instance. If the second husband shall also have been a subscriber to the fund, the widow will receive, however, only one annuity, taking that which may be the greatest, that is to say, according to the rank of the first or second husband, whichever may be the higher.

25 Every widow benefiting by the Military Fund, and not provided with a passage to Europe at the expense of Government, shall be entitled (for one passage only) to an allowance of rupees 1,200, the claim to be determined by the following rule —

In like manner, although not immediately available, nor at her disposal, if the yearly interest of such money exceed the sum of £68 8 9, the claim to passage-money will be disallowed. Widows in Europe at the time of their husband's death, are not entitled to passage money on returning to India, or again visiting Europe

N B In proportion as a widow's pensions from the Military and Lord Clive's Funds are, by the levy of income tax, reduced to the amount admissible as private income, will be increased in a corresponding ratio beyond the present maximum of £68. 8s 9d, without debarring her of the claim to passage-money.

Deputy governor, Lieut Col. A Goldie

*Secretary, Rev J. T. D. Kidd, B.A*

### *Regulations for the Admission of Orphans.*

That no child possessed of any property shall be admitted, unless the amount shall be lodged for its use and benefit in the society's funds.

That no child of any subscriber, dying intestate, shall be admitted, if on inquiry there shall appear to have been (after payment of lawful debts, an adequate provision made for the mother) property remaining to the estate, equal to making a provision for, and which might have been bequeathed to, such a child.

In any case when an officer may die, leaving a natural born child or children, and possessed of property not sufficient to preclude the children from the benefits of the institution, and such officer shall not by will make such reasonable provision for these children as his circumstances may enable him, such children shall not be entitled to the benefits of the institution

That when, in the will of any subscriber, part only of his children are provided for, and others either excluded by name, or otherwise not noticed in its provisions, such omission arising manifestly out of the intention of the testator, such exclusion or omission shall be considered to invalidate the claims of all the children on the institution

That all cases of capricious or unequal provision, which by favouring the mother preferably to the children, or one child in preference to another, shall appear calculated to throw all or any part of a subscriber's family on the fund, shall be considered to invalidate the claims of all

That any provision by will or settlement for the widow of a subscriber greater than  $\frac{3}{5}$ ths (three-fifths) of the property to be devised when there shall be only one child,  $\frac{1}{2}$  (one-half) where

## BENGAL MILITARY ORPHAN SOCIETY. lxvii

there shall be two, and 1-3d (one third) where there shall be any greater number of children than two, the remainder being in all cases considered the property of the child, or (in equal portions) of the children, shall be considered unequal, agreeably to the two foregoing articles, and invalidate the claims of the children accordingly. Provided always, that a provision for the widow, to the amount of 12,000 sicca rupees (sicca rupees twelve thousand), shall not be held to invalidate the claims of the child or children, although such sum may be more than three-fifths, one-half, or one-third of the property devised. The widow may likewise possess a further sum of 12,000 sicca rupees if derived from other sources than property left by her husband, as from her own parents, father, brother, &c, or the subscription of her friends, and in case that less than 12,000 rupees should be left by her husband, such sum as shall not exceed ~~as~~ *all* the amount of 24,000 rupees, without the claim of the orphans upon the fund being thereby affected.

That in all cases of children born not in wedlock, any provision for the mother exceeding sicca rupees 30 (sicca rupees thirty), if a native, if European, sicca rupees 50 (sicca rupees fifty), per month, the principal of such sum in all cases to be secured to the child or children, shall be considered in the same light as the above, and invalidate all claims upon the foundation.

That subscriptions for the families of deceased subscribers are in all cases to be regarded as available sources of relief to the funds of the society, and in that view are to be considered of, and judged by the foregoing rules, in the same manner as any other disposable property, *with this only exception*, that, whereas such subscriptions are for a joint benefit, and lodged in the hands of trustees, it shall not be indispensable that the orphans' portions (estimated as above) be paid as capital sums into the society's funds, but it shall be sufficient that the interest upon them be from time to time duly paid by the said trustees into the society's treasury, so long as the orphans continue an expense to the institution, to be appropriated to their maintenance, whether in Europe or in India.

That should such children be allowed to remain with parent or friend, the interest on their said portions will be calculated in part payment of the regulated monthly allowance, the society regularly paying or receiving the balance; but should they be placed at Kidderpore, or under the management in England, the amount of interest on their several shares (calculated as above) must be paid into the funds of the society, on failure of which payment during a period exceeding 12 months, the said orphans shall be liable to be struck off the books of the institution.

That the marriage portion to female orphans shall in no case exceed sicca rupees 2,000, and if the ward claiming the dowry has property to an amount exceeding sicca rupees 3,000, the society will advance a sum that shall increase the amount to sicca rupees 5,000.

1 'To subscribers compelled by ill-health to abandon the country after ten years' service, and before they are entitled to retire on full pay, the regulated passage-money, and an annuity which shall render their total income, from whatever source derived, equal to the pay of their rank

2 'To officers who may have served twenty-two years in India, and be obliged by ill health to retire from the service without having obtained the rank of commander, the regulated passage-money, and such assistance from the Fund as will render their whole income, from whatever source, equal to the pay of a commander

Life Assurance Companies may be placed amongst the most useful institutions of modern times, and their increase shows that their value is daily becoming more appreciated. A very large proportion of the property of this kingdom is comprised in entailed estates, estates held by persons as tenants for life, church property, pensions, annuities, money receivable under wills, &c, all showing the importance of these Societies to the more opulent classes, while, in the middle ranks of society, there are now but few whose means of supporting their families depend upon their own personal exertions, or are derived from incomes which cease at their deaths, who do not gladly seize upon the means thus afforded them of leaving some provision for the future maintenance of their surviving dependants,—in short, there are but few situations in life in which it is not desirable, at some period, to enter into a contract for Assurance

(Continued)

## Universal Life Assurance Society—continued

ONE FIFTH of the ascertained profits of the five preceding years is divided between the policy-holders and share holders, three-fourths to the former, and one-fourth to the latter. The remaining four-fifths are set apart to enter into the average of the succeeding years, and thus to provide against unforeseen contingencies.

**The annual reduction of the Premiums arising from a participation in the Profits of the Society has averaged considerably above 40 per cent, and in no one year has it fallen below that amount**

The following Table will show the operation of the reduction made by the Society on those Policies upon which Six Annual Premiums have been paid —

Age when Policy was issued	Sum assured	Original Premium	Reduced Annual Premium for the current Year
		£ s d	£ s d
20	£1,000	19 6 8	11 12 0
30	1,000	24 8 4	14 13 0
40	1,000	31 10 0	18 18 0
50	1,000	42 15 0	25 13 0
60	1,000	66 11 8	39 19 0

Thus it will be seen that the benefits arising from the Division of Profits will be experienced by each whole Life Assurer on the payment of his Seventh Annual Premium.

This system of reduction in the premiums affords immediate benefit to the assured, or enables them to secure a considerable bonus by effecting a new policy.

Policies are granted in London, and by resident Committees at Calcutta, Madras, and Bombay, on Indian risks, at very advantageous rates, calculated from extensive data and tables, prepared from the Records of the East-India Government, to show the true risk of life during residence in India, and after retirement from foreign service.

**The Military Encyclopædia;**  
**A TECHNICAL, BIOGRAPHICAL, AND HISTORICAL DICTIONARY,**  
Referring exclusively to the Military Sciences and Narratives of  
Remarkable Battles

By J H STOCQUELER, Esq      8vo, cloth, price 12s

"This useful publication is a technical biographical, and historical dictionary, devoted exclusively to the military sciences the memoirs of distinguished soldiers, and the narratives of remarkable battles. The author, who is not unknown in the literary world, has produced a work very much needed at the present moment, and which it is, therefore, probable will obtain a very wide circulation. It comprehends the essence of many excellent books, and, whilst it discards much that is old, it embodies in its pages all that is new upon the subject treated. To military men this work will be found indispensable, by the ordinary reader, it will be found an important aid to his historical and general studies. Under these circumstances, it can be cordially recommended to the attention of both classes of the community."—*Observer, Feb 19, 1853*

"This is a useful and intelligent book. In a small compass it contains a large mass of facts and dates, and the results of copious professional learning. The combination of the biography and history of the professional, with an explanation of the technical terms of the profession, is a useful and fortunate device. It increases the interest and it enlarges the application of the volume. These articles are written with spirit and precision, the arrangement and typographical appearance of the volume are good, the number of topics embraced, and terms explained is very considerable. Mr Stocqueler readily admits that he is largely indebted to preceding writers and compilers, at the same time, it is due to himself to say, that he has executed his task so well and carefully as to render his book almost an original one."

## HINDUSTANI WORKS,

By DUNCAN FORBES, LL D , Professor of Oriental Languages  
at King's College

### A Dictionary, Hindustani and English ;

To which is added a reversed part, ENGLISH and HINDUSTANI

By DUNCAN FORBES LL D

In 1 vol royal 8vo , cloth £2 12s 6d , or half-bound, £2 16s

" The present volume, by Dr Forbes, we regard as an inestimable contribution to our Oriental literature, and worthy of a more extended notice than we can give to such a work. To compose a lexicon of the Hindustani tongue, suited to the present advanced state of this and kindred studies demands in its author an uncommon share of learning and critical sagacity,—that he be cautious, well practised in analysis and arrangement, with ability to assign to secondary and figurative meanings a due position, a philosophical classification under their proper themes. To this part of the task Dr Forbes has brought rare qualifications many years' experience great aptness in teaching the Oriental tongues, much tact with respect to the kind and degree of help required to their thorough mastery. He has already done good service, his former works have stimulated many to acquire that knowledge which is essential to an efficient discharge of the various offices of trust and responsibility of every Indian resident. To say that it is an entirely new work would be to claim for it an equivocal character, but we do say *it is a matchless production of its kind* every way calculated to sustain its author's well earned reputation. The plan and principal authorities are fully detailed in the preface, to which we refer our readers, the classical works have been diligently explored, the more modern and valuable works of Thompson, Herklots Cox, and H M Elliot have been laid under contribution for particular terms and local usage the aim has been to compile a thoroughly usable and economical book. The words are given in alphabetical order, the leading word, and the meaning of which it, its derivatives and compounds, are susceptible, are given with great care,—in a word if condensation and definiteness, if due distinction between the provinces of a grammarian and lexicographer, if to avoid faults, to reject things of a doubtful utility, to supply deficiencies, and do all this with a determination that typography, paper, and price shall be unexceptionable,—if these in combination be a recommendation to an author and his work, then Dr Forbes's Dictionary is fully worthy of the patronage of the patrons and students of Hindustani literature "—*Friend of India, published at Serampore*

### Hindustani Manual

(In the Roman Character)

A Pocket Companion for those who visit India in any capacity,  
CONSISTING OF

A compendious Grammar and Exercises on its more prominent peculiarities, with a Selection of Useful Phrases and Dialogues, on familiar subjects, together with a Vocabulary of Useful Words, English and Hindustani, showing at the same time the difference of Idiom between the two languages

By DUNCAN FORBES, LL D

New edition, considerably improved, 18mo, bound, 5s 6d

" The work can be honestly recommended to all who are desirous of acquiring the elements of the language, or of making themselves understood among the people of this country. We have seldom, if ever, seen such a small pocket-companion, with such a variety of useful instruction. The language of the Vocabulary and of the Dialogues appears quite unexceptionable. Any one acquainted with Hindustani will at once recognize its idiomatic accuracy and cheerfully recommend it to the notice of all those who desire to come out to India not altogether unprepared to convey their own wishes to those who surround them "—*Friend of India*
