PREFACE

The present volume is the Fourth in the series "Index to Papers" presented at Indian Historical Records Commission's Sessions and covers the period (1995-2003). Like the previous volumes, this volume includes indices to the authors as well as the papers presented at the Sessions.

I am sure this volume will be of help to all members of the Commission as well as those interested in archival sources for conducting research on their areas of interest.

I wish to record my appreciation of the sincere efforts made by Dr Promod Mehra, Assistant Director, Sh Rajesh Verma, Archivist and Sh. N. Raju Singh, Assistant Archivist in compiling this volume under the guidance of Dr. Shitla Prasad, Deputy Director of Archives.
