INTRODUCTION

Statistical Abstract of Orissa Vol. III contains abstract statistical information in respect of Orissa for the period 1945-46 to 1956-57. The scope and contents of this volume have been considerably extended to meet the ever increasing demand for statistical information from Government departments and interested public.

2. Metric system of Weights and Measures have been introduced in this volume for the first time. Statistical series in existing units and in metric units have been given side by side and the figures in metric units have been printed in *italics* to distinguish them from those in existing units. The following abbreviations for metric units have been used throughout this publication.

Sq. km. = Square kilometres.

Cm = Centimetres

Kg. = Kilograms

Mt. = Metric tonnes

3. The Bureau acknowledges with gratitude, the co-operation of all Departments and Organisations who have made available most of the statistical data presented here.

4. Departments of Government and interested public are requested to make their needs known to the Bureau and put forward comments and suggestions relating to the improvement of this publication. Such suggestions are always welcome and will be carefully considered in planning future volumes.
