The "Statistical Abstract of Andhra Pradesh, 1974" is the Eighteenth in the Series which presents the latest available data on various Socio-Economic Characteristics of the state. It is hoped that this publication would serve as a useful reference book to the general public, research workers, administrators and others engaged in planning and developmental activities.

I am thankful to all the Heads of Departments, both of the State and Central Governments for their kind co-operation in furnishing the data, promptly. Any suggestions for improvement of the publication are most welcome.
